**Criterion – VI****6. Governance, Leadership and Management**

## 6.1 State the Vision and Mission of the institution

**Vision:** To achieve excellence by empowering all stakeholders through promotion of innovations in the field of higher education by imparting training and education, and encouraging research for the development of country with specific attention to the mountain region.

**Mission:** To stimulate the academic environment for promotion of holistic learning and research and to contribute to the nation's growth. To inculcate values and impart skills for shaping able and responsible individuals committed towards the intellectual, academic and cultural development of society.

6.2 Does the Institution has a management Information System

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

A constant feedback from the faculty and students, mostly informal, as also from other stakeholders varying with disciplines is taken. Inputs from the external members of the academic bodies are also sought for curriculum development. The inputs are incorporated after deliberations in academic bodies.

6.3.2 Teaching and Learning

A continuous improvement in curriculum as per the contemporary trends, student seminars, assignments, mentoring and constant assessment of students through unit tests to enable improvement of slow learners are some strategies adopted for quality improvement.

6.3.3 Examination and Evaluation

Gradual expansion in use of ICT tools for examination and evaluation purposes has been undertaken.

6.3.4 Research and Development

The university undertakes continuous strengthening the research infrastructure including housing precision equipments as central facilities. All India entrance test for admission to Ph. D. programmes, introduction of course work in Ph.D., continuous monitoring and assessment of research work by Board of Studies are some strategies adopted by the university.

6.3.5 Library, ICT and physical infrastructure / instrumentation

A continuous up gradation of ICT infra-structure and its use in functioning of the university has been taken up. Library automation, procurement of precision instruments, significant expansion in physical infrastructure including buildings and amenities have been planned in a phased manner and has partly been accomplished.

6.3.6 Human Resource Management

University constantly facilitates faculty to participate in orientation and refresher courses, conferences and workshops - both national and international and various other programmes. Workshops are also organized for the support staff and students for skill improvement.

## 6.3.7 Faculty and Staff recruitment

For recruitment of the faculty and staff the positions available are given wider publicity issuing all India advertisement in national newspapers and in website of the university for a global access to find the best. Applications received are thoroughly scrutinized and candidates shortlisted followed by interview. Online submission of applications is encouraged.

## 6.3.8 Industry Interaction / Collaboration

Departments running professional courses and those working in industrially relevant subject areas are encouraged to collaborate with industries and most have constant good interaction with the industries. Representatives of the industries are also invited to the campus by some departments to facilitate industry-student interaction.

## 6.3.9 Admission of Students

Admission of students to all PG courses and Ph.D. programme is done through an all India entrance test. In most UG courses admission is granted on the basis of merits prepared based on their scores in qualifying examination. Proper publicity is given to seek all India enrolment of students in the courses offered by the university.

## 6.4 Welfare schemes for

Teaching	-
Non teaching	An employees welfare fund exists in the university for the welfare of the staff
Students	There are several components of student welfare including award of various scholarships, freeships etc. that are governed by the Dean Student Welfare.

## 6.5 Total corpus fund generated

6.6 Whether annual financial audit has been done    Yes     No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	No		No	
Administrative	No		No	

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes      Yes  No

For PG Programmes      Yes  No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

Continuous assessment of the students is part of the semester system of examination in all PG and some UG courses whereas in others it is being introduced in a phase-wise manner. Also efforts are being made to make use of ICT in the examination including online forms, awards etc.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

The university does not have constituent colleges.

6.11 Activities and support from the Alumni Association

Alumni Association of the university is yet to be formed and efforts are underway to constitute the same. The alumni of the university have significantly contributed in different areas and some are highly placed. University strives to associate the alumni in its academic activities to seek their involvement and support but Some departments of the university have Alumni Association.

6.12 Activities and support from the Parent ó Teacher Association

A formal Parent- Teacher Association does not exist in the university. However, the Board of Student Welfare interact with parents of the students, if needed.

6.13 Development programmes for support staff

6.14 Initiatives taken by the institution to make the campus eco-friendly

The university has taken several steps to make the campus eco-friendly that include plantation in and around the campus, energy conservation using energy efficient devices, use of solar panels as renewable energy source etc. In addition, a comprehensive plan has been implemented for rain water harvesting as part of the campus development.

## Criterion – VII

### 7. Innovations and Best Practices

- 7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Gradual introduction of use of ICT tools in examination system including submission of online forms for entrance examinations also made a noticeable impact. It is planned to expand this activity in other examinations also from the coming session. This is to be taken up in a phase-wise manner.

- 7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Starting Community College, expansion and creation of the infrastructural facilities were accomplished as per the plan of action drawn in the beginning of the year.

- 7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

**1. University-Society interface:** The university has taken up several initiatives to build a strong university-society interface through transfer of technology, sharing knowledge, participatory programmes, extension activities and working with community for their overall well being. Preparation of People's Biodiversity Register, successful cultivation model of high value Himalayan medicinal plants by the farmers of Chamoli district, plantation in community land are few examples of effective university-society interface. Various activities relating to rural development, health and hygiene, education and environmental awareness are also organized with student participation in the rural areas.

**2. ICT enabled functioning:** The university has taken up a comprehensive plan for use of ICT in functioning of the university in a phase-wise manner that could lead to complete e-governance system. Already the conduct of entrance examination for admissions to various courses has been computerized using online services. The examination system is also gradually being shifted to this system. Library automation is another plan of the university to use ICT for effective functioning.

*\*Provide the details in annexure (annexure need to be numbered as i, ii,iii)*

- 7.4 Contribution to environmental awareness / protection

Various programmes are organized by the university departments on environmental issues for students as well as the public. The important days like World Environment Day, Earth Day, World Forestry Day, Wetland Day, Earth Hour, International Ozone Day etc. are celebrated by the departments organizing activities in the campus as well as in the community to create environmental awareness. Environmental Awareness Campaigns are also organized.

7.5 Whether environmental audit was conducted? Yes  No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

The university has been striving hard to make it a centre of excellence in higher education. It is situated in a region that is endowed with rich natural resources and cultural heritage opening opportunities for research. However, the place being far-off from train and air connectivity as also other limitations of amenities is major constraint for longer stay at the place.

**8. Plans of institution for next year**

To enhance use of ICT in functioning of the university leading to e-governance in phase-wise manner and continued efforts to strengthen infrastructure for teaching and research.
