NOTIFICATION-04

The Faculty Development Centre (FDC), HNB Garhwal University, Srinagar (Garhwal) is organizing Induction Training Programme of one month duration (20-11-2017 to 19-12-2017) under the MHRD scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNTT).

The cornerstone of any education system is teachers and the quality of education is both determined and dependent on the quality of its teachers. In higher education, faculty development is central to the issues of quality and excellence. The present higher education system focuses only on the domain (subject) knowledge of the faculty. It does not focus on teaching-learning process, pedagogical content and its various tools which are very vital to increase the quality of learning experience in the different educational programmes.

The Group of Secretaries (GoS) on Education and Social Development has recommended Induction Training of freshly inducted faculty in Universities/Colleges/Institutes so as to improve their quality. Content outlines for the training modules have been approved by Ministry of Human Resource Development, Government of India.

The Induction Programme for training Faculty in Central and State Universities, Centrally Funded Technical Institutions, Degree and PG Colleges will familiarize them in their roles as freshly inducted university teachers. It will orient them on various generic aspects of teaching learning, instructional methodologies, assessment and evaluation techniques, ICT enabled teaching learning, and equip them with knowledge of University rules and regulations, basics of governance and administration.

Interested teachers may apply on the prescribed application form through proper channel latest by 16-11-2017.

Application form can be downloaded from: <http://www.hnbgu.ac.in/writereaddata/aaa.pdf>
