

**Arun Shekhar Bahuguna**

**Assistant Professor**

**Mobile: +91-9458123033**

**E-mail: arunshekharb33@gmail.com**

**About the Faculty:** Arun Shekhar Bahuguna is a faculty member in Department of Electronics and Communication Engineering at School of Engineering and Technology, HNB Garhwal Central University, Srinagar Garhwal. He has been teaching for last eleven years to the undergraduate students. Currently he undertakes theory and laboratory courses related to Analog and Digital Communication, DSP, Optical and wireless communication. Previously, he has worked as an Assistant Professor in Shivalik college of Engineering, Dehradun and Tula's Institute, Dehradun. He is a post graduate in Digital Signal Processing from GB Pant Engineering College, Pauri (Uttarakhand) in 2010. He graduated in Electronics & Communication Engineering from Uttar Pradesh Technical University in 2004. His technical expertise includes Communication systems, DSP and Circuit devices.

Specialization : Digital Signal Processing

Qualification : M. Tech., B.Tech., B.Sc.

Research Interests : Signal Processing, Communication Systems.

UG Courses : Analog and Digital Communication, DSP, Optical and wireless communication.
