

SWAYAM Cell

HNB Garhwal University (A Central University) Srinagar Garhwal

Notice

In light of the current scenario, the SWAYAM cell of University (<https://www.swayamhnbgu.in/>) invites all the faculty members and research scholars to develop or recommend selected subject/ syllabi relevant content as Open Education Resources (OER) like e-content, audio/ video, written notes for easy access to academic study materials as per the need of the subject.

It would be a great work if we can create our institutional academic repository. This will not only serve the purpose in the current scenario but also will be helpful for our university in the preparation of NAAC. The SWAYAM cell will be happy to receive the e-content developed by you. For the same, the following initiatives can be taken.

1. Please create any kind of audio/ video or written notes.
2. Please upload the created Audio-video to your personal YouTube Channel.
3. Written slides or notes can be uploaded to SlideShare/ OER Commons or any other platform.
4. PLEASE DO NOT FORGET TO CHOSE AND APPLY THE CREATIVE COMMON LICENSE (when uploading; see the advance setting of uploading section).
5. **Senior Faculty members are requested to recommend any material or link which is suitable for a subject and that can also be shared.**
6. Share the link to your students and others who needs through WhatsApp/ Facebook/ Linkedin/ Twitter.
7. Share the URL of the same (**created or recommended**) at the <https://www.swayamhnbgu.in/about/submit>. The SWAYAM cell will maintain the Institutional Academic Repository and will provide access to all.
8. If the google drive link is given as URL, please ensure the privacy protection “Anyone with the link” or “Anyone on the net”.

Just use your mobile phone and laptop for the creation of Open Educational Resources. The faculty members and research scholars who have already got the sufficient knowledge to create OER in various workshops by FDC and Education Department of University can take the lead and be the mentors for others in their respective department. You can also share any type of OER (not just video). This would be a great contribution to the Academics and to the NAAC preparation.

The links of the University's all OER shall be available at <https://www.swayamhnbgu.in/repo>. I am happy to share this new initiative from the SWAYAM Cell of University (<https://www.swayamhnbgu.in/>).

Therefore, all the faculty members and research scholar are humbly requested to disseminate this information and contribute. The SWAYAM cell will be happy to extend any possible help, if required.

Dr. Ajay Semalty

University SWAYAM Coordinator

SPOC: SWAYAM-NPTEL Local Chapter
