The committee unanimously agreed upon the following resolutions—

- (1) The proceedings and resolutions of the Board of Studies of various departments (Physics, Chemistry, Mathematics, Statistics, Home Science & Pharmaceutical Studies) held after 1.04.2015 (First meeting of school-board), till today are approved.
- (2) The PhD scholars, registered in the University, under various departments of the school of Sciences, who have completed four years and were not able to submit their thesis, should be granted one year extension, to complete the research work, as per B.O.S. Recommendations based on the student's request. This may kindly be placed before the Academic-Council, for the approval.

Forwarded for kind approval—
