

CIRCULAR

As per the UGC guidelines and subsequent decision of Academic Council, grading of Intermediate Semesters 2019-20 shall be the composition of Sessional score (50%) and score of previous semester (50%) for promotion to next higher semester. Accordingly, university is in the process of declaring the results.

In this regard, it is pertinent to mention that university is also running some courses under different Regulatory Bodies like AICTE, NCTE, BCI, MCI (former), PCI, DCI etc. apart from UGC and some of those regulatory bodies also issued separate guidelines/advisories regarding examination and academic calendar in view of COVID-19 pandemic.

Since guidelines of Regulatory Bodies are superior in terms of running of courses and award of degrees; respective Heads/Deans of such courses are hereby requested to go through the latest guidelines/advisories particularly in terms of Intermediate End Semester Exam 2019-20 and subsequent promotion of students to higher semesters (from even to odd), if it is in the same line as stipulated in UGC guidelines that has been adopted by the university. In case of any deviation, same may be reported and propose further course of action before declaration of results of intermediate semesters of 2019-20 on or before 15.11.2020 positively.
