## Action Taken Report

By Hostel Warden: Cleanliness in BJJR hostel is a long pending issue and non-availability of a full time dedicated staff for cleaning since past year is major cause for that. We have requested the university authorities several times but the problem is still pending. All the issues are in knowledge of CHW and are being negotiated with university.

Comments of Chief Hostel Warden: Sweeper is there in the hostel and he is responsible for two hostels i.e. Tarshul and BJJR hostel. We are regularly monitoring cleaning of the hostels and also taking feed back from the hostellers. Regular visits of hostel warden is required and I request to warden for visit on daily bases to hostels and suggest me accordingly to improve the living conditions in the hostel.

S.No.	Hostel	Good Points	Weak Points	Suggestions
1.	Bal Ganga Girls	• Good mess facility	• Poor general maintenance	• ATM in the campus • Wi-Fi facility • Change care taker
2.	Trihari Boys	• Good staff behavior • Good Furniture	• Monkey menace • Wi-Fi required	• Ensure 24 hours water supply

**Action Taken Report**

**Name of the Hostel:** Trihari (Boys) and Balganga (Girls) Hostels, Badshahi Thaul, Tehri Garhwal

**By Hostel Warden:**

1. Special care is being taken for required maintenance work of girls' hostel as and when required. There is problem of seepage (during rainy season) in some rooms and efforts are being made to repair them soon. However, general maintenance work in the hostels of the campus has not been done for last five year.
2. Medical facility is available in the campus especially for the hostels residents. Some students may not be aware of it. It has now been circulated among all students.
3. Sports facilities are available in the hostel and students are encouraged to use them. Again the information has been circulated among all students.
4. The problem of monkeys is in entire campus. In past, forest department captured some of them but still monkeys are there. We have informed the administration to solve the problem.
5. Wi-Fi is available in Hostels but the connectivity is not as per expectation of the students. As per the direction of MHRD, new Wi-Fi system has now been installed in entire campus. It will come in operation very shortly.

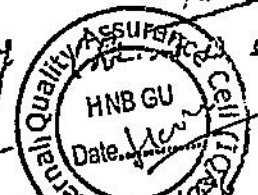

**Suggestions**

1. On the request of campus administration, SBI has installed ATM in Badshahi Thaul town at a distance of about 100 meters from the campus and hostels. The ATM is working properly.
2. Care takers of hostels are working sincerely. However, they are instructed again to work effectively as per requirement of the students.
3. Electricity and water supply in the hostel are available 24 hours. Concerned employees are being instructed continuously to maintain these facilities without interruption.

**Comments of Campus Director:**

Hostel wardens have taken necessary actions as reported above.

**Comments of IQAC:** The feedback was discussed in the meeting of IQAC held on 24.09.2019 & 01.10.2019.
