Students' Suggestions on Curriculum (2018-19)

School of Agriculture & Allied Sciences

HAPPRC

1. More emphasis should be given to practical exposure of the course
2. Further improvement in laboratory equipments
3. More text books should be added to library

Rural Technology

1. Inadequate space for Dissertation/ Research field work plots (land)
2. Computer for Remote Sensing and GIS lab
3. Required smart class room for presentations

School of Sciences

Chemistry

1. Inorganic specialization needed
2. Placement should be provided
3. Project work should be started
4. Industrial visit should start
5. Relevant books should be provided to all students
6. Smart class room required

Physics

1. Provide more books
2. Lab should be developed
3. Presentation hall should be used more frequently

Physics (BGR Campus)

1. The Course curriculum text books should be available
2. Need of Co-Curriculum activities.

Physics (SRT Campus)

1. Additional Faculty and Lab staff is urgently needed
2. Technical staff required to assist the students and maintain the lab equipments.
3. More emphasis on practical
4. Infrastructure such as separate PG Labs and computer lab are required.

Pharmaceutical Chemistry

1. Additional faculty required
2. Educational industrial visits be organised
3. Campus placement be initiated

Home Science

1. Unavailability of books in the library
2. Units of syllabus should be more specific

Statistics

1. Improvement in the laboratory with software upgradation required
2. Books should be available in the departmental library

School of Commerce**Commerce**

1. Campus placement should be initiated by the department
2. Permanent faculty should be appointed by the University
3. Industrial visits should be organized for developing new skills
4. Department library needs to be strengthened

School of Earth Sciences**Geography (SRT Campus)**

1. Separate class room and lab for PG classes.
2. More Financial assistance for compulsory tour.
3. English/Hindi books of quality Authors must be provided.
4. Declaration of result in time.

School of Education**Adult Cont. Education & Extension**

1. Course is fit for private sector but not for government sector from employability point of view.
2. Updated text books in bilingual text should be available in the library.

Naturopathy and Yoga

1. Laboratory should be equipped with instruments for advance asanas
2. Initiation of internship in yoga in hospitals

Physical Education

1. Result should be declared online
2. Bus facilities should be provided for practical classes at chauras
3. Advance topics in related field should also be in the course
4. More books should be provided in department library
5. Provide more training equipments

School of Engineering & Technology**Electronics and Communication Engineering**

1. Licensed software in laboratory

2. More emphasis on embedded systems.
3. Removal of Telecom Switching course

School of Arts, Communication & Languages

Hindi

1. प्राध्यापकों की संख्या में वृद्धि की जाए ताकि विद्यार्थी अधिक से अधिक ज्ञानार्जन कर सकें। रोजगारपरक शिक्षण किया जाए।
2. साहित्य के क्षेत्र में विषय विशेष विशेषज्ञ नियुक्त किए जाएँ।

English

1. Text books should be available in the department library
2. Need of seminars and workshop in the department

Sanskrit (SRT Campus)

1. Students needs more faculty
2. Students need more internet facilities.

School of Humanities & Social Sciences

Economics

1. Internship for students to increase employability
2. More focus on field study and project work
3. Industry visits for students

History and Archaeology

1. Regular interaction among teacher and students for personality development for student
2. Semester wise field tour for historical and archaeological places should be organized.
3. Smart classes should be started
4. Innovative programme for skill development should be organized.
5. Arrangement of maps and PPT presentation

Political Science

1. There should be full freedom to choose optional subjects
2. Library should have syllabus related standard textbooks
3. Syllabus should have a better connection with practical and everyday reality.

Political Science (SRT Campus)

1. Needs more faculty members
2. Needs e-library facility

Sociology

1. No sufficient permanent faculty. There are 03 permanent faculty (01 faculty was CCL leave)
2. Sufficient books and other learning material are not available in library.

School of Law

Law (SRT Campus)

1. New books and journal should be made available in the library
2. LLM course should be made regular course from the self finance course

School of Life Sciences

Botany

1. Advance topics must be included both in theory and practical curriculum
2. More practical exposure should be given to the students.
3. Educational tour should be included in the curriculum particularly in the subjects of plant taxonomy and biodiversity.
4. M.Sc. labs should be enriched with advanced equipments.

Microbiology

1. Advance topic must be included both in theory and practical curriculum
2. More practical exposure must be given to students.
3. Industrial visit/ Educational tour should be included in curriculum
4. Advance equipments must be available in the laboratory

Environmental Science

1. Books should be available in library
2. Punctuality & seriousness during the classes & dissertation.
3. Regular Practical Work should be conducted.

Biotechnology

1. Arrangement of study visits
2. Chemicals and other scientific equipments in laboratory should be available on time.
3. Arrangement of power backup

Zoology

1. Arrangement of study visits.
2. Placement & Career guidance cell should be established
3. Chemicals and other scientific equipments in laboratory should be available on time.

Zoology (BGR Campus)

1. To review the pattern of question papers
2. Appointment of regular staff
3. Focus on Practical exposure (study visits)

Biochemistry

1. Laboratory facilities should be improved.
2. Library facility should be improved. Books should be issued till exams are over.

3. Topics related to NET should be included in the curriculum.

Himalayan Aquatic Biodiversity

1. Conduct study tour
2. More scientific instruments required
3. Wide publicity of course required

School of Management

CMTHS

1. Outdoor activities in the curriculum e.g. trekking, adventure etc.
2. More Industry professional should be invited for lectures in the department
3. IATA course training programme should be conducted in department.

Business Administration

1. Practical Exposure required
 2. Smart Classes required
 3. Campus Placement required
 4. Revise syllabus as per current market scenario
 5. Conduct speech competition to enhance communication skills
-

Analyses/ Action Taken by IQAC

Overall the feedback obtained from the students on curriculum was not very encouraging as the scores ranged from Below Average to Very Good (1 to >4<5). It was 'Below Average' only in one subject whereas 'Average' in three subjects. The concerned HoDs were asked to revise their curriculum on priority basis so as to update the course content. The HoDs were further advised to update the course content where there is a requirement.

The results of the feedback was presented and deliberated in the meeting of IQAC held on 24.09.2019. Members of IQAC suggested incorporating skill development/ Bridge Courses etc. to keep pace with the advances in the respective disciplines.

The suggestions given by students with regard to the curriculum were forwarded to the HoDs/ Conveners of the Board of Studies (BoS) for immediate attention and doing the needful.

Sd/-
Prof. O.P. Gusain
Director IQAC
