

## World Environment Day (June 5, 2019)

### #BeatAirPollution

The IQAC in collaboration with Department of Rural Technology celebrated the World Environment Day (June 5, 2019). The function was chaired by Prof. N.S. Panwar, Dean, School of Engineering & Technology. Prof. D.P. Gusain, Director, IQAC welcomed all the guests and participants. He introduced this year's theme "#BeatAirPollution".

Dr. B.S. Negi, Adviser, New and Renewable Energy Ministry, Govt. of India was the Guest of Honour. Dr. Negi informed that research for 'Clean Energy' is a global priority and India has taken many initiatives to conserve the environment. Prof. Panwar emphasized on each individual's contribution towards environment conservation. Dr. Alok Sagar Gautam, Department of Physics, the Speaker of the day, made a presentation on 'Aerosols as Air Pollutants.' Dr. R.S. Negi, Head, Rural Technology spoke about the facilities for Air Pollution studies available in the University.

A Written Environment Quiz Competition for Research Scholars was held on the occasion. The teams of Sidhant Bhardwaj & Mohit Kumar, Pawan Singh Rana & Shailesh Vishwakarma, and Ratheish P. & Vijay Kumar Yadav stood First, Second and Third respectively. Books along with a sapling was presented to the winners.
