The 8th convocation of the prestigious Hemvati Nandan Bahuguna Garhwal University comes amidst challenging times of corona virus pandemic. I am happy that odds notwithstanding, the University has continued with its tradition of annual convocation, keeping in mind the high value it holds in the lives of students aspiring for a great future ahead.

The pandemic presented abrupt challenges both for educational institute and forcing them to embrace sudden and swift transitions like alternative teaching methods with heightened use of technology. It is commendable that within no times, both students and teachers have adapted themselves well to continue with their core missions of teaching and learning.

This pandemic has a great lesson for us. The gravity and severity of the problems notwithstanding, human ingenuity and resolve is capable of getting over it. If there are problems there are solutions. If you have determination, dexterity and dedication no problem is unsurmountable.

As many graduating students move to professional lives ahead, their learning on valuable life skill like resilience, adaptability, critical-thinking, contingency-planning, self-control, etc. would be put to real test. I urge them to go out with confidence and a positive attitude.

I wish all graduating students a great and successful future ahead. On this auspicious occasion, I also congratulate the Chancellor, Vice Chancellor, faculty and staff for the honour and glory they have brought to your great institution.

I am immensely delighted that Hemvati Nandan Bahuguna Garhwal University (A Central University), Srinagar (Uttarakhand) is organizing its 8th Convocation on 1st December, 2020.

It is quite heartening that the HNB Garhwal University, within a brief span since its inception, has made significant strides in the field of higher education. The University is imparting education to students from across the country and making wholehearted and incessant endeavours towards making education a vital means of national transformation.

According to Swami Vivekananda, “Education is not the amount of information” but “life –building, man-making, character- making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library.” It is therefore quite imperative and essential that the education system lays greater focus on life-building, man-making and character-building of our students, the makers and the shapers of new India, mindful of the great heritage of India- the cradle and continuum of civilization. The National Education Policy 2020, the first education policy of the 21st Century, addresses the aspirational and civilisational concerns and developmental dimensions of our new and coming generations while focusing on the unique capabilities of each students. In the words of the Hon'ble Prime Minister Shri Narendra Modi- the NEP 2020 would transform India into a global hub of education.

The Convocation ceremony is a moment of singular significance, a turning point in the life of every student. It is also a proud moment for the parents and the teachers who render every conceivable support and assistance to the students and help them acquire higher education. I am optimistic that the recipients of the degrees will have a luminous and fulfilling career and bring laurels to the University and the nation.

I congratulate the HNB Garhwal University, the faculty members and all the graduating students and wish them every success in their future endeavours.

I am very glad to know that Hemvati Nandan Bahuguna Garhwal University (A Central University) Srinagar Garhwal is holding its 8th Convocation on December 1, 2020.

It is an occasion matter of great pride that the University, situated in a tough hilly terrain, is not only imparting quality education to the students but also grooming them to become a best citizens of the world. The Students of this University are making their place in the national and international mainstream on account of their sheer talent, intellect, integrity and hard work.

It gives me extreme satisfaction and happiness as an alumnus of this University to see that despite the geographical disadvantage of the location the laurels which the alumni of this University are bringing to the institution and to the state by their hard work and dedication is commendable.

I hope that the HNB Garhwal University will maintain its glorious past and its students would spread its name and fame in the country and abroad by their contribution in diverse fields.

I extend my good wishes to the grand success of Convocation and publication of souvenir to be brought out on this occasion.

It is for the first time that we are holding our University Convocation through the online digital mode. It represents the triumph of technology, which is enabling mankind to find new solutions and bringing the world closer. I would like to congratulate the Vice Chancellor, the Faculty and staff of the University, as well as the students, who have managed to make this possible. This is the sort of initiative we need to enable our country to develop on a fast mode.

On line teaching has also started. Whenever a new experiment takes place, a few hiccups are bound to occur but we should not be disheartened. If we all work together, the Faculty, staff and students, these initial problems can be sorted out in a short time.

COVID 19 has taught us to discover alternatives to our present way of living. Work from home is now a much talked about strategy and is bound to leave a permanent orientation to our living styles.

A Convocation is a festive time for the entire family of the University. Students, who have laboured hard, will be getting their well deserved degrees. Those who have excelled in their various fields will be getting medals. Faculty members will feel proud to see their wards moving to their next stage of life, fortified by the knowledge they as teachers, have imparted to them, both in and outside the classrooms. Like the soul in the human body, each Faculty member. leaves a part of himself in the mind and body of his students.

A Convocation also represents a parting of ways for those who are leaving the University seeking new avenues in life. We wish them all happiness in their future endeavours I wish the Convocation all success.

This is my pleasure to know that Hemvati Nandan Bahuguna Garhwal University, Srinagar (Garhwal), Uttarakhand is going to organize its 8th convocation ceremony on December 1, 2020. Keeping in view the Covid-19 pandemic situation, the initiative to organize such kind of ceremony to maintain the dignity of the institution through online mode shows the dedication of the authorities, staffs, teachers and students. I feel privileged to be a part of the digital souvenir. Hemvati Nandan Bahuguna Garhwal University has marked its place as an important institution from the time of its establishment in 1973. The university has played a great role in fulfilling the needs of higher education in the geographically challenged regions of India.

I congratulate and extend my best wishes to the teachers, staffs, students and the organizers of the convocation ceremony for the great success of the programme and well-being of the institution.

The global pandemic has presented a challenging scenario in all sectors including higher education. While it has been slightly easier for professionals to adopt the new work culture of “work from home” but in academics to continue teaching and learning as well as to shift from in person classroom teaching to online teaching, was quite challenging. As a matter of fact, still majority of population living in the rural areas is not completely equipped with fast internet, uninterrupted power supply and electronic devices and grappling with these challenges to make education completely digital or online. But COVID-19 has brought a paradigm shift in the educational system. With the Department of Education, Government of India's various initiatives for online teaching and learning as a stop-gap arrangement to evade any disruptions in academic calendars, now e-learning and teaching has not only allowed the faculty of almost all universities to perform but also reform and transform the education sector. In fact, online learning has paved a way to retain normalcy in education sector and it is heartening to see that not only urban educational institutes, but the state-run schools in rural areas have also gone digital and resorted to online classes to avert academic losses.

With this, the National Education Policy 2020, has presented a remarkable shift in educational scenario including Higher Education to allow India to take a big leap in the knowledge economy of 21st century. The quality higher education aims to develop- good, thoughtful, curious and creative individuals. It proposes specialization in one or more areas of interest at a deeper level with a vision of developing character, ethical and constitutional values, intellectual curiosity, scientific temper, creativity and spirit of service. The set mission of NEP has been specified as Multidisciplinary

Approach to academics to enable personal accomplishment and enlightenment, Constructive Public engagement and Productive contribution to society as well as integration and blending of STEM with humanities and social sciences.

Here the universities are supposed to take lead and play vital role in proposing new thoughts, ideas and insights in the spheres of art, culture, humanities, fundamental and applied sciences, social sciences, political governance and build a new and creative India. To pursue this great aim, India desperately needs to invest in the youth through creative interventions to enhance their skills and capacities for holistic development. Since, the dreams of transforming India to become a knowledge economy can only be realized through quality education, research, innovation and extension therefore, higher education has a great role to play in building new India and act as catalyst to bring desirable changes by good performances.

The H.N.B. Garhwal University, nestled in the lap of Garhwal Himalayas, is the only Central University in Uttarakhand. Situated in the tough terrains, the university with three different and diverse campuses covers the areas consisting of large number of socio-economically deprived population therefore working for the educational upliftment and excellence through skill enhancement is the key objective for it. And, this objective is being pursued through teaching meaningful courses, research and community outreach and extension activities. The University, at present, has piquant challenges of catering to the need for regional and community development in the unprecedented scenario of COVID-19 pandemic.

The university, through its researches on Himalayan Geology, Medicinal Plants, Alpine and Aquatic biodiversity, climate changes, disaster risk reduction, Environment, Culture and Archaeology and socio-economic issues is working for the cause of regional and community development as well as maintaining the standards of content and pedagogy. During the COVID period Online Teaching Learning, organization of webinars, Online Conference, workshops and training programs organized by various departments filled up this gap effectively. Besides this the Language Labs, Internal Quality Assessment Cell, Innovation Cell and Faculty Development Centre under Pt. Madan Mohan Malviya Mission for Teachers and Training, Ministry of Education, Government of India, are also working in the direction of excellence and catering to the needs of students and faculty as well. The online courses from the UGC/ Government platforms like SWAYAM/MOOC/SWAYAMPBHA are being adopted through proper procedures. The Learning Management System developed during Corona times by the

university is also a step in the right direction. Online admission and other process are also helpful. The smooth functioning of SAMARTH portal of the Ministry of Education, the implementation of PFMS, the e-tendering process and purchases through GEM has made the goal of digitalization and online transaction easier as well as transparent.

The university is not only acquiring the status of pan India character but through various MoUs for research and teaching, exchange and interaction with various national and international universities/ institutes is registering its presence globally. Similarly, the establishment of the Indian Himalayan Central Universities' consortium is aimed not only for academic excellence and human centric researches but also developing connection, networking and uniting the whole Indian Himalayan region as “one Himalaya”. “A” accreditation by NAAC is also a certification of excellence and growth in terms of infra-structural facilities after the up gradation of H.N.B Garhwal University as a Central University in 2009 has been quite visible.

It is matter of great happiness that the University is holding its 8th convocation through online mode on December 1, 2020. This is the third successful and consecutive convocation after the up gradation of the HNB Garhwal University as Central University in 2009 from a state University. On this auspicious occasion, I congratulate all the degree awardees and medal holders for their glorious achievements. I have full faith and confidence that the hard-earned knowledge and degrees will enable them to achieve their goals, to lead a successful, satisfying and fulfilling life. I extend my best wishes to all awardees for their bright future and I do hope that they will become law abiding and humble citizens with respect and compassion for all forms of life and cultures. I also expect that they will register themselves with the University alumni association to share their experiences.

I wish the convocation a grand success.

“हिमालय का यशस्वी पुत्र-हेमवती नन्दन बहुगुणा”

श्रद्धेय स्वर्गीय श्री हेमवती नन्दन बहुगुणा जी एक कालजयी, कर्मयोगी तथा प्रखर राजनेता रहे, जिन्होंने अपनी हेममयी आभा से न केवल अपनी जन्मभूमि गढ़वाल अपितु समग्र राष्ट्र को आलोकित किया। आपके ज्यातिर्मय नाम से भास्वर अपनी पहचान और अस्मिता का दर्शन करता हुआ हमारा यह विश्वविद्यालय अपने आठवें दीक्षान्त समारोह के सुअवसर पर आपको श्रद्धापूर्वक कोटिशः नमन करता है।

जनप्रिय राष्ट्रीय राजनेता के रूप में प्रसिद्धि प्राप्त स्वर्गीय श्री बहुगुणा जी का जन्म तत्कालीन संयुक्त प्रान्त (अब उत्तराखण्ड) के गढ़वाल जनपद स्थित बुघाणी नामक ग्राम में 25 अप्रैल, 1919 को हुआ था। उनकी प्रारम्भिक शिक्षा पर्वतीय क्षेत्र के ही विभिन्न स्थानों गुप्तकाशी, शिलौंजा तथा देवलगढ़ के प्राथमिक विद्यालयों में हुई। खिर्सू और ऊखीमठ विद्यालय से आठवीं कक्षा उत्तीर्ण करने के पश्चात् नवीं कक्षा में उन्होंने डी०ए०वी० में प्रवेश लिया। उन्होंने सन् 1938 में हाईस्कूल की परीक्षा तीन विषयों में विशेष योग्यता के साथ प्रथम श्रेणी में उत्तीर्ण की। इसके पश्चात् उन्होंने राजकीय इण्टरमीडिएट कॉलेज प्रयागराज से इण्टरमीडिएट तथा इलाहाबाद विश्वविद्यालय से स्नातक की परीक्षा भी प्रथम श्रेणी में उत्तीर्ण की।

वे अपने युवा छात्र जीवन में अत्यंत बौद्धिक, तार्किक तथा प्रखर थे। अस्तु, प्रतिभाशाली श्री बहुगुणा जी छात्र जीवन से ही राष्ट्रभाव से परिपूर्ण रहे और देशभक्ति की ओर उन्मुख हुए। वह भारतवर्ष की पराधीनता का समय था। देश को स्वतन्त्र कराने की दृढ़ इच्छाशक्ति ने उनमें राजनीतिक चेतना के स्वर को जागृत किया। राष्ट्रीय तथा अन्तर्राष्ट्रीय राजनीति के क्षितिज पर श्री बहुगुणा जी का जो बिम्ब उभरा उसमें भारतवर्ष की स्वतन्त्रता की आकांक्षा रखने वाले महानतम विभूतियों के जीवन की प्रेरणा समाहित थी। तत्कालीन परिस्थिति में प्रयागराज का आनन्दभवन भारतीय राजनीति पर संवाद और परिचर्चा के लिए मिलन केन्द्र था। श्री बहुगुणा के राजनीतिक जीवन का शुभारम्भ पं० जवाहर लाल नेहरू, श्री लाल बहादुर शास्त्री तथा श्री पुरुषोत्तम दास टण्डन जैसे राष्ट्रवादी चिंतकों के मध्य हुआ। लक्ष्य के प्रति दृढ़ निष्ठा व समर्पण के कारण वे पं० जवाहर लाल नेहरू के अतिप्रिय बन गये थे।

अपराजेय नेतृत्व क्षमता के कारण सन् 1942 में भारत छोड़ो आन्दोलन के समय उन्होंने छात्र संगठन का नेतृत्व किया। वे भारत की स्वतन्त्रता के प्रति संघर्षशील व एकनिष्ठ रहे अतः सरकार ने उन्हें क्रान्तिकारी घोषित किया। परिणामतः उन्हें जीवित अथवा मृत पकड़वाने पर ब्रिटिश सरकार द्वारा पारितोषिक की घोषणा की गयी थी। परिणामतः वे भूमिगत हो गये। सन् 1945 में उन्हें गिरफ्तार कर सुल्तानपुर की अनहट जेल भेज दिया गया। जहाँ से एक वर्ष बाद वे मुक्त हुए। कारागार से मुक्त होने के

पश्चात् श्रमिकों के हित में कार्य करते हुए उन्होंने श्रमिक नेता के रूप में ख्याति प्राप्त की। इस पुनीत कार्य हेतु उन्होंने प्रयागराज में 'मजदूर सभा' का गठन किया।

श्री बहुगुणा जी एक गहन अध्येता व राष्ट्रजीवी चिन्तक थे। उनका दृष्टिकोण विराट था। सन् 1946 में उन्होंने 'स्टूडेंट कांग्रेस' नामक संस्था की स्थापना की। इस संस्था में वे सुश्री अरुणा आसिफ अली तथा सुश्री पूर्णिमा बैनर्जी के साथ उपाध्यक्ष के रूप में सम्मिलित हुए। वे सर्वधर्म समभाव तथा सामाजिक समता के पक्षधर थे। गरीबों, किसानों और मजदूरों के हितों के प्रति चिन्तित व समर्पित रहने वाले इस युगद्रष्टा राजनेता ने स्वातन्त्र्योत्तर भारत के शीर्षनेताओं के मध्य स्वयं को एक महान राजनेता के रूप में स्थापित किया।

संघर्ष के युग में राजनीति के सोपानों को सफलतापूर्वक पार करते हुए वे उत्तर प्रदेश विधानसभा के लिए निरन्तर निर्वाचित होते रहे। प्रथम बार सन् 1952 में इलाहाबाद की करछना (उत्तरी) व चायल (दक्षिणी) विधानसभा सीट से भारी मतों से विजयी होकर वे विधायक बने।

सन् 1953 में वे भारतीय ट्रेड यूनियन कांग्रेस के सदस्य बने और इसी समय प्रयागराज से प्रकाशित होने वाले एक प्रगतिशील साप्ताहिक 'पुकार' के संस्थापक भी बने। पुनः वे सन् 1957 के विधानसभा चुनाव में सिराथू से विजयी हुए और उन्हें उत्तर प्रदेश सरकार के श्रम एवं समाज कल्याण राज्य मंत्रालय में संसदीय सचिव बनाया गया। बाद में वे उत्तर प्रदेश के उद्योग मंत्रालय में उपमंत्री बना दिए गए।

सन् 1964 में पं० जवाहर लाल नेहरू की मृत्यु के बाद का समय राष्ट्रीय मूल्यों एवं राजनीतिक घटनाचक्र के परिवर्तन का समय था। इस समय भारतीय राजनीति स्वर्गीया श्रीमती इन्दिरा गांधी के नेतृत्व में नूतन करवट ले रही थी। अतः श्रीमती गांधी को राजनीतिक स्थिरता प्रदान करने में बहुगुणा जी के प्रयासों का सतत स्मरण किया जाता रहा है। सन् 1967 में वे उत्तर प्रदेश के वित्त एवं परिवहन मंत्री बने। उनकी कार्यकुशलता से प्रभावित होकर श्रीमती गांधी ने 1970 में उन्हें अपने मंत्रिमण्डल में संचार मंत्रालय का स्वतन्त्र कार्यभार सौंप दिया। इस अवधि में उन्होंने आधुनिक संचार साधनों का विकास करते हुए प्रगति के नये द्वार खोले। वर्षों से उपेक्षित पर्वतीय क्षेत्रों को भी इसका लाभ मिला। सन् 1971 में प्रयागराज से लोकसभा का चुनाव जीतने के बाद वे केन्द्रीय राजनीति के प्रमुख संवाहक बन गए। यह समय उत्तर प्रदेश में राजनीतिक अस्थिरता से उत्पन्न हुए संकट का था, जिससे मुक्ति पाने के लिए सन् 1973 में श्रीमती गांधी ने उन्हें उत्तर प्रदेश का मुख्य मंत्री बनाकर भेजा। अपने दो वर्ष के मुख्यमंत्रित्व काल में उन्होंने उत्तर प्रदेश का सर्वतोमुखी विकास किया। सन् 1977 में वे श्री मोरारजी देसाई की कैबिनेट में केन्द्रीय पेट्रोलियम, रसायन और उर्वरक मंत्री रहे तथा 1979 में चौधरी चरण सिंह की कैबिनेट में केन्द्रीय वित्त मंत्री रहे।

यद्यपि बहुगुणा जी का राजनीतिक जीवन भी विरोधों और उत्थान की संघर्षपूर्ण गाथा का इतिहास रहा तथापि उन्होंने सदानीरा गंगा की भाँति अपना जीवनपथ प्रशस्त किया और कभी भी अपने जीवन में पराजय को स्वीकार नहीं किया। राष्ट्रहित के लिए स्व का विसर्जन उनका एकमात्र लक्ष्य रहा। वे हमेशा व्यक्तिगत तथा संकुचित स्वार्थों से दूर रहे इसलिए उन्हें 'राजनीतिक-शिक्षा' की संज्ञा से विभूषित किया जा सकता है। वे हिमालय जैसे विराट व विविधतायुक्त व्यक्तित्व के स्वामी थे। उनकी राजनीति मानव समाज, राज्य और राष्ट्र के सर्वमान्य सिद्धान्तों से प्रेरित थी। कर्म के रणक्षेत्र का अजेय जोश और हिमालय का यह यशस्वी वरदपुत्र 17 मार्च, 1989 को हृदय शल्य चिकित्सा के दौरान अपनी यशः काया को त्यागकर हमसे सदा के लिए विदा हो गया। उनकी कर्मस्थली प्रयाग के संगम पर उनका अन्तिम संस्कार तथा गढ़वाल के अलकनन्दा तट के उनके पैतृक घाट पर उनका अस्थि कलश विसर्जित किया गया।

अपनी स्थापना के प्रारम्भिक वर्षों में गढ़वाल विश्वविद्यालय का प्रथम दीक्षान्त समारोह सन् 1979 में हुआ था जिसमें श्री हेमवती नन्दन बहुगुणा जी को डॉक्टरेट की मानद उपाधि से विभूषित किया गया था।

गढ़वाल विश्वविद्यालय के विकास के लिए प्रतिबंध रहने वाले बहुगुणा जी के सतत् चैतन्य से प्राप्त ऊर्जा हेतु यहाँ का जन-जन उन्हें सतत् स्मरण करता रहेगा। उन्हीं की प्रेरणा एवं प्रयत्नों से सन् 1973 में गढ़वाल विश्वविद्यालय की स्थापना हुई थी, अतः उन्हीं की हेमाभा के प्रतीकस्वरूप 25 अप्रैल 1989 से हमारे विश्वविद्यालय का नाम हेमवती नन्दन बहुगुणा गढ़वाल विश्वविद्यालय रखा गया। जिसे 15 जनवरी, 2009 को केन्द्रीय विश्वविद्यालय के रूप में अपग्रेड कर दिया गया।

अस्तु इस विश्वविद्यालय का प्रत्येक जनमानस उनके महान यशस्वी व्यक्तित्व से प्रेरित होकर राज्य व राष्ट्र की प्रगति का पथ प्रशस्त करने हेतु ऊर्जा प्राप्त करे और उनके आदर्श हमारे जीवन को आलोकित करें। उनके आदर्श जीवन के दिव्य प्रकाश में हम अध्ययन, अध्यापन व शोध सम्बन्धी कर्तव्यों को पूर्ण करके राष्ट्रहित में अपनी भागीदारी सुनिश्चित करें। साथ ही इस सन्दर्भ में हमारी प्रतिबद्धता ही गढ़वाल हिमालय के यशस्वी पुत्र के प्रति सच्ची श्रद्धांजलि होगी।

भारत की जीवनदायनी गंगा-यमुना इत्यादि नदियों का उद्गम स्थल गढ़वाल भूभाग सदियों से भारतीय सभ्यता-संस्कृति को प्रत्यक्ष एवं परोक्ष रूप से प्रभावित करता रहा है। वैदिक काल से ही हिमालय एवं उससे उद्गमित नदियों का विशिष्ट महत्त्व रहा है। उसके उद्गम स्थलों में हिन्दू धर्मस्थलों, गंगोत्तरी, यमुनोत्तरी, बदरीनाथ एवं केदारनाथ की स्थापना की गई थी। श्रीनगर प्राचीन काल से ही गढ़वाल के केन्द्र होने के साथ ही यहाँ की शासन-सत्ता का केन्द्र भी रहा है। प्राचीन काल में यह स्थल 'श्रीपुर' के नाम से प्रसिद्ध था तथा श्री-लक्ष्मी-विद्या के केन्द्र के रूप में भी माना जाता रहा है। जगद्गुरु शंकराचार्य को इसी स्थल पर विशिष्ट ज्ञान प्राप्त हुआ था।

मध्यकाल में यह स्थल पंवार राजवंश की सत्ता का केन्द्र था। 15वीं सदी के अंतिम दशक और

सोलहवीं सदी के प्रारंभिक दशकों में नरेश अजयपाल द्वारा गढ़वाल क्षेत्र में पूर्व से स्थापित 52 से अधिक गढ़ियों को जीतकर गढ़राज्य का एकीकरण किया गया था तथा उसके केन्द्र स्थल श्रीनगर में राजधानी स्थापित कर विस्तृत राजप्रासादों का निर्माण करवाया गया। यह स्थल बदरी-केदार यात्रा मार्ग का मुख्य नगर है। जहाँ सभी संप्रदायों के धार्मिक स्थल भी निर्मित हैं। अजयपाल के पौत्र मानशाह ने भी इस नगर का मान बढ़ाया। अलकनंदा के दहिने तट पर उसने राजराजेश्वरी का मंदिर तथा मानपुर नामक राजमहल बनवाया। इस तरह श्रीनगर पंवार नरेशों की राजधानी के रूप में विख्यात रहा। यह मध्यकालीन भारत का सांस्कृतिक केन्द्र था। ऐतिहासिक प्रमाणों के आधार पर जगद्गुरु शंकराचार्य, गोरखनाथ आदि का आगमन इस स्थान पर हुआ। वर्तमान भक्तियाना नामक मोहल्ला इस बात का प्रमाण है कि मध्यकालीन

भक्ति आंदोलन की भावधारा में भक्तों का आवास भक्ति + अयन अर्थात् भक्तियाना इस स्थान पर हुआ था। श्रीनगर में श्रीयंत्र की अवस्थिति, श्रीनगर में श्रीयंत्र की अवस्थिति, शंकराचार्य मठ की स्थिति आदि साक्ष्य यहाँ के सांस्कृतिक धार्मिक एवम् आध्यात्मिक वैभव के प्रमाण है। राजा महिपतशाह ने केशवराय मठ का निर्माण करवाया जो श्रीनगर में वैश्वणव भक्ति के प्रतीक के रूप में प्रसिद्ध है। यह भी प्रमाण मिलता है कि राजा पृथ्वीपति शाह ने रामभक्ति के प्रणेता माधवदास को श्रीनगर में बसाया। इस प्रकार धर्म एवं भक्ति के क्षेत्र में नाना मत-मतांतरों के समन्वय का स्वरूप इस स्थान पर देखा जा सकता है। यहाँ स्थित राज-राजेश्वरी, कमलेश्वर, गोरखनाथ गुफा, केशवराय मठ एवं श्री रघुनाथ मंदिर का संबंध क्रमशः हिंदुधर्म के शाक्त, शैव, नाथ एवं वैश्वणव से रहा है। ऐतिहासिक तथ्य प्रमाणित करते हैं कि श्रीनगर (गढ़वाल) विभिन्न हिंदू मतावलम्बियों के लिये ध्यान स्थली रहा है। श्रीनगर पर इन सभी आध्यात्मिक विचारों का प्रत्यक्ष एवं परोक्ष प्रभाव पड़ा है।

राजा पृथ्वीपति शाह के शासन काल में यहाँ गढ़वाल लघु चित्रकला शैली का भी विकास हुआ। उस काल में दिल्ली दरबार के कुछ प्रख्यात चित्रकार यहाँ आये जिस परंपरा को बाद में मोलाराम जैसे ख्यातिनाम चित्रकार और कवि ने श्रीनगर की वैभवशाली सांस्कृतिक विरासत को आगे बढ़ाया।

इस ऐतिहासिक नगरी ने लगभग 255 वर्षों (1548-1803) तक संगठित गढ़वाल की राजधानी का गौरव प्राप्त किया। यह नगर कभी बाढ़ एवं कभी भूकंप की विनाशालीला का भी शिकार बना सन् 1803 में भूकंप के झटकों से नगर बुरी तरह बिखर गया। प्राचीन वैभवशाली धरोहर स्मृति इतिहास का हिस्सा बन गई। पुनः 25 अगस्त 1894 में गोहना ताल के टूट जाने से 26 अगस्त को सारा श्रीनगर बह गया। 1896 में तत्कालीन कलक्टर ई०के०पौ द्वारा कुछ अधिक ऊँचाई पर नये श्रीनगर के निर्माण की रूपरेखा रखी गई। इसी आधार पर आज के श्रीनगर का निर्माण हुआ जिसे चौपड विन्यास में विकसित किया गया है।

वर्तमान श्रीनगर अककनंदा नदी के वाम पार्श्व पर 560 मीटर की ऊँचाई पर स्थित है। इसका

अक्षांशीय एवं देशांतरीय विस्तार 30°22' उत्तरी अक्षांश 78°78' पूर्वी देशांतर के मध्य है। इसका विन्यास अलकनंदा नदी की सर्पाकार धारा तथा उसके द्वारा विकसित स्थल के रूप से हुआ है। समतल प्रकृति के कारण विश्वविद्यालय का नवीन परिसर 'चौरास' भूखंड नाम से जाना जाता है। लघु हिमालय की विस्तृत घाटी में स्थित होने के कारण श्रीनगर की जलवायु उपोष्णकटिबंधीय श्रेणी में आती है। इस नगर एवं इसके समीपवर्ती उपनगरों में गढ़वाल के अन्य क्षेत्रों से लोगों के निरंतर आगमन होने के कारण यहां की जनसंख्या जो सन् 1901 में 2091 थी वर्तमान में लगभग 50000 से अधिक हो गई है।

शैक्षणिक, सांस्कृतिक, राजनैतिक एवं व्यापारिक गतिविधियों का केन्द्र होने के कारण वर्तमान श्रीनगर निरंतर उन्नति की ओर अग्रसर है। इसकी आंतरिक एवं बाह्य बनावट को अंगीकार करते हुये इस नगर में वि. विश्वविद्यालय की स्थापना की गई। अपनी स्थापना के 47 वर्षों के इस सुदीर्घकाल में श्रीनगर में स्थापित उच्चशिक्षा का पर्याय गढ़वाल विश्वविद्यालय सन् 2009 में केन्द्रीय विश्वविद्यालय के रूप में उच्चीकृत होकर निरंतर प्रगति के पथ पर अग्रसर है। सम्प्रति तकनीकी शिक्षा हेतु राष्ट्रीय प्रौद्योगिकी संस्थान, चिकित्सा शिक्षा हेतु वीर चंद्र सिंह गढ़वाली राजकीय आयुर्विज्ञान एवं शोध संस्थान की स्थापना भी श्रीनगर में हो चुकी है।

किसी भी क्षेत्र, राज्य तथा राष्ट्र की उन्नति का आधार शिक्षा ही है, अतः यह कहना अतिशयोक्ति पूर्ण नहीं होगा कि वर्तमान श्रीनगर के अवर एवं उच्च शिक्षागत ढांचे ने संपूर्ण उत्तराखंड का गौरव बढ़ाया और प्रगति के नित नवीन आयामों को खोजने की प्रक्रिया सतत जारी है। परिणास्वरूप यह नगर शिक्षा के सुदृढ़, सुनियोजित, सुव्यवस्थित एक महत्वपूर्ण केन्द्र के रूप में सुप्रतिष्ठित एवं प्रसिद्ध हो चुका है।

हेमवती नन्दन बहुगुणा गढ़वाल विश्वविद्यालय

संक्षिप्त विवरण

- * राज्य विश्वविद्यालय के रूप में 1973 में अवस्थापना, 2009 में केन्द्रीय विश्वविद्यालय में परिवर्तित।
- * तीन परिसर (श्रीनगर-चौरास, पौड़ी, टिहरी)।
- * सम्बद्ध महाविद्यालयों की संख्या – 118 तथा 1 लाख से अधिक छात्र-छात्राएं।
- * शिक्षकों के स्वीकृत पद – 468
- * कर्मचारियों की स्वीकृत संख्या – 860
- * स्कूलों की संख्या (11+03)।
 - कृषि एवं सम्बन्धित विज्ञान
 - पृथ्वी विज्ञान
 - जीव विज्ञान
 - विज्ञान
 - प्रौद्योगिकी एवं तकनीकी
 - कला, संचार एवं भाशा
 - मानविकी एवं सामाजिक विज्ञान
 - वाणिज्य
 - शिक्षा
 - विधि
 - प्रबन्धन
 - दन्त विज्ञान
 - चिकित्सा
 - आयुर्वेद एवं युनानी पद्धति
- * कुल विभाग – 49
- * परिसरों की छात्र संख्या – 13000 से अधिक।

आगामी पांच वर्षों की योजना

- * निर्माण समिति एवं विश्वविद्यालय अनुदान आयोग द्वारा अनुमोदित (स्वीकृत) : श्रीनगर परिसर के महिला छात्रावास का विस्तारण (अनुमानित लागत 1630.78 लाख रू.), पौड़ी परिसर में कैंटीन तथा छात्र सुविधा केन्द्र (अनुमानित लागत 256.95 लाख रू.), फैकल्टी विकास केन्द्र (एफ. डी. सी. अनुमानित लागत 390.00 लाख रू.) मानव संसाधन विकास मंत्रालय द्वारा स्वीकृत।
- * यू.जी.सी. द्वारा प्रदत्त जिनके लिए डिज़ाइनिंग तथा वित्तीय आवंटन किया जा चुका है: पुस्तकालय भवन चौरास तथा विज्ञान विषयों हेतु प्रयोगशालाएं।
- * प्रस्तावित छात्रावासों का विस्तारण, तीनों परिसरों में मूल्यांकन तथा परीक्षा कक्ष, शिक्षक तथा शिक्षणेत्तर कर्मचारीयों हेतु आवासीय भवन, विभागीय भवन—जैव प्रौद्योगिकी, सूक्ष्मजीव विज्ञान, जैव रसायन विज्ञान आदि।

शैक्षणिक प्रयास

- * भारतीय हिमालयन केन्द्रीय विश्वविद्यालय कंसोर्टियम (IHCUC) की स्थापना (2020) : हिमालय इसकी जनता एवं प्रेरणा पर शोध के लिये नवोन्मेषी दृष्टिकोण से संपन्न वर्तमान कुलपति प्रोफेसर अन्नपूर्णा नौटियाल के सद्प्रयासों एवं माननीय शिक्षा मंत्री श्री रमेश पोखरियाल 'निशंक' जी के सतत् प्रोत्साहन के परिणामस्वरूप विश्वविद्यालय में भारतीय हिमालयन केन्द्रीय विश्वविद्यालय कंसोर्टियम (IHCUC) की स्थापना 2020 में हुई। इसकी प्रथम बैठक 1 दिसंबर 2019 को माननीय शिक्षामंत्री श्री रमेश पोखरियाल 'निशंक' जी की अध्यक्षता में और राष्ट्रीय सुरक्षा सलाहकार श्री अजीत डोभाल, कीर्तिचक्र, माननीय कुलाधिपति श्री योगेन्द्र नारायण, आइ०ए०एस० (से०नि०) कार्यपरिषद् सदस्य, विद्या परिषद् सदस्य एवं भारतीय हिमालयन केन्द्रीय विश्वविद्यालय कंसोर्टियम में सहभागी कुलपतियों की गरिमामयी उपस्थिति में संपन्न हुई।
- * नीति आयोग, नई दिल्ली द्वारा भारतीय हिमालयन केन्द्रीय विश्वविद्यालय कंसोर्टियम को निम्नलिखित पांच विषयों पर अध्ययन हेतु अधिकृत किया गया है: पर्वतीय क्षेत्रों में महिला श्रमिकों के आर्थिक प्रभावों का संगणन एवं मूल्यांकन, विपणन के विशेष सन्दर्भों में हिमालयी राज्यों की कृषि पारिस्थितिकी, पर्वतीय क्षेत्रों में किफायती एवं पर्यावरण के अनुकूल पर्यटन का विकास, पर्वतीय क्षेत्रों से पलायन नियंत्रण हेतु रोजगार के अवसरों का सृजन तथा जल संरक्षण एवं संवर्धन की रणनीति। कंसोर्टियम के सहभागी संस्थान हेमवती नंदन गढ़वाल विश्वविद्यालय, नागालैंड विश्वविद्यालय, मिजोरम विश्वविद्यालय, नार्थ इस्टर्न हिल विश्वविद्यालय, सिक्किम विश्वविद्यालय, असम विश्वविद्यालय, तेजपुर विश्वविद्यालय, राजीव गांधी विश्वविद्यालय, मणिपुर विश्वविद्यालय, जम्मू केन्द्रीय विश्वविद्यालय, कश्मीर केन्द्रीय विश्वविद्यालय, हिमाचल केन्द्रीय विश्वविद्यालय, त्रिपुरा विश्वविद्यालय एवं सी०एस०आइ०आर० आइ०एच०बी०टी० पालमपुर है। शिक्षा मंत्रालय ने अपने पत्रांक f.no.53-/2020(CU) दिनांक 9 अक्टूबर 2020 के अनुसार 2 करोड़ का अनुदान भी इसके लिए दिया है।

- * वर्तमान शोध परियोजनाएं: 12 करोड़, 12 लाख एवं 87 हजार रूपयों के अनुदान से संपोषित 40 शोध परियोजनाओं पर संकाय सदस्यों द्वारा शोध कार्य चल रहा है। इन शोध परियोजनाओं के लिये वित्तीय अनुदान राष्ट्रीय और राज्य स्तरीय संस्थाओं द्वारा प्रदान किया गया है।
- * वर्तमान एम.ओ.यू., विश्वविद्यालय ने शोध एवं शैक्षणिक आदान प्रदान हेतु 26 राष्ट्रीय/ अंतरराष्ट्रीय स्तर के संस्थाओं के साथ एम.ओ.यू. पर हस्ताक्षर किया है। इनमें कुछ प्रतिष्ठित संस्थाएं निम्नवत हैं, साउथ एशियन विश्वविद्यालय, रुप्रेचट करिस विश्वविद्यालय, हाइडलबर्ग, जर्मनी, हाइफा विश्वविद्यालय, हाइफा, इसराइल, कोपेनहेगन विश्वविद्यालय, डेनमार्क, अप्लाइड फारेस्ट साइंस विश्वविद्यालय, रोट्टेनबर्ग, जर्मनी, टेक्सास टेक. विश्वविद्यालय, टेक्सास, यू०एस०ए०, नेशनल बोटैनिकल रिसर्च इंस्टिट्यूट, लखनऊ, इंडियन इंस्टिट्यूट ऑफ टेक्नोलॉजी, कानपुर, उत्तराखण्ड सरकार, भाभा परमाणु शोध केंद्र, मुंबई, नेशनल मिशन फॉर ससटेनिंग हिमालयन एको. सिस्टम, डी.एस.टी. दिल्ली, मिसौरी विश्वविद्यालय, फ्रांसिस रेबेलिअस टूर्स फ्रांस, वाडिया इंस्टिट्यूट ऑफ हिमालयन इकोलॉजी, देहरादून, सी०एस० आई०आर०, आई०एच०बी०टी० पालमपुर और कंसोर्टियम के सहभागी 13 केंद्रीय विश्वविद्यालय।
- * शोधारित प्रकाशन: पिछले एक वर्ष में संकाय सदस्यों द्वारा 270 शोध पत्रों जिनमें 2019 में 177 और 2020 में 104 स्कोपस में प्रकाशित हुए हैं। साथ ही सम्पादित पुस्तकों में 57 अध्याय और 14 पुस्तकों का प्रकाशन भी किया गया है।
- * अश्वनलाइन शिक्षण, अधिगम, परीक्षा एवं प्रवेश हेतु प्रयास: शिक्षण, अधिगम, परीक्षा और प्रवेश हेतु ऑनलाइन कार्यप्रणाली में पूरी तरह तैयार न होने के कारण कोविड-19 ने विशेष चुनौतियाँ प्रस्तुत कर दी थी, परन्तु तुरंत ही प्रयास करके ऑनलाइन अध्यापन के माध्यम से छात्रों के पाठ्यक्रम पूरा करवाए गए। अंतिम सेमेस्टर की परीक्षा संपन्न करवाना भी विश्वविद्यालय के लिए कठिन चुनौती थी। ऑनलाइन परीक्षा की सुविधा न होने की वजह से लगभग 47 हजार अंतिम सेमेस्टर के छात्रों की परीक्षा व्यक्तिगत उपस्थिति के साथ संपन्न करवाना आवश्यक था। माननीय शिक्षामंत्री श्री रमेश पोखरियाल 'निशंक' जी के सक्षम नेतृत्व एवं महत्त्वपूर्ण सुझाव के साथ विश्वविद्यालय ने कोविड-19 की गंभीर परिस्थितिजन्य चुनौतियों को स्वीकार करते हुए सितम्बर माह में 130 परीक्षा केंद्रों पर सरकार द्वारा निर्देशित कोविड-19 के सुरक्षात्मक नियमों के अनुपालन के साथ सत्र 2019-20 की परीक्षा सफलतापूर्वक संपन्न करवायी गयी। परीक्षा परिणाम भी घोषित हो गए हैं और सत्र 2020-21 की कक्षाएँ भी ऑनलाइन मोड में चल रही हैं। नयी कक्षाओं में प्रवेश प्रक्रिया भी ऑनलाइन मोड में चल रही है और भविष्य के सत्रों के लिए यह एक अच्छा प्रशिक्षण का अवसर है। ऑनलाइन अध्ययन-अध्यापन हेतु विश्वविद्यालय द्वारा एल०एम०एस० (LMS) का विकास भी महत्त्वपूर्ण प्रयास है।
- * केंद्रीय पुस्तकालय के प्रयास: सत्र 2019-20 में केंद्रीय विश्वविद्यालय के केंद्रीय पुस्तकालय में छात्रों, शोधकर्ताओं एवं संकाय सदस्यों के हित में ई-रिसोर्स का संकलन किया गया। जो ई-लैब और विभागों में सभी के लिए उपलब्ध है। इसमें 2690 ई-पुस्तक एवं 409 ई-जर्नल सम्मिलित हैं। साथ ही इसमें स्कोपस, इंडिया स्टेट और मनुपात्र के डाटाबेस भी जुड़े हैं। वर्तमान में 10400 ई-पुस्तकें पाठकों के लिए उपलब्ध हैं। दुर्लभ पुस्तकों एवं विश्वविद्यालय के शोध-ग्रंथों डिजीटल इजेशन के लिए केंद्रीय पुस्तकालय में स्टेट ऑफ आर्ट-डिजिटल स्कैनर भी मिल गया है

एवं पुस्तकालय के ऑटोमेशन का कार्य प्रगति पर है।

- * ऑनलाइन पाठ्यक्रमों में योगदान: यू०जी०सी० के स्वयं-मूक के अंतर्गत विश्वविद्यालय द्वारा 'एकेडमिक राइटिंग' एवं 'इंडस्ट्रियल फार्मसी' पर ऑनलाइन कोर्स चलाये जा रहे हैं, जिससे 85 देशों के लगभग 36000 विद्यार्थी लाभान्वित हो रहे हैं। कोविड-19 के दौरान ही संकाय सदस्यों द्वारा भारत सरकार के स्वयंप्रभा स्कीम के अंतर्गत फार्मास्यूटिकल साइंस और दर्शनशास्त्र में 68 घंटों के 100 विषय-वस्तुओं पर व्याख्यान की रिकार्डिंग तैयार की गयी है।
- * नवाचार के कार्य: विश्वविद्यालय के विभागों द्वारा कई अभिनव प्रयास किये जा रहे हैं। इनमें प्रमुख है, सैर-सलीका, उमंग, हिमालयी क्षेत्र में स्वामी विवेकानंद के यात्रा पथ पर आधारित वृत्तचित्र निर्माण, 'एक भारत श्रेष्ठ भारत' अभियान के अंतर्गत विभिन्न राज्यों से विभिन्न विषयों पर पुस्तकों का संग्रह, माननीय प्रधानमंत्री द्वारा आह्वान किये गए गए कार्यक्रम 'वोकल फॉर लोकल' के अंतर्गत स्थानीय उत्पादक और उत्पादन पर केन्द्रित पुस्तकों का प्रकाशन इत्यादि। विश्वविद्यालय के संकाय सदस्य 'नमामि गंगे' एवं 'उन्नत भारत' अभियान जैसे परियोजनाओं में और एन०सी०सी०, एन०एस०एस० के माध्यम से भी अपनी अपनी सक्रिय भागीदारी निभा रहे हैं। सामाजिक दायित्वों का निर्वहन: विश्वविद्यालय के अधिकारी, संकाय सदस्य और कर्मचारी व्यस्थित ढंग से अपने सामाजिक दायित्वों के निर्वहन में भी संलग्न हैं। इसके कुछ उदाहरण हैं— विश्वविद्यालय के अन्दर हरित क्षेत्र का विकास, स्वच्छता, कचरा प्रबंधन, सेनिटाईजेशन एवं सामुदायिक शिक्षा के लिए इकाइयों का प्रदर्शन इत्यादि। भौतिकशास्त्र विभाग द्वारा मौसम के पूर्वानुमान के क्षेत्र में शोध की आपदा प्रबंधन में महत्वपूर्ण भूमिका है। श्रेष्ठ अभ्यास: विश्वविद्यालय द्वारा भारत सरकार के उन्नत भारत अभियान के अंतर्गत अंगीकृत गाँवों के विद्यालयों में भी किफायती सेनिटाईजेशन टनल प्रदान किये जायेंगे।
- * माननीय शिक्षा मंत्री श्री रमेश पोखरियाल 'निशंक' जी के प्रयास से ऋषिकेश-कर्णप्रयाग रेल लाइन परियोजना के मुख्य परियोजना प्रबंधक ने इस पर सैद्धांतिक सहमति दी है कि अनावश्यक उत्खनन सामग्री को चौरास स्थित आउट डोर स्टेडियम के क्षतिग्रस्त (जो 2013 की आपदा में क्षतिग्रस्त हुआ है) क्षेत्र में डंप किया जायेगा, ताकि भविष्य में इसकी सुरक्षा और पुनर्निर्माण हो सके।

Hemvati Nandan Bahuguna: The Glorious Son of Himalayan

Revered late Sri Hemvati Nandan Bahuguna ji was a vibrant, dutiful and time-transcending leader who had enhanced the glory of not only his motherland Garhwal but of the entire nation. Establishing academically meaningful existence and identity, our University, was rechristened as Hemvati Nandan Bahuguna Garhwal University to earn same name and fame. On the auspicious occasion of its 8th convocation the University pays humble tributes to the great Son of the Soil with great reverence.

Respected as popular national leader Sri Bahuguna ji was born in village Bughani, District Garhwal of the then United Province [now Uttarakhand] on 25th April 1919. He had his early education from various primary Schools situated in the hilly areas like Guptakashi, Shilaunja and Devalgarh. After passing class VIII from schools at Khirsu and Unkhimath, he took admission in DAV school in class IX. In 1938 he passed High School in first division and scored distinction in three subjects. After completing his Intermediate from the Government Inter College Prayagraj in first division, he took admission in Allahabad University and graduated with first division.

In the young student life, he was very rational, logical and vibrant. Sri Bahuguna ji was a nationalist and had an orientation towards patriotism right from his student life. At that time, India was under the colonial British rule and the determination to liberate the country invoked his political consciousness. Consequently, on the national and international canvas, he emerged as strong personality striving for India's independence. In the persisting situation of those days Anand Bhawan at Prayagraj [Allahabad] was the rendezvous for dialogue and discussion on Indian politics. The political life of Sri Bahuguna was groomed by the political activities of the Nationalist thinkers like Pt. Jawahar Lal Nehru, Sri Lal Bahadur Shastri, and Purushottam Das Tandon. Due to his determination and devotion towards the focused aim, he became close to Jawahar Lal Nehru.

Since he had unconquerable capacity of student leadership, thus he took over the reins of Students' Union during the Quit India Movement in 1942. During the independence movement he was declared a revolutionary and the British Government announced a reward for getting him arrested alive or dead. As a result, he went underground. Later, he was arrested in 1945 and sent to Anhat Jail at Sultanpur. After one year he was released from jail and thereafter he registered his presence as a labour leader with the leadership of the Labour Sabha in Allahabad.

Late Sri H.N. Bahuguna was an in-depth scholar and nationalist thinker. He had a vast cosmic vision. With the establishment of Students' Congress in 1946, he joined the organization as the Vice President along with Ms. Aruna Asif Ali and Ms. Purnima Banerjee. He was the staunch supporter of 'Sarvdharma Sambhav' (Equal Respect of All Religions) and Saamajik Samata (Social Equality). As a visionary politician focused and devoted to the welfare of the poor, the farmers and the labourers, he established himself as great leader among the topmost leaders of the post independent India. He successfully passed through all the political stages and continuously got elected to Vidhan Sabha of Uttar Pradesh first time in 1952, with huge margin from Karchana (North), Chail (South) of Allahabad, and joined Uttar Pradesh Assembly as a Member. In 1953, he became a member of the Indian Trade Union Congress and simultaneously established the progressive weekly 'Pukaar' published from Prayagraj. In 1957 assembly poll, he won from Sirathu and he was given the responsibility a parliamentary secretary in the state's Ministry of Labour and Social welfare. Later, he was elevated as a Deputy Minister for Industries in Government of Uttar Pradesh in 1962.

In 1964, with the death of Pt. Jawahar a change in the values nationalism and political events was witnessed and Indian politics started taking a new turn under the leadership of Smt. Indira Gandhi. Bahuguna ji immensely contributed for providing political stability to Smt. Indira Gandhi. In 1967, he became the Finance and Transport Minister in Uttar Pradesh. Influenced by his working efficiency, Smt. Gandhi inducted him in her cabinet as the State Minister [Independent charge] for Communication in 1971. During his tenure, he developed modern communication system by opening new vistas for the progress. The hilly areas, neglected for years, were also benefited by this.

After winning the 1971 Lok Sabha election from Prayagraj, he became the main proponent of politics of the center. During this time, a serious political turmoil in Uttar Pradesh occurred and Smt. Indira Gandhi assigned him the responsibility of the Chief Minister of Uttar Pradesh in 1973 to deal with it. During two years of the Chief Minister, Sri Bahuguna ji accomplished all round development of the state. Besides this, he held important positions like Union Minister of Petroleum, Chemicals and

Fertilizers in the cabinet headed by Sri Morarji Desai in 1977 and he was made Union Minister of Finance in the cabinet of Chaudhri Charan Singh in 1979.

Although the political life of H.N. Bahuguna is saga of struggle, full of ups and downs but amidst all the obstacles, he made his journey like the perennial river Ganga, and never conceded defeat in his life. His clear-cut objective was to immerse his 'self' in the interest of national welfare and kept him away from parochial interest. His personality reflected the vivacity and vastness of Himalayas. His politics was motivated by the universally accepted ideals of humanity, society, the state and the nation. The unconquerable warrior in the field of action [Karma] and the glorious son of the Himalayas left for his heavenly abode on 17th March 1989 while undergoing heart surgery. He was cremated at his workplace at Prayag Sangam and his ashes were immersed at the ancestral cremation ground on the bank of Alakananda river in Garhwal.

It was only due to his inspiration and efforts that Garhwal University was established in the year 1973 and after inception of Garhwal University, the first convocation was held in 1979 in which Sri H.N. Bahuguna was conferred 'Honoris Causa' with D. Phil. Degree. Sri Bahuguna Ji would always be remembered for the perseverance and commitment towards the growth and development of Garhwal University as well as for the energy spread by his unending consciousness. For the symbolic glorification of his name, the University's name was rechristened as H.N. B. Garhwal University from 25th April 1989 onwards which was upgraded as the Central University on January 15, 2009 by an Act of Parliament i.e. the Central Universities Act 2009.

Therefore, getting inspiration from this great glorious personality, all of us should draw energy for the development and progress of state and country from his ideals. We must accomplish our duties regarding Learning, Teaching and Research in the divine light of his ideal persona and contribute our share in the development and progress of the Nation. And, our determination in this respect would be the real tribute to the glorious son of Garhwal Himalaya.

Srinagar Garhwal: A Historical Background

In ancient scriptures, Garhwal region has been stated as Tapobhumi, Himvant, Badrikashram, Uttarakhand and Kedarkhand. In Skandapuran, Kedarkhand (Garhwal) has also been stated as 'Swargbhumi' (Land of Heaven). From ancient era, as it has been the sanctum sanctorum for the Hindus to practice asceticism for spiritual peace. The source of the life-giving rivers of India -Ganga and Yamuna, the Garhwal region has been, directly or indirectly, influencing the Indian culture for centuries. The Himalayas and its rivers, originated from herewith, have special importance in the mind of people since Vedic period onwards. The famous pilgrim centres Gangotri, Yamunotri, Badrinath and Kedarnath had been established near the sources/originating places of these rivers. As it is situated in the centre of Garhwal region, Srinagar has been the centre of governance and political powers of this region. During ancient period, it was famous as Sripur and has been considered as the centre of practice to gain prosperity and wisdom (Laxmi-Vidya). Jagatguru Shankaracharya had also attained enlightenment at Srinagar.

During medieval period, this place was the centre of Panwar kingdom. During last decade of the 15th and first decade of 16th Century, Garhrajya was integrated by the king Ajaypal, after winning more than 52 earlier established Garhis, integrated into united one (Gadhrājya); and its capital was established at Srinagar, with the construction of huge and splendid palaces. This place is the prime township situated en-route to the shrines of Badrinath and Kedarnath where worshipping places of other religions, have also been built along with the temples for Hindus.

The grandson of King Ajaypal, Maanshah, further also enhanced the glory of this township. He built Raj-rajeshwari temple and a palace named Maanpur on the bank of river Alaknanda. Thus, Srinagar remained famous as the capital of Pawar Kings. It was the cultural centre of medieval India. On the basis of historical evidences, this place was visited by Jagadguru Shankaracharya and Gorakhnath.

Present Bhaktiyana locality of the town is evidence of the fact that during the medieval period of bhakti movement, this place was abode or *Bhakti+Ayan* of the devotees (bhakts). The location of Sri *Yantra* and presence of *Shankaracharya Math* etc., in the Srinagar is the testimony of cultural, religious and spiritual grandeur. King Mahipat Shah built *Keshavrai math* which is famous in Srinagar as a symbol of *Vaishnav Bhakti* (devotion). It is also evinced that King Prithvipati shah got Madhavdas, the founder of Ramabhakti, settled at Srinagar. Thus, in the field of religion and faith, a harmoniously synthesized form of various religious beliefs can be seen here. The temples such as *Raj-rajeshwari*, *Kamleshwar*, *Gorakhnath gufa*, *Keshavrai math*, and *Sri Raghunath Mandir* present here, have been related to various

religious sects of Hindu religion i.e., Shakts, Shaivas, Nathas and Vaishnavas respectively. The historical evidences proves that Srinagar (Garhwal) has been the region of meditation for the followers of various sects of Hindu religion. All such spiritual ideologies have influenced Srinagar directly or indirectly.

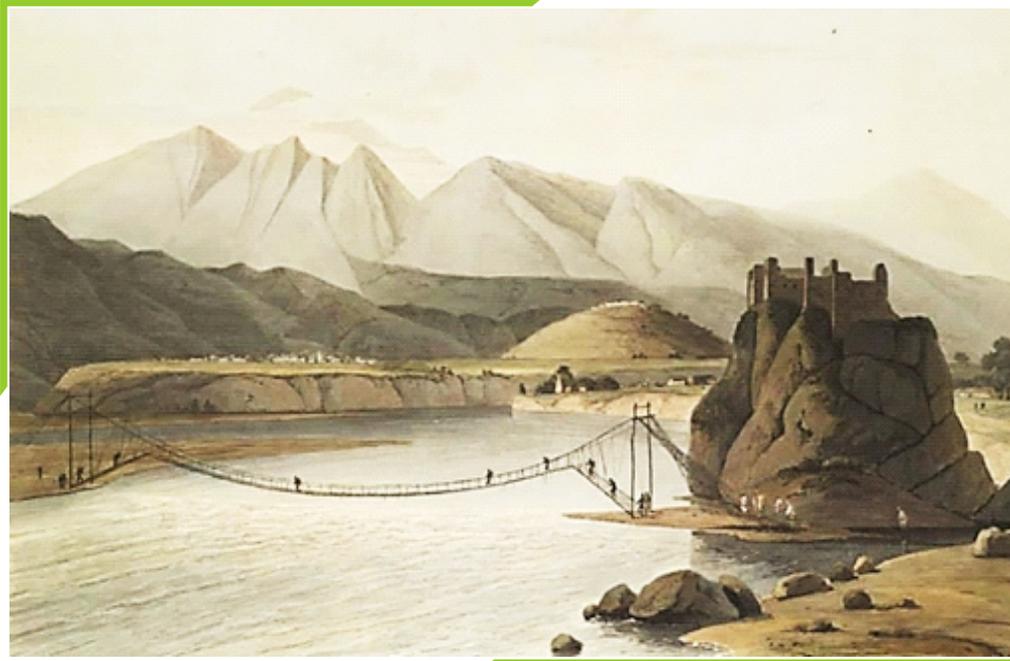

During Prithvipati Shah regime, Garhwal School of painting (Garhwali Painting) was also developed here. In this period famous painter from Delhi Darbar visited to Srinagar. Later on, this tradition was carried forward by the highly renowned painter and poet Molaram, who enriched and enhanced the cultural tradition and heritage of the Srinagar town.

This historical town of Srinagar attained the glory of being the capital of united Garhwal for approximately 255 years (1548-1803CE). This town often suffered due to several natural disasters and calamities such as flood and earthquake. In 1803, the town was badly smashed and shattered due to earthquake. Further on August 25, 1884, the deluge caused by the breaking of Gohana lake washed away the entire town. Therefore, in 1894 the map for the new Srinagar was outlined at a higher elevation by the then collector E.K. Pauw. On this basis, the present Srinagar has been developed in quadrilateral configuration.

Srinagar is located on the left bank of Alaknanda river at an elevation of 560 metres (1,837 feet). Its latitude and longitude distribution is between 30.22°N to 78.78°E. The shape of Srinagar is based on serpentine flow of Alaknanda river and the

and the land developed by it. ***Due to evenly formed landscape, the newly constructed campus of the University is known as 'Chauras Campus'***. As located in a wide Valley of the lower Himalaya the climate of Srinagar falls in the category of Subtropical climatic condition. The population of this town and the towns nearby has been increased to more than 50,000 at present due to continuous migration from other parts of Garhwal region, which was 2091 in year 1901.

Being the hub of educational, cultural and political activities Srinagar is continuously heading towards progress. Keeping its external and internal in view or organisational maps, University was established in this town. During a long span of 47 years of its establishment in Srinagar, the symbol of higher education, Hemvati Nandan Bahuguna Garhwal University, after being upgraded to Central University in 2009, is constantly moving forward on the path of progress and development. At present, for Technical Education the National Institute of Technology and for medical education Veer Chandra Singh Garhwali Government Institute of Medical Science and Research have been established at Srinagar.

Education is the only basis of progress of any region, state or nation. Thus, it would not be an exaggeration to say that the Lower and Higher educational structure of Srinagar has enhanced the glory of entire Uttarakhand and constant process of discovering new dimensions of progress is continued. Consequently, this place is now famous as a strong, well planned, structured and important centre of education.

Academic Ventures

Establishment of the Indian Himalayan Central Universities' Consortium (IHCUC) 2020. With the innovative vision of the present Vice-chancellor Prof. Annpurna Nautiyal to conduct research for One Himalaya and its people and inspiration, active support and constant encouragement by the Hon'ble Union Minister of Education Sri Ramesh Pokhariyal Nishank Ji, the University has established Indian Himalayan Central Universities' Consortium (IHCUC).The first meeting to lay the foundation of this consortium was chaired by the Hon'ble Union Minister of Education Sri Ramesh Pokhariyal Nishank Ji on December 1, 2019 in the gracious presence of Hon'ble National Security Advisor Shri Ajit Dobhal Ji, Kirti Chakra, and Hon'ble Chancellor Dr. Yogendra Naraiyan Ji, IAS (Ret.) respected members of the EC, AC of the University and the Vice-chancellors of IHCUC.

The IHCUC has been authorized by Niti Aayog, New Delhi to conduct studies on five thematic areas; Enumeration and valuation of the economic impacts of Female labour in the Hills; Agro- ecology in Himalayan States with special emphasis on marketing; Development of eco friendly and cost effective tourism in Hills; Opportunities of livelihood to check migration from Hills; Water conservation and harvesting strategies. The HNB Garhwal University, Nagaland University, Mizoram University, North Eastern Hill University, Sikkim University, Assam University, Tezpur University, Rajiv Gandhi University, Manipur University, Central University of Jammu, Central University of Kashmir, Central University of Himachal Pradesh, Tripura University and CSIR-IHBT, Palampur are the partner institution of the consortium. The Ministry of Education has allocated an amount of 2 crore for the Consortium vide f. no. 53-2/2020(CU) dated 9 Oct.2020.

Ongoing projects: Total : 40 Projects are allocated to faculty members of various departments with an outlay of Rs: 12,92,87,000/- (Rs. Twelve Crore Ninety-Two Lacs Eighty-Seven Thousand) only. These projects are funded by various National and state level agencies.

MoUs: The University has signed MOUs with 26 organizations for research and academic exchange which prominently include prestigious institutions/organizations like , South Asia Institute (SAD), Ruprecht -Karis University, Heidelberg, Germany, University of Haifa, Haifa, Israel, University of Copenhagen, Denmark, University of Applied Forest Sciences, Rottenburg, Germany, Texas Tech University, Texas, USA, CSIR-National Botanical Research Institute, Lucknow, Indian Institute of Technology, Kanpur, , Bhabha Atomic Research Centre (BARC), Mumbai, Govt. of Uttarakhand, Mission for Sustaining Himalayan Ecosystem (NMSHE), DST, Delhi, University of Missouri, University Francis Rebelais, Tours, France, Wadia Institute of Himalayan Geology, Dehradun, Bhabha Atomic Research Centre (BARC), Mumbai, CSIR-IHBT, Hamirpur, Palampur, Himachal Pradesh, and with 13 Central Indian Himalayan Universities.

Research publications; During last one year the faculty members have published a total number of 270 research papers out of which [117 in 2019 and 104 in 2020) have been published in Scopus Research Journals. 57 seven chapters in books, and 14 books have also been published by the Faculty members.

Efforts for On Line Teaching Learning, Examination and Admission: The COVID-19 posed a very serious challenge as the university was not geared up for online teaching and learning but within no time it was picked up and students were imparted on line education to complete their courses. To conduct Examination was also a challenge as due to lack of online facilities the university had to conduct in person examination of nearly 48,000 students of final semesters. With the guidance and able leadership of the Union Minister of Education Shri Ramesh Pokhriyal Ji the university took the challenge and despite severity of COVID the examination for 2019-20 session were conducted in person mode in 130 centers in the month of September very successfully with full COVID protocol and SOP. The results have also been declared and the classes for 2020-21 sessions have also started in online mode. The admission process is also online which provides a good learning for admissions in the same model for future sessions also. The development of LMS by the university is also an important effort to meet out the challenge of the online teaching and learning process.

Library upgradation and Acquisition: During 2019-20, the University Library has procured many e-resources for the benefit of our students, researchers and faculty. And all these resources are accessible from our e-resource labs and departments. It has added 2690 e-books, 409 e- journals and databases like SCOPUS, India Stat

and Manupatra. Now more than 10400 e-books are available and accessible to our users community. Central Library has also procured State-of-Art digital scanner for digitization of rare books and theses of our University. Library automation process is under way.

Contributions to online courses: University is hosting two SWAYAM MOOCs “Academic Writing” and Industrial Pharmacy through which more than 36000 learners from more than 85 countries are getting the benefit. The Faculty members have also contributed For SWAYAMPBHA by recording 68 hrs. Lectures covering approximately 100 e-content in Pharmaceutical science and Philosophy.

Innovative Practices: the University has taken up several innovative practices like SAIR-SALIKA, UMANG, prepared a documentary for popularizing Himalayan travel route of Swami Vivekanand, collection of books on various themes from states under 'Ek Bharat Shreshtha Bharat' and publication of books focused on local product and produce under our Hon'ble Prime Minister's call for 'Vocal for Local'. The university faculty is also actively involved in ' Namaami Gange' , 'Unnat Bharat Abhiyan' and several other programs through NSS and NCC Units.

Social and Corporate Responsibility: The University authorities, administration, faculty members and staff are involved in taking up social and corporate responsibilities in systematic way. The development of Green areas in the campus, cleanliness, waste management and sanitization, demonstration units for education of community are some of the examples. The Physics department of the University is pursuing research for better understanding of aerosol-cloud-radiation-rainfall-climate interaction to make reliable predictions of weather and climate as well as better predictions of lighting and thunderstorm in Uttarakhand.

Best Practices : Keeping in view the necessity of the time the university's innovation cell has made a low cost sanitization tunnel for our administrative building to meet the challenge of COVID-19, the engineering and instrumentation center has also fabricated UV chambers for sanitization of official files, stationery and other gadgets. The low-cost sanitization tunnel will also be installed in the schools of the adopted villages by the University under the 'Unnat Bahrat Abhiyaan' of Government of India.

On the initiative of the Hon'ble Education Minister Shri Ramesh Pokhriyal Nishank Ji the office of Chief Project Manager, Rishikesh-Karnprayag, New BG Rail line project has agreed in principal to dump the disposable waste material in the damaged areas of Outdoor Stadium, Chauras Campus of the University (which was damaged during the 2013 floods) which will also be protected and reconstructed by it later on.
