CIRCULAR

It has been observed that some faculty members are remaining absent from the department without any prior information/intimation to the concerned HoD/Dean and this practice is affecting the overall development of students and teaching & research in particular. The Competent Authority has taken a serious view of it. In view of this, I am directed to inform all faculty members to discharge their professional responsibilities according to the existing rules and regulations.

This issues with the approval of the competent authority.
