

Rajendra Singh Rana

1. Name: Rajendra Singh Rana
2. Father's Name: Late Shri Sher Singh Rana
3. Date of Birth: 20th April 1959
4. Corresponding Address: Prof. R. S. Rana,
Department of Geology
HNB Garhwal University,
Srinagar (Garhwal), Uttarakhand
rajendra.rana1@gmail.com
Mob. No. 09412079723

5. Positions held:

- a). **Pool Scientist:** C.S.I.R., New Delhi, at Deptt. of Geology, Kumaun University, Nainital from 1987 to 1990.
- b). **Assistant Director:** Min. H.R.D., Deptt. of Education, Govt. of India, New Delhi, from 1990-1993.
- c). **Reader:** Deptt. of Geology, HNB GU. Srinagar (Garhwal), from August 1993 to August 2001.
- d). **Professor:** Deptt. of Geology, HNB GU. Srinagar (Garhwal), from August 2001 to the present.
- e). **Head of Department:** January 15 2012 to 14th January 2015
- f). **Dean, School of Earth Science:** 01 October 2020 to Present
6. **Abroad Visit:** 1. Visiting Scientists at the University of Montpellier and Univ. Paris VI, France from June 1986 to June 1987.
2. Visiting Scientist at Royal Belgian Institute of Natural Science, Brussels, Belgium, April 2005, Sept. 2006, 2008, 2012, 2014, June 2017 and September 2019.
7. **Research Experience:** 37 years
8. **Teaching Experience:** 31 years
9. **Ph. D. produced:** 08
10. **Field of specialization:** Palaeobiology
11. **Research Publications:** 86 (37 National, 49 International)
11. **Book (edited):** 2
 1. Definitional Dictionary of Petrology (in Hindi).
 2. A Glossary of Pan-Indian terminology.
12. **Monograph:** 1
13. **Project Sanctioned:** 02 (DST)

Momograph:

1. Rose, K.D., Holbrook, L.T., Kumar, K., **Rana, R.S.**, Ahrens, H.E., Dunn, R.H., Folie, A. Jones K.E. and Smith, T. 2020. Anatomy, Relationships, and Paleobiology of Cambaytherium (Mammalia, Perissodactylamorpha, Anthracobunia) from the lower Eocene of western India. *Jour. Verteb. Paleont.* 39: sup1 :1-147, DOI: 10.1080/02724634.2020.1761370

Book Chapter

1. Solé, F., Bast, E.D., Legendre, H., **Rana, R.S.**, Kumar, K., Rose, K. D. and Smith, T. 2020. New Specimens of Frugivastodon (Mammalia: Apatotheria) from the Early Eocene of India Confirm Its Apatemyid Status and Elucidate Dispersal of Apatemyidae. *Biol. Conseq. Plate Tectonics: New Perspectives on Post-Gondwanal and Break-up Verteb. Paleobi. Paleoanth.*, Prasad and Patnaik (eds.): 279-304.
