Action Plan for Five Years (2017-2022)

We envision a safe environment and protection against sexual harassment of women, for redressal of complaints of sexual harassment and to ensure gender equality at HNBGU and its campuses.

Mission

- The university will promote a social and psychological environment to raise awareness on sexual harassment in its various forms in the university and to ensure this commitment the university will conduct various time-bound awareness programs in all the campuses as well as hostels.
- The university will create a secure physical and social environment to deter any act of sexual harassment.
- The university will evolve a permanent mechanism for the prevention and redressal of sexual harassment cases and other acts of gender based violence at HNBGU and its campuses.
- The university will uphold the commitment to provide an environment free of gender-based discrimination.
- We believe everyone should be treated equally and none could be discriminated on any basis to ensure this the university will release its brochure before the commencement of each and every academic session.
- Awareness drives will be conducted in university hostels during NSS camps via interaction. Presentation and distributions of brochures.
- The University will set a proper mechanism through which these complaints are navigated through a proper channel and after gathering the evidences they are disposed of within a short span of time.
