CIRCULAR

The University has adopted Samarth's Learning Management System/Virtual Learning Environment (LMS/VLE) module. The LMS/VLE, operating on the Moodle platform, is designed to enable learning in virtual based environment. Course materials, assignments, and resources can be centralized within the platform, ensuring flexible access and organization for teachers, students, teacher educators, trainers etc.

Faculty members can access their LMS/VLE account by using the following login credentials:

- **Portal URL:** https://lms-hnbgu.samarth.ac.in/
- **Username:** Employee Code
- **Password-** will be shared with the respective HoDs/Deans via email

Training Video Manuals/Documents are being provided below:

- **Docs Overview:** https://docs.moodle.org/403/en/Main_page
- **Video Manual 1:** https://youtu.be/F6QhPW7VG7M
- **Video Manual 2:** https://youtu.be/lFAjPq6JKLY

All faculty members are requested to explore LMS/VLE and actively utilize its features, thereby enriching the educational experience for our students. Below are some of the features available in the LMS/VLE module:

1. **Record Attendance:** Teachers can easily record attendance during class sessions, while students can view their own attendance records.
2. **Communication and Assignment Management:** Seamlessly communicate, collect assignments, and provide grades and feedback. Set reminders for offline assignments.
3. **Quiz Creation and Surveys** to gather feedback
4. **Chat-based Discussions and Forums** to foster collaboration and knowledge sharing
5. **Embedded Videos:** Easily embed videos within course materials to provide supplementary content.
6. Upload **H5P (HTML5 Package)** to integrate interactive content such as presentations, videos, and multimedia to enrich the learning experience.
7. **Sharing Resources:** Share embedded videos, files, folders, books, and other resources to enrich the learning experience.
8. **Announcements:** Make important announcements to keep students informed about course updates and deadlines.
9. **Workshop Activity:** Enable collection, review, and peer assessment of students' work through workshop activities.
10. **Glossaries Creation**
11. **Zoom Meetings Integration**
