## **About University:**

Hemvati Nandan Bahuguna Garhwal University, was established as a State University vide U. P. State Government notification no. (10)/(865)/15/(75)(85)/64 dated 23 November 1973. It has a rare distinction of taking birth through a powerful and popular movement during the early 1970s. This movement symbolized the hopes and aspirations of the masses for the development of higher education institutions in the Garhwal region. The people of this remote mountain region struggled for opening a University in the small but historic semi-rural town of Srinagar, Garhwal. It was an expression of the quest for empowering their future generations to overcome endemic economic and social backwardness, geographic and environmental constraints, preserving cultural identity, and harnessing the human resources for development.

## **About the seminar:**

In this seminar, we'll be diving into the inspiring philosophy of *Vasudhaiva Kutumbakam* as advocated by Mahatma Gandhi. The idea of the phrase remains relevant today as it emphasizes a global perspective, prioritizing the collective well-being over individual or family interests. It encourages to think about the welfare of others, fostering global solidarity and responsibility, especially in addressing crucial issues like climate change, sustainable development, peace, and tolerance of differences. The seminar explores the profound impact of Mahatma Gandhi's teachings in the context of Vasudhaiva Kutumbakam, the belief that the world is one family. Gandhi's philosophy of non-violence, social justice, equality, and sustainable living holds immense significance in fostering unity, peace, and harmony in our interconnected world.

During this seminar, we will delve into Gandhi's principles of Ahimsa (nonviolence) and its crucial role in promoting understanding, empathy, and co-operation among diverse individuals and communities. We will also explore his unwavering commitment to social justice, equality, and inclusivity, and how these ideas resonate with the concept of treating every individual with dignity and respect, regardless of their background or identity. Join us at the seminar and be inspired to make a positive difference in your own life and the world around you.
