D.O. No.M.11012/01/2024-CDN

Dear Nodal Officer,

As you are aware, the **Special Campaign for Disposal of Pending Matters (SCDPM 4.0)** commenced on **16th September 2024** in two phases: the **Preparatory Phase** from **16th–30th September 2024**, followed by the ongoing **Implementation Phase** from **2nd October–31st October 2024**.

2. During the Preparatory Phase, a **Google Form** was circulated to all Institutes/Universities, UGC, and AICTE to appoint **Nodal Officers**, identify **pending matters**, facilitate **scrap disposal**, and submit images showcasing **best practices**. A significant number of responses were received from various institutions.

3. During the implementation phase, based on the data collected during preparatory phase, a **Google Excel sheet** was prepared, outlining the inputs as targets for the Implementation Phase and the same was circulated to all Nodal Officers for regular updates on the disposal of physical/electronic files, social media posts, and best practices. It has been observed that only a limited number of institutions are actively participating and providing timely updates. Currently, we have achieved only **25%** of the overall targets (approximately). To enhance the performance of the Department of Higher Education, all Universities/Institutions are once again requested to **update the Google Sheet regularly** and ensure the **weeding out** and **disposal of pending matters**. Achieving **100% compliance** by the end of this month is essential for the success of this campaign.

4. Additionally, it has come to our attention that several institutions have reported zero (0) data in the "Number of campaigns to be conducted" column. Therefore, I request you to increase the number of campaign sites and strive to exceed the accomplishments of previous campaigns.

5. In this context, a meeting to assess the progress of the campaign with all Nodal Officers of the CFHEIs/UGC/AICTE for SCDPM 4.0 will be convened via Video Conference (VC) on **25.10.2024 at 3:30 PM**, therefore, it is advised that all the participants come prepared to discuss their progress and outline strategies to achieve their targets prior to the meeting. The VC link will be provided separately via an e-mail.

Yours sincerely

Rina Sonowal Kouli
