Hemvati Nandan Bahuguna

(25 April 1919 - 17 March 1989)

Hemvati Nandan Bahuguna, born in Devbhumi Garhwal, by virtue of his life as an eternal Karma yogi and a statesman, lifted the glory of Garhwal and India up to the supernal heights. He received his early education in the Garhwal region and later shaped his academic and political career at Allahabad University. Hemvati Nandan Bahuguna was a man of commitment. He firmly believed in the multi-religious, multi-lingual, and multi-ethnic fabric of Indian society. Risen in politics from the lowest strata, this patriotic politician eternally detached himself from all petty selfish motives and refused to compromise with fundamentalism and regionalism.

The history of his political life is full of twists and turns, but despite the blows of time and fate, he steered the wheel of his life like the ever-flowing Ganges. Hemvati Nandan (the son of the mountains) proved true to his name. He never lost his cool, even despite the odds that emerged off and on in his life. He was one of those few politicians in India who advocated a corruption-free, neat, and clean administration. He held important ministerial positions for long terms in the Union and State Governments.

It was his firm conviction that the autonomy of democratic institutions should be respected and maintained by the executive machinery. He always emphasized the autonomy of the universities. During his tenure as the Chief Minister of Uttar Pradesh, he took special care to maintain the dignity of the status of the Vice-Chancellors. The tremendous love and concern that he manifested towards the teaching community are remembered by teachers to this day with gratitude. All of us will always remember him for his efficient administration and the strong commitment he showed for the all-round development of Garhwal University. Adopting the name Shri Bahuguna for the University and thereby overwhelmingly portraying its distinctive identity, we salute the late Hemvati Nandan Bahuguna, the true son of the soil.

From the Vice Chancellor's Desk

It is my immense pleasure to present the Hemvati Nandan Bahuguna Garhwal University's Annual Report 2023-24. This year has been very eventful for the university as on the one hand, the University fraternity had to work hard for the NAAC accreditation cycle on the other implementing conducting Yuva Sangam an academic and multicultural interaction tween student of Uttarakhand and Tamil Nadu, an initiative of ministry of HRD. Fortunately, the University has successfully recruited 184 number of new faculty members across three campuses which will inject new blood into the University.

It was encouraging to learn that during the reporting year faculty members were engaged in various R&D efforts and published 559 research papers in peer-reviewed journals, 76 book chapters, and brought out 15 books/edited volumes. 445 training workshops and seminars were also attended by faculty members offline/online and hybrid mode. The University received a sum of Rs. 617.79 lakhs as grant for R&D projects from different funding agencies such as DST, ICSSR, PURSE etc. They have also participated in several conferences, seminars, workshops, training sessions, webinars, orientation and refresher courses, Faculty Development Programmes (FDPs), and Capacity Building activities. The MMMTTC of the University has successfully conducted 05 orientation programmes in the reporting year. To expand its network of partners, the University signed 18 Memorandums of Understanding with higher educational institutions and industries nationally and internationally. The University celebrated its 11th convocation on 08 November, 2023 where in

Hon'ble President of India Smt. Droupadi Murmu delivered the keynote address. University also celebrated its fiftieth anniversary on 1st December, 2023. The University has awarded 78 numbers of Ph.D. Degrees, 60 numbers of Gold Medals and 1218 numbers of PG degrees in the reporting year.

During the reporting year, the university successfully organized several significant events and initiatives. These included the Golden Jubilee Inter-College Sports Competition and Swachhta Pakhwada (15th September to 2nd October 2023), which featured activities such as debates, quizzes, workshops, and drawing and painting competitions. The university marked World Environment Day with various activities aimed at promoting environmental awareness. It also celebrated the *Har Ghar Tiranga* program from 13th to 15th August 2023, fostering national unity and patriotism. Furthermore, Partition Horrors Remembrance Day was observed with exhibitions, quizzes, debates, and art competitions, highlighting the significance of this historical event. On 25th April 2023, the university commemorated the 104th birth anniversary of H.N. Bahuguna with a speech and an exhibition honoring his legacy.

The university is taking all necessary steps to expand and widen its outreach to all stakeholders, achieving excellence in professional education and research, as well as preparing students for new challenges and exciting prospects both nationally and internationally. I would like to take this opportunity to acknowledge the efforts of all faculty members, staff, and students for their immense contribution to the growth and progress of the University despite several challenges. I also applaud the Director, Assistant Directors and staff of IQAC for their efforts to compile this report.

SPECIAL CELLS AND CENTRES

- **Internal Quality Assurance Cell (IQAC)**

The Internal Quality Assurance (IQAC) cell of Hemvati Nandan Bahuguna Garhwal University (HNBGU) caters to the development of a quality system for conscious, consistent and catalytic action to improve the academic and administrative performance of the University. It also promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

- **NEP Cell**

HNB Garhwal University has effectively implemented NEP 2020, beginning in 2022-23, with a focus on academic innovation, skill development, and regional outreach. The university introduced the CUET-based admission system, value-added courses like Indian Knowledge Systems (IKS), and multidisciplinary skills such as Yoga, Tourism, and Sports Management. Over 25,000 students were registered on the Academic Bank of Credits portal, ensuring credit mobility. NEP awareness programs, collaborative initiatives, and community-oriented projects have enhanced the institution's impact. Celebrating NEP's third anniversary, the university highlighted achievements in research, sustainable development, and cultural preservation, emphasizing its commitment to holistic education and national priorities.

- **Right to Information Cell**

1078 RTI physically and 408 online applications filed; 979 answered within stipulated time.

- **Raj Bhasha Hindi Cell**

In alignment with directives from the Ministry of Human Resource Development, Ministry of Home Affairs, and UGC, HNB Garhwal University intensified efforts to promote Hindi as the official language in 2023-24. Quarterly meetings of the Official Language Implementation Committee ensured compliance with bilingual practices in official documents and public-facing materials. Key initiatives included celebrating Hindi Day on September 14, 2023, and organizing a Hindi Fortnight event featuring competitions, discussions, and awareness campaigns through media outlets. Notable achievements included fostering the use of Hindi among university officials, publishing a souvenir showcasing these activities, and promoting Hindi as a medium for national and global connection, with efforts to engage foreign students and advance knowledge creation.

- **Permanent Cell for Combating Sexual Harassment and Violence against Women (Internal Complaint Cell)**

The Cell for addressing sexual harassment at HNBGU ensures campus safety through regular meetings, workshops, and awareness events. In 2023-24, no complaints were filed, reflecting a secure environment. Highlights included a workshop on

the Prevention, Prohibition, and Redressal Act, 2013, a Gender Sensitization Awareness Week, and International Women's Day celebrations, featuring lectures by prominent faculty to educate and empower around 60 female students on issues of workplace harassment and gender equality.

- **Student Grievance Redressal Cell**

The Grievance Redressal Cell addressed and resolved 13 complaints filed by various individuals and student unions during 2023-24.

- **SC, ST, OBC & PwDs Cell**

On April 5, 2023, the committee reviewed the reservation policy for the 2023-24 academic year and planned Dr. B.R. Ambedkar Jayanti celebrations, deciding to organize competitions and form a dedicated team for the event.

- **Anti-Discrimination Cell (ADC)**

The cell resolved a discrimination case within 90 days, follows inclusive UGC guidelines, and conducted an awareness program for NSS students on March 28, 2024.

- **University Career Counselling and Placement Service**

During the period of April 2023 to March 2024, Zenith Holidays, KIOMOI, Yara Fertilisers India Pvt. Ltd., Grant Thornton and Three Sixty Holidays Pvt. Ltd visited our campus for the placement. Total twenty students were recruited through the cell.

- **Faculty Development Centre (MMTTC)**

The Faculty Development Centre conducted NEP-2020 orientation programs from December 2023 to March 2024, training a total of 195 participants across five sessions.

- **Unnat Bharat Abhiyan Cell**

Under the "Unnat Bharat Abhiyan" and the "Azadi ka Amrit Mahotsav" campaign, HNB Garhwal University organized various initiatives to promote environmental and social awareness. Events included a cycle excursion and cleanliness drive on Gandhi Jayanti at Khara Khet, a massive cleanup in the Valley of Flowers, and a musical tribute to Gandhi at Kausani's Anashakti Ashram. A voter awareness program was held at BGR Campus, Pauri, emphasizing voting rights, while a nature walk in collaboration with UCOST highlighted the mental and physical benefits of connecting with nature. Additionally, the university adopted villages in four Gram Panchayats for sustainable development under UBA.

- **Institution Innovation Council (IIC)**

The Institution's Innovation Council (IIC) at HNB Garhwal University, following MOE's Innovation Cell guidelines, actively fosters innovation through diverse programs. In 2023-24, it celebrated National Technology Day with exhibitions and guest lectures, organized workshops on intellectual property rights, and collaborated on scientific research through a DST Stuti program. The council promoted entrepreneurial insights via sessions on pharmaceutical startups and advanced tools like BIOVIA Discovery Studio. Highlights included the launch of the YUKTI Innovation Repository, celebrating Chandrayaan-3's success, and a national workshop on intellectual property and research ethics. These initiatives underscore the university's commitment to innovation, research, and nation-building.

- **e-Governance Cell**

The e-Governance Cell, established in 2012 at the University, leverages digital solutions to enhance operational efficiency and accessibility for students and staff. Key initiatives include an Online Pay Slip System for paperless payroll management, an Online Examination Management System for streamlined exam processes, and an Online File Tracking System for efficient document handling. The Samarth Portal facilitates a seamless admission process, from application submission to merit list publication, with features like real-time updates, secure payment gateways, and ongoing student support. Additionally, integration with DigiLocker enables students to access their grade sheets and degree certificates digitally, reflecting the cell's dedication to modernizing administrative functions.

- **Language Lab**

The Language Lab at Hemvati Nandan Bahuguna Garhwal University organized English Language Proficiency Certificate Courses from March 27 to June 3, 2023, offering Basic and Advanced levels, with a total of 59 students participating.

- **Research And Development Cell (RDC)**

27 sponsored projects worth ₹7.44 crore were sanctioned, and 18 MoUs signed; RDC supported the creation of the Incubation Centre. The Technology Pre-Incubation Cell achieved key milestones, collaborating with iHUB DivyaSampark and IIT Roorkee on Cyber-Physical System innovations, focusing on ML, IoT, ed-tech, healthcare, and disaster forecasting.

- **University SWAYAM Cell**

The SWAYAM Cell, established in January 2019, promoted digital learning at the University, leading to a 21st rank for teaching-learning and credit transfer through SWAYAM courses. In 2023-24, the cell hosted the "Academic Writing" SWAYAMMOOC, delivered 30+ lectures, and engaged in outreach programs, including a workshop for school teachers.

THE UNIVERSITY: AN INTRODUCTION

The HNB Garhwal University (A Central University), nestled in the lap of the Himalayan ranges in the Garhwal region of Uttarakhand, is a residential cum affiliating institution of higher learning. The University has three campuses, namely:

- (i) Birla Campus, Srinagar Garhwal, with its extension at Chauras Campus.
- (ii) B. Gopal Reddy (BGR) Campus, Pauri.
- (iii) Swami Ram Teerth (SRT) Campus, Badshahithaul, Tehri.

In addition, there are 76 colleges and institutes affiliated to it. The University runs the undergraduate, postgraduate, and research program disciplines. Besides conventional courses under different streams of studies, the University has introduced some regionally relevant courses that are of greater significance for the mountainous areas.

Hemvati Nandan Bahuguna Garhwal University was founded as a State University vide U.P. State Government notification number. (10)/(865)/15/(75)(85)/64 dated November 23, 1973. The institution was upgraded to a Central University on January 15, 2009, by an Act of Parliament, i.e., the Central Universities Act 2009. The University has therefore been charged with additional obligations to guide its students, faculty, and all other stakeholders. The University seeks to attain excellence in academics and strive for the all-round development of its students. Its dedication to regional and community development is inherent in its teaching courses, research agenda, and other outreach and extension programs. The synergy created by the conditions of its inception still inspires and encourages its vision for the future. However, being a Central University, HNBGU has a pan-India appeal and draws students from all over the nation.

The HNB Garhwal University has the rare distinction of having taken birth through a powerful popular movement during the early seventies of the last century. This movement symbolized the hopes and aspirations of the masses of the region of Garhwal for development through higher education. The people of this remote mountainous region agitated for opening a university in this small but historic semi-rural town of Srinagar. It was an expression of the quest to empower their future generations by overcoming endemic economic and social backwardness, geographic and environmental constraints, re-assertion of cultural identity, and harnessing the local natural and human resources for development.

Area and People Served

Natural Environment

Ranging from cities and industrial centers to the blessed Himalaya, which provides fertile ground for thoughts to flourish, the serenity here acts as a catalyst that drives the pursuit of knowledge.

Socio-Cultural

Ranging from rural to urban and traditional to modern social environments, the University acts as a point of confluence for a diverse socio-cultural mix.

Economic

Predominantly middle-class, lower middle-class, and economically weaker sections of society.

Vision

To achieve excellence by empowering all stakeholders through the promotion of innovations in the field of higher education by imparting training and education and encouraging research for the development of the country with specific attention to the mountain region.

Mission

To stimulate the academic environment for the promotion of holistic learning and research and contribute to the nation's growth. To inculcate values and impart skills for shaping able and responsible individuals committed to the intellectual, academic, and cultural development of society.

Objectives

- To disseminate and advance knowledge by providing instructional and research facilities in the areas of humanities, social sciences, science and technology, and other branches of learning.
- To make special provisions for integrated courses in its educational programs.
- To take appropriate measures for promoting innovations in the teaching-learning process and inter-disciplinary studies and research; to educate and train manpower for the development of the country.
- To establish linkages with industries for the promotion of science and technology.
- To pay special attention to the improvement of the social and economic conditions and welfare of the people and their intellectual, academic, and cultural development.

The focus of the University:

- Excellence in higher education and research holds significance for both the nation at large and hill states like Uttarakhand in particular.
- Expansion and inclusion at UG and PG levels of teaching for better outreach in rural areas, especially to the women in the hill districts of Uttarakhand.
- Promotion and Development of Extension as a Third Dimension of Higher Education.

SCHOOL OF MANAGEMENT

1. Centre for Mountain Tourism and Hospitality Studies
2. Department of Business Management

COURSES OFFERED IN UNIVERSITY CAMPUSES

UNDER GRADUATE PROGRAMME (3 YEAR, 6 SEMESTERS)

Bachelor of Arts (B.A.) - Anthropology, Defence Studies, Drawing and Painting, Economics, English, Geography, Hindi, History, Home Science, Mathematics, Music, Philosophy, Political Science, Psychology, Sanskrit, Sociology, Statistics. The subjects are offered in different combinations.

B.A. (Hon.) Journalism & Mass Communication

Bachelor of Science (B.Sc.) - Anthropology, Biochemistry, Botany, Chemistry, Computer Science, Defence Studies, Economics, Geography, Geology, Mathematics, Microbiology, Physics, Statistics, Zoology. The subjects are offered in different combinations.

Bachelor of Commerce (B.Com.)

B.Sc. (Yogic Science)

UNDER GRADUATE PROGRAMME (4 YEAR, 8 SEMESTERS)

B.Sc. Forestry

B.Sc. Horticulture

Bachelor of Technology (B.Tech.)- Computer Science & Engineering, Electronics & Communication Engineering, Information Technology, Electrical & Instrumentation Engineering, Mechanical Engineering

Bachelor in Hotel Management and Catering Technology (BHM&CT)

Bachelor of Pharmaceutical Science (B. Pharma.)

POST GRADUATE PROGRAMME (2 YEAR, 4 SEMESTERS)

M.A. (M.A.) - Ancient Indian History Culture & Archaeology, Anthropology, Defence Studies, Drawing & Painting, Economics, Education, English, Geography, Hindi, History, Home Science, Mass Communication, Master of Social Work, Mathematics, Music Classical (Vocal), Music Instrumental (Tabla), Philosophy, Political Science, Psychology, Sanskrit, Sociology, Statistics, Theatre, Yogic Science

M.Sc. (M.Sc.) - Anthropology, Biochemistry, Biotechnology, Botany, Chemistry, Defence & Strategic Studies, Environmental Science, Forestry, Geography, Geology, Remote Sensing & GIS Applications, Himalayan Aquatic Biodiversity, Horticulture, Mathematics, Medicinal & Aromatic Plants, Microbiology, Pharmaceutical Chemistry, Physics, Seed Science & Technology, Statistics, Rural Technology, Zoology

Master of Commerce (M.Com.)

M.B.A. - Master of Business Administration

M.B.A. – Master in Tourism & Travel Management

M.Pharma. (Pharmaceutics)

Master in Extension Education (MEE)

Master of Education

Master of Technology in Computer Science & Engineering (M.Tech. CSE)

Master of Laws (LL.M.)

Master of Education (M.Ed.)

POST GRADUATE PROGRAMME (3 YEAR, 6 SEMESTERS)

M.C.A. - Master of Computer Application

INTEGRATED PROGRAMME (5 YEAR, 10 SEMESTERS)

Integrated M.Sc. Biotechnology

OTHER PROGRAMMES

Bachelor of Laws (LL.B.) – Three Year, 6 Semesters

Bachelor of Education (B.Ed.) – Two Years, 4 Semesters

Bachelor of Physical Education (B.P.Ed.) – One Year

Bachelor of Library and Information Science (B.Lib.) – One Year

Post Graduate Diploma (1 year) - Company Administration, Environmental Management (Ad. PG Diploma), Environmental Economics, Tourism and Hoteliering, Women Studies, Yogic Science

Diploma - Advertising, Sales Promotion & Sales Management (DASPSM), Folk Dance of Uttarakhand, Folk Music of Uttarakhand

RESEARCH PROGRAMME

Ph.D. in 43 disciplines

DEPARTMENTAL PROFILE

SCHOOL OF AGRICULTURE AND ALLIED SCIENCES

Department of Forestry and Natural Resources

In hills forest and people have co-existed symbiotically from the ages. The life support system of this area is depending upon to forests. Due to socio-economic and cultural relationships with the forests in these hills, forests as a subject for teaching was introduced in the university at its inception (i.e., 1975-76) itself and the Department of Forestry came into its existence in the year 1975. The progress of the department has haphazard its initial stage for few years, but it has progressed a lot since 1987.

Among the traditional Universities, the department of Forestry of HNB Garhwal University is an exception which offers four years Undergraduate Forestry Degree course with eight semesters and two-year Postgraduate Forestry Degree course with four semesters since 2003-2004. The department also offers research degree programme in Forestry (PhD).

Over the years, the department has developed a strong research base in thrust areas viz., Natural Resource Management, Tree Eco-Physiology, Hill Agroforestry, Forest Ecology and biodiversity, Conservation Ecology, Regeneration Ecology and Tree Seed Technology. Under these thrust areas both basic as well as applied research, relevant to the region, are being addressed. The Department of Forestry is receiving continuous financial support from Indian Council of Forestry Research & Education (ICFRE), Dehradun since 1995. The important academic contribution of the department has been recognized by DST-FIST in 2007, which has further strengthened the department.

As far as the infrastructure facilities are concerned, the department has its own building with 2376.33 m² area within this area approx. 1300.00 m² area have laboratories and more the five-hectare land for field practical. Besides this the department has its own boys' hostel with 56 students' capacity. To support the teaching and research, the department has library and Internet facilities with access to latest editions of national & international forestry journal & books. High Altitude Plant Physiology Research Centre

The High-Altitude Plant Physiology Research Centre (HAPPRC) was established in July 1979 by the University of Garhwal under section 4 of the U.P. State University Act 1973, under the leadership of its Founding Director, Prof. A.N. Purohit. The Centre offers several educational programs, including a M.Sc. course in Medicinal and Aromatic Plants, a P.G. Diploma in Entrepreneurship and Skill Development in Medicinal and Aromatic Plants, and a Ph.D. program in Plant Physiology. HAPPRC boasts well-equipped laboratories in areas such as Plant Tissue Culture, Plant Physiology and Biochemistry, Plant Biotechnology, and Microbiology. These labs are furnished with various analytical equipment, including a Digital Conductivity Meter, Plant Tissue Culture related equipment, Plant Growth Chambers, Deep Freezer, Seed Germinator, Water bath, soil thermometer, UV-Vis Double Beam Spectrophotometer, PCR machines, Refrigerated Centrifuges, Gel Documentation Units, Automatic Kjeldhal Units with all Accessories, Leaf area Meters, Flame photometers, IRGA (Infrared Gas Analyzers), Soxhlet apparatus, Oil distillation assemblies, Gas Chromatography machines, Atomic Absorption Spectroscopes with Lamps, and more. Additionally, HAPPRC

operates an Alpine Research Station at Tungnath (3600m a.s.l.) and maintains a nursery at Srinagar (550m a.s.l.). Besides the Alpine Research Station, the Centre has established a Germplasm conservation site (1.0 ha.) at Baniyakund (2460 m a.s.l.) in Chopta, a herbal garden (0.2 ha.) at Pothibasa (2200 m a.s.l.), and a model nursery at Lamkundi, Kulsari (1200 m a.s.l.). These facilities, including nurseries and field demonstration sites, are equipped with polyhouses, greenhouses, and shade houses. The Alpine field station of the Centre features Open Top Chambers with all necessary accessories for climate change studies. Since its inception, the center has focused on research related to high-altitude medicinal and aromatic plants (MAPs) and has placed significant emphasis on the conservation and domestication of these valuable species. HAPPRC has successfully developed agro-technology for several high valued and endangered high-altitude MAP species. These technologies are then transferred to farmers to promote their cultivation. The Centre has conducted various extension and awareness programs aimed at encouraging the conservation, cultivation, and trade of MAPs. These initiatives have included organizing training and awareness programs, establishing demonstration units for cultivation and conservation, disseminating scientific information through capacity-building programs, and distributing quality planting materials.

Department of Horticulture

The Department of Horticulture was established in H.N.B. Garhwal University, Srinagar (Garhwal), Uttarakhand in 1982 with the objectives to impart education in the field of horticulture discipline, to undertake research activities based on regional needs and to initiate Horticultural Extension Services to the rural masses. The Department runs Undergraduate, Postgraduate, as well as Doctoral degree programmes. The under graduate and post graduate course being run by the Department is a four years (8-semester) course as B.Sc. (Hons.) in Horticulture and two years (4-semester) course as M.Sc. (Ag) Horticulture, respectively. The Department has also established a Horticultural Research Center (HRC) for providing field facilities for practical training and research activities of students, Research scholars on various horticultural aspects.

Department of Defense Strategic and Geopolitical Studies

Department is running Under Graduation (BA/BSC) since 1978, Ph.D. in Defence and Strategic Studies since 1980, Post-Graduation (MA/MSC) since 1987. This subject fulfills the aspiration of a youngster who wants to choose a career of excitement, adventure, and challenges. Since, Uttarakhand is in the Himalayan region which has two major international borders with Nepal and China. Therefore, the subject of Defence, Strategic & Geopolitical Studies plays a vital role in the National security on the abovementioned borders. This subject was offered by Garhwal University and a separate department was established in the year 1978 for UG and PG students. The department is running a research program (Ph.D.) in Defence studies for the last 45 years on various topics related to the following research areas.

Department of Geography

The department of Geography established in the year 1972. It has three campuses namely; Birla campus Srinagar and its extension to Chouras, SRT campus Tehri, and BGR campus Pauri. All the three campuses are having post-graduate and research facility in Geography.

The Geography Department conduct research within the regional frame of central Himalaya and more particularly Garhwal Himalaya covering wide range of topics i.e. Geomorphology and Environmental Management, Glacial Fluctuations and Palaeo-climatic Reconstructions, Socio-cultural aspects of the Himalayan region, Resources and Economy, Tourism, Natural Hazards and Disaster Management, Population and Healthcare issues. The department has GIS & remote Sensing Laboratory where Ph.D./M.Sc./Graduation students/scholars are trained to analyze data in spatial manner, and are utilizing the techniques in their research work. The Department has also established a separate 'Meteorological Observatory' at Chauras campus in 2007. The department is equipped with Geomorphology lab, Hydrology lab, Smart Classroom and Seminar Hall. The department induct 55 students at PG level and has more than 1000 seat in Undergraduate program. Students from various background with pan India outlook have joined the department and has enriched in the diverse learning.

Department of Geology

The programme offered in Geology covers fundamental petrology, mineralogy, Economic Geology Remote sensing, Environmental Geology, Paleontology, Stratigraphy, Quaternary geology, geomorphology, Himalayan Geology, Petroleum Geology, Mineral exploration and mining geology etc. the courses provide basic knowledge of Geo science with regional perspective courses such as glaciology and Quaternary geology which are related to Himalayan Mountain, natural hazards, rivers and glaciers. The Department has geological labs facilities and also has several instruments such as GPR, total station survey, glaciology field study equipment's etc. The faculty members of the Department are also serving as members in governing body of several institute and national committees. At present department has extramural projects funds amounting 4 Cr. The department has MoU with WIHG and IIRS Dehradun.

The courses being run in the department in the university campus are M.Sc. Biotechnology, Integrated 5 year M.Sc. Biotechnology and Ph.D. in Biotechnology. The department regularly updates the curricula of the courses offered and is actively engaged in imparting high-quality education using different pedagogical approaches to improve theoretical and laboratory skills in Biotechnology. The department is equipped with infrastructural facilities to undertake cutting age research in diverse area of Biotechnology as evident by regular publications in journals of national and international repute. The faculty members have been continuously receiving extramural funding from different scientific agencies for various R&D as well as training projects. Also, they update themselves by organizing and participating in seminars / workshops / symposiums / conferences and special lectures and celebrating days of National & International importance. The department has played central role in establishing the MoUs with University of Canberra, Australia and RCB, Faridabad. The department believes in social outreach of the scientific research and to that end has adopted the resolution to take the research from lab to the field.

Department of Environmental Science

The Department of Environmental Sciences was established in May 1994 in compliance with the order of the Hon'ble Supreme Court of India & UGC, New Delhi, under its 'Emerging Areas aimed at fostering quality teaching, research, and extension in environmental sciences. Since 2007, it has been offering an advanced P.G. Diploma in Environmental Economics (a two-semester program), and since 2010, a regular course on P.G. Diploma in Environmental Management. Additionally, the Department offers M.Sc. and Ph.D. programs in Environmental Sciences. The department actively organizes activities related to various environmental issues.

Department of Himalayan Aquatic Biodiversity

The 'Department of Himalayan Aquatic Biodiversity' was sanctioned by UGC in 2011 and become fully functional in 2017. The department is dedicated for imparting knowledge and conducting research on various facet of the Himalayan region. The idea behind the establishment of the department is to provide opportunities to the eager, young minds for in depth studies and research in exploration and conservation of aquatic biodiversity and other relevant faunal and floral diversity across the Himalayan range.

Since, its inception the department is conducting post graduate classes. For each academic session eleven (11) inquisitive students are selected via screening for M.Sc. in Himalayan Aquatic Biodiversity (HAB).

M.Sc. in Himalayan Aquatic Biodiversity aims to provide students with knowledge, skill and expertise in different facets of aquatic biodiversity. The content of the programme is designed to train human resources in aquatic ecology, water quality assessment, conservation biology and sustainable use of aquatic resources. The department has well equipped laboratory for conducting experiments as per the course requirement. Along with rigorous course curriculum, a variety of extra-curricular activities are regularly conducted to aware the students towards several aspects in conservation and sustainable utilization of biodiversity. The department also provide opportunity for Ph.D. in various aspects of aquatic biodiversity and water resource management.

Department of Zoology

Established in 1962 in the Birla Degree College, Srinagar, the Department of Zoology offers B.Sc., M.Sc. and Ph.D. programmes in Zoology. Over the years, the department has developed a sound research base in the areas of Freshwater Ecology, Fishery Science, *Drosophila* Taxonomy, Reproduction Biology, Endocrinology and Behaviour Biology. The department has been recognized by the UGC under SAP & COSIST, DST-FIST, and DBT-HRD. So far, more than 130 candidates have been awarded Ph.D. degree in Zoology, 43 in Biotechnology besides 03 D.Sc. degree. The faculty members have completed 11 research projects and have published more than 600 research papers, besides receiving many recognitions and awards.

SCHOOL OF SCIENCE

Department of Chemistry

The Department of Chemistry, established in 1973 across all campuses, offers B.Sc., M.Sc., and Ph.D. courses, with new specialization courses such as M.Sc. Physical and Inorganic Chemistry initiated since 2022. It has successfully completed over 20 research projects, currently running 5 projects, and published numerous peer-reviewed research papers in different International and National journals. Research activities in the Department are mainly focused on the chemical analysis of the medicinal plants of the Himalayan region, isolation and characterization of biologically active molecules with synthetic investigations. Some of these research areas include Natural Products, Organic Synthesis, Nanoscience, Sensors, Photochemistry, Photophysics, Functional Nanomaterials for Renewable Energy and Clean Water Generation and Wastewater Treatment, etc. The department has completed UGC SAP-DRS (II) in 2023 for Natural Products Chemistry. The Department of Chemistry procured various instruments for research and development activities. The major instruments are Gas Chromatography and Mass Spectrometry, UV-Visible Spectrophotometer, IR Spectrophotometer, among several others. The department has signed three MoUs; two International and one National. The department has undertaken collaborative work with international universities like the University of Manchester, UK, School of Pharmacy, University of London, UK, School of Medicinal Chemistry and Pharmacognosy, Ohio State University, School of Biomedical Sciences, University of Hiroshima, Japan, University of Missouri and Texas Tech University, USA, Technische University, Germany and University of Pavia, Italy, University of Central Florida, University of Florida, University of Connecticut, USA and some nationally reputed industries and research laboratories (FRI, Dehradun, IARI, New Delhi, GVK Biosciences Hyderabad CSIR- CDRI, Lucknow, CSIR - IIP, CSIR-CIMAP, CSIR-NBRI, CSIR- ITRC, NIPER and IISER, and Bal Pharma, Asthagiri Herbal Research Foundation.

Department of Home Science

The Department was established in 1976 at the undergraduate level and introduced a PG course in 1997. Currently, it offers UG, PG, and Ph.D. courses across all three campuses of the University. Students study papers from five disciplines of Home Science: Food & Nutrition, Human Development, Clothing & Textiles, Family Resource Management, and Extension & Communication. The academic activities and research works done by the faculty have been regularly published in various journals.

The Department of Mathematics, established in 1973, currently offers B.A./B.Sc., M.A./M.Sc., and Ph.D. programmes. The Department has its own library at Chauras, housing approximately 800 reference and textbooks. Recently, the Department's Board of Studies (BoS) restructured the curriculum to incorporate the latest developments in the field. Seminars and interactive sessions for research and postgraduate students are a regular feature to enhance their learning. The Department is also equipped with smart classrooms. Research activities focus on areas such as fixed-point theory and applications, computational fluid dynamics, differential geometry, fuzzy analysis, biomathematics, semigroups of operators, functional analysis, operator theory, topological dynamics, and number theory.

Department of Pharmaceutical Chemistry

The Department was established in 2007 and presently offers a two-year interdisciplinary PG course in M.Sc. Pharmaceutical Chemistry, spanning four semesters. Eligibility for admission requires completion of a three-year B.Sc. or B.Pharm. Program. Admission to the M.Sc. Pharmaceutical Chemistry program is based on entrance examination conducted by the University or merit, as per University regulations. The curriculum is tailored to provide advanced studies in drug discovery technology, therapeutics, Herbal drug Technology, pharmaceutical analysis, quality assurance, manufacturing, processing, formulation, and regulatory compliance. Additionally, students gain insights into regulatory and quality compliance of pharmaceutical products. The course caters to those working in the industry and research laboratories, aiming to enhance their expertise in drug design, synthesis, Herbal drug formulation, and addressing pharmacological challenges.

Department of Physics

The Department of Physics, a key unit of the School of Science since 1973, offers undergraduate (UG) and postgraduate (PG) programmes across all three campuses: Srinagar, Pauri, and Badshahi Thaul (Tehri). At the PG level, students can specialize in Electronics, Solid State Physics, Particle/Astrophysics, Laser Physics, or High Energy Physics. The Department also offers a Ph.D. program. Faculty research focuses on areas such as Condensed Matter Physics, Material Science, Astrophysics, Atmospheric and Space Physics, High Energy Physics, Ultracold Atoms and Molecules, Atomic Physics and Quantum Optics, Radiation Protection, Nuclear Geophysics, and Nuclear Physics. Ongoing research projects, funded by SERB, DST, UGC DAE CSR, and the Ministry of Earth Science, total over ₹200 lakh. The Department signed two MOUs this year with ARIES Nainital and IITM Pune to strengthen research.

Department of Statistics

The Department of Statistics was established at the Srinagar Campus in 1978 and the Badshahithaul Campus in 1981, initially offering undergraduate courses and introducing master's level courses in 2000. Since its inception, the Department has actively engaged in research in Demography, Sampling, and Operations Research. A semester system was implemented at the master's level in the 2011-12 session and at the undergraduate level in the 2015-16 session, in accordance with UGC guidelines. The National Education Policy (NEP) system was introduced from the 2022-23 session.

SCHOOL OF ENGINEERING AND TECHNOLOGY

Department of Computer Science and Engineering

The Department of Computer Science & Engineering was established in the year 2000 by the H.N.B. Garhwal University Srinagar (Garhwal) with the approval of the State Govt. of Uttar Pradesh through Governor Secretariat letter no. E-319/G.S. dated 10.1.2000 under section 7.13 (x) (2) of H.N.B. Garhwal University Srinagar (Garhwal) Act.

Presently the Department of Computer Science & Engineering is running Master of Computer Application (MCA), B.Tech. (Computer Science & Engineering), M.Tech. (Computer Science & Engineering) and PhD (Computer Science and Applications) courses. MCA is a two-year full time post graduate course, B.Tech. (Computer Science & Engineering) is four-year full time under graduate course, M.Tech. (Computer Science & Engineering) is a two year full time post graduate course and PhD is Research Programme in Computer Science & Applications. The Department of CSE has well equipped Computer Software and Hardware Laboratories for UG, PG and PhD Programmes. The faculties of the department are actively engaged in conducting the research in the various thrust areas: Artificial Intelligence, Machine/Deep Learning, Cloud Computing, IoT, Information Retrieval, Image Processing, Computer Vision and Ad-hoc Networks. Since a long University is imparting the education in traditional fields. Computer Science has an immense scope in the modern era of Science and Technology. It forms the pillar for the advancement and progress in the field of Engineering, Science and Society.

Department of Electronics and Communication Engineering

Department of Electronics and Communication Engineering runs a 4-year undergraduate course, namely, B.Tech in Electronics and Communication Engineering. The Department has a vision to evolve so as to conduct research of high quality and to develop cutting edge electronic products and technology. With this vision the department has a mission to attain high standards of teaching and academics to train skilled engineers and researchers to serve the society in the field of Electronics and Communication Engineering.

Department of Instrumentation Engineering-USIC

The University Science Instrumentation Centre (USIC) was established in the university in 1991. Now it is named as Department of Instrumentation Engineering. Dedicated to extend an instrumentation culture, in the society, in general, and in the higher education system, in particular, the department helps the academic staff of the University and affiliated colleges in the maintenance, repair, and development of teaching aids; design and fabrication of instruments required for teaching and research; spreading instrumentation awareness; generating manpower at different levels to enable the country to face with the challenges of modern instrumentation; promoting and conducting R & D programs in instrumentation, etc. The department had been running a four year (eight semesters) B. Tech. degree course in Instrumentation Engineering, since 2000.

Facilities/Laboratories: The department of Instrumentation Engineering is also offering the major analytical instruments XRD, SEM, PE (Ferroelectric) loop tracer, Ellipsometer, ICP-MS; and Liquid Nitrogen Plant as Central facility, USIC, to the researchers.

For the B. Tech. degree program, in Electrical and Instrumentation Engineering and Instrumentation Engineering, the department has well equipped labs. The electrical, electronics, control systems, sensors and transducers, microprocessors, microcontrollers, renewable energy, intelligent instrumentation, virtual instrumentation, vacuum and thin film deposition labs, and the workshop(s) cover all the important and relevant experimental setups for the running program.

Department of Mechanical Engineering

The Department of Mechanical Engineering came into existence in the year 2011 and the first batch of mechanical engineers graduated in 2015. The department runs under School of Engineering and Technology, H.N.B Garhwal University, Srinagar-Garhwal. The Mechanical Engineering department offers 4 years undergraduate course (U.G), B.Tech in Mechanical Engineering. The Department of Mechanical Engineering promotes Ideas to Innovation (i2i) in all its sophisticated laboratory and research facilities. The department has various laboratories and workshop facilities with modern sophisticated equipments, such as CNC Turning, Sliding Wear test Rig, UTM, 3D- printer etc, to carry out research in areas related to mechanical engineering, production engineering and composite materials.

SCHOOL OF ARTS, COMMUNICATION AND LANGUAGES

Centre for Folk Performing Arts and Culture

The Centre was created in 2006 on the recommendation of the NAAC Peer Team. Prof. N. Natrajan, and Prof. S. P. Singh the then Vice Chancellors took the initiative to establish the Centre and the entire project was led by Prof. D.R. Purohit.

The Centre is one of the academic departments of the University entrusted with mission of preserving and promoting the culture and arts of the region through the schema of performing arts and theatre of the region. The Centre is also expected to raise a rich archive and library of the material concerned with regional arts. Yet another mandate of the Centre is “mediatizing the cultural heritage”.

Department of English, Modern European and other Foreign Languages

One of the oldest departments that has been extending its legacy since 1971 is the Department of English, Modern European and Other Foreign Languages. The very name of the department is testimonial to its various trajectories and dives into interdisciplinary and multi-dimensional approach towards language and literature. The courses run by the department were updated recently keeping in track with the suggestions of NEP 2020. The department provides the students an eclectic mix of courses aimed at cultivating comprehensive frameworks to establish interactive spaces amid different cultures and philosophies.

Department of Hindi and Modern Indian Languages

The Department of Hindi was established in 1973 at the inception of the University and has been operational across all campuses since then. It offers courses including B.A., M.A., and Ph.D., to advance Hindi and modern Indian languages. In addition to traditional subjects, the department now includes modern topics such as folk literature, Garhwali literature, journalism, Functional Hindi, and Indian languages in its curriculum, reflecting contemporary linguistic and literary trends.

Department of Library and Information Science

The Department of Library and Information Science started in 1997 to teach students about library and information science. Currently, it offers a one-year program (B.L.I.Sc) in Library and Information Science in self-finance mode. The goal is to train students for jobs like librarians, information officers, archivists, and knowledge managers. Many graduates from this department have found good jobs in libraries, research institutes, and other places. The university library serves as a learning lab where students get hands-on training with the help of teachers and library staff. This way, they learn both theory and practical skills., currently two new faculty has been joined on the permanent post of Assistant Professor.

Department of Sanskrit

Along with the establishment of Garhwal University in 1973, the Sanskrit Department was also established. Since the establishment of the university, undergraduate, postgraduate courses and research work are going on in the Sanskrit Department. Facility for study and research work of Sanskrit subject is available in all three campuses of the university (Srinagar, Tehri, Pauri). Semester system is applicable in undergraduate and postgraduate classes. In view of skill development in students, students are made to study useful courses like Ayurveda, Indian Theatre, Patanjali Yogasutra, Vastushastra. The courses taught at undergraduate and postgraduate level are helpful in building an ideal society and nation by developing morality in the students. From the 2022-23 session, new curriculum is being taught to the students at the undergraduate level under the new National Education Policy. Research work is being done by research students by selecting topics related to various branches of Sanskrit (poetry, poetics, Vedas, Puranas, Upanishads, Dharmashastra, Philosophy, Grammar, Linguistics).

SCHOOL OF EDUCATION

Department of Education

The Department of Education is one of the oldest departments at HNB Garhwal (A Central) University, Uttarakhand. Since its inception in the academic year 1973-74, it has offered B.Ed. M.Ed. and PhD programmes. Further expanding its academic horizon in 2006 with the introduction of the M.A. in Education, B.Ed in Pauri Campus (Self-finance mode) and B.A B.Ed, B.Sc B.Ed and B.Com, B. Ed in 2023 at Birla Campus Srinagar Garhwal.

Early in 2024, new faculty members joined the department, and they are experts in various fields. The faculty's commitment to academic excellence is demonstrated by their continuous contribution of research articles to respected national and international journals.

All departments are well-equipped with various psychological tests and tools that support the advanced study of education. Complementing this, the department boasts departmental libraries that house an extensive collection of books in both Hindi and English, catering to the needs of B.Ed. M.Ed, M.A. Education students and PhD scholars. Furthermore, the department (Birla Campus Srinagar and SRT Campus tehri) has 22 research scholars pursuing their research work under the guidance of faculty members. Following modern educational trends, the department features smart classrooms and an ICT-enabled teaching and learning hub. This integration of technology in education not only prepares future educators to deal with the contemporary digitalised world but also enhances the overall quality of instruction.

The Department of Education has forged meaningful associations with government and private schools within Srinagar, Tehri and Puri District of Uttarakhand. These corporations enrich the student-teacher experience through a practical internship program. During this phase, the student teachers gain invaluable firsthand experience by conducting remedial classes for low-achieving students and actively contributing to enhancing the teaching and learning process by distributing educational materials to the schools. Moreover, the department's faculty and students actively engage in social outreach by organizing awareness programs and rallies addressing various social issues.

Department of Naturopathy & Yoga

The Department of Naturopathy and Yoga was established on November 27, 1998, under UGC guidelines aimed at promoting yoga education, practice, and positive health within the university. Rooted in the ancient art of yoga, which emphasizes the development of a healthy mind in a healthy body, the Department seeks to train young, intelligent, and educated individuals in both the arts and sciences. Its primary objective is to foster self-control, unravel higher potentialities, and ground students in a cultural synthesis that harmonizes spiritual and scientific understanding. Recognizing yoga's significance across various cultures for both spiritual and materialistic purposes, the Department strives to blend the spiritual aspects of yoga with modern scientific principles. This approach aims to cultivate a scientific-cum-spiritual personality that addresses the needs of a diverse populace. The department offers several courses, including a B.Sc. in Yogic Science (3 years), an M.A. in Yogic Science (2 years), a P.G. Diploma in Yogic Science (1 year), a Ph.D. in Yogic Science (minimum 3 years), and a Yoga Training Programme (1 month, available only at the Extension Centre in Rishikesh). Through these programmes, the Department of Naturopathy and Yoga continues to promote holistic development and well-being, encouraging students to explore the profound connection between body, mind, and spirit.

SPECIAL CELLS AND CENTRES

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance (IQAC) cell of Hemvati Nandan Bahuguna Garhwal University (HNBGU) caters to the development of a quality system for conscious, consistent and catalytic action to improve the academic and administrative performance of the University. It also promotes measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

IQAC develops and applies quality benchmarks/parameters for various academic and administrative activities of the University. It also facilitates the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process. It arranges for feedback response from students, parents and other stakeholders on quality-related institutional processes and disseminates information on various quality parameters of higher education. Essentially it documents the various programs/activities of HNBGU leading to quality improvement. IQAC acts as a nodal agency of HNBGU for coordinating quality-related activities, including adoption and dissemination of best practices. Most importantly it develops and maintain institutional database through MIS for the purpose of maintaining /enhancing the institutional quality and prepare the Annual Quality Assurance Report (AQAR) of the University based on guidelines and parameters of NAAC.

Director: Prof. Y.P. Raiwani, Department of Computer Science and Engineering

NEW EDUCATION POLICY (NEP) CELL

The implementation of the National Education Policy (NEP) 2020 has been successfully undertaken by HNB Garhwal University, beginning in the academic session 2022-23. During the subsequent session of 2023-24, the admission process adhered to UGC guidelines, utilizing the CUET and merit-based selection systems. All admitted students were registered on the Academic Bank of Credits (ABC) portal, aligning with national education reforms. Currently, the university has transitioned smoothly into the third semester of the four-year undergraduate (UG) program. This milestone introduces the Indian Knowledge System (IKS) as the third value-added course and six multidisciplinary skill courses: Nursery Training, Basic Yoga Practices, Physical Education/Sports Management, Folk and Culture, Indian Traditional Music, and Tour and Travel Operations. Discipline-specific and interdisciplinary courses continue as per the university's curriculum framework, with timely results for the first and second semesters already declared. Community linked compulsory 2 credit Self and Social Development course was also initiated during the session.

Enhancing NEP Awareness and Effective Course Management in 2023-24

During the 2023-24 academic session, frequent NEP awareness programs were conducted for students and faculty members across all three campuses. Additionally, several online meetings were organized to facilitate the effective management of various value-added courses.

Celebrating third anniversary of NEP 2020 through Press Conference: Progress, Innovations, and Community Impact at HNB Garhwal University (6th July, 2023)

On July 6, 2023, the university marked the third anniversary of NEP 2020 with a joint press conference at its Chauras Campus Activity Centre. Organized in collaboration with the National Institute of Technology (NIT) Sumari, District Institute of Education and Training (DIET) Charigaon, and the Department of Skill Development, Garhwal District, the event focused on raising awareness about NEP 2020's objectives. The policy's emphasis on flexible, holistic, and multidisciplinary approaches, along with skill development, was highlighted.

Vice Chancellor Prof. Annapurna Nautiyal inaugurated the event, elaborating on the theme "*NEP ki Samajh*" and underlining the policy's role in shaping New India. She emphasized the university's commitment to enhancing communication skills by offering regional, national, and global language courses. Additionally, new programs focusing on IKS and employable skills in traditional and modern agriculture are being proposed. Prof. Nautiyal stressed the importance of collective efforts among Himalayan universities and outlined recent collaborative initiatives, including the release of a Policy Brief on India's G20 Presidency and sustainable development strategies for the Himalayan region.

Guest of Honor, Prof. Lalit Awasthi, Director of NIT Sumari, highlighted the integration of traditional knowledge systems within NEP 2020 and the policy's equal focus on school and higher education. Pro Vice-Chancellor Prof. R.C. Bhatt emphasized that NEP 2020 stands out as a widely accepted reform, formulated through extensive consultations with stakeholders across all education levels.

Implementation at HNB Garhwal University

NEP Coordinator Prof. Anoop Dobriyal detailed the university's adoption of NEP guidelines, such as the Curriculum and Credit Framework for Undergraduate Programs and the National Higher Education Qualifications Framework (NHEQF). The curriculum incorporates core courses, interdisciplinary and multidisciplinary subjects, ability enhancement programs, and value-added courses such as Life Skills, Personality Development, IKS, Culture, and Moral Values. Students are required to

complete at least two subject-specific skill courses and one of six additional multidisciplinary courses. The program offers multiple entry and exit options, with certifications available after the first, second, and third years, and UG Honors or UG Honors with Research pathways in the fourth year.

A major milestone was the registration of over 25,000 students on the ABC portal, ensuring academic credit mobility. The university is also preparing to introduce UGC's dual degree program and has initiated short-term soft skill courses for the general public.

Contributions from Educational and Governmental Bodies

Prof. Rama Mikhuri, Dean of the School of Education, highlighted NEP 2020's focus on quality early childhood care, the National Mission on Foundational Literacy and Numeracy, and the integration of arts, sciences, and commerce streams. Coding from Class 6, the establishment of PARAKH as a national assessment center, and mother-tongue-based education were identified as key features.

Dr. S.K. Bhardwaj from DIET Charigaon elaborated on the state-wide implementation of foundational literacy programs under the NIPUN Bharat Mission and the introduction of the National Curriculum Framework for Foundational Stage (NCF-FS) by NCERT. Ms. Archana Sajwan from the Skill Development Department discussed district-level initiatives such as the Indo-Japanese Technical Intern Training Program for youth in health-related fields.

Skill Development and Outreach Initiatives

Prof. R.K. Maikhuri from the Department of Environmental Science showcased outreach and field research aimed at local development and employment generation. Programs in bio-economy, organic farming, and health food production are being implemented, with significant emphasis on sustainable development goals (SDGs). A consortium of Himalayan central universities, spearheaded by HNB Garhwal University, fosters collaborative research on critical regional issues.

The Department of Biotechnology, under Prof. G.K. Joshi, runs skill development programs like "Quality Control Chemist-Microbiology" under the Skill Vigyan Program. Similarly, the Department of Forestry offers specialized skill courses, including Soil Biology, Nursery Management, Entrepreneurship, and Forest Range Training.

Achievements in Arts and Cultural Preservation

The Center for Folk Performing Arts and Culture, led by Prof. D.R. Purohit, has been instrumental in preserving Himalayan culture. The center runs 13 courses on regional folk traditions, with over 100 graduates contributing to media, HR, and cultural preservation. Innovative theatrical productions have been key to promoting regional arts.

Community-Focused Skill Development

Departments such as Rural Technology, Tourism, and Chemistry contribute significantly to skill enhancement and outreach. The Rural Technology department focuses on sustainable livelihoods through training in mushroom cultivation, apiculture, and vermiculture. The Tourism department runs the *Sair Saleeka* program, focusing on environmental conservation and skill development in tour guiding. The Chemistry department is active in community-based programs under *Namami Gange* and *Unnat Bharat Abhiyan*, promoting water quality assessment and waste management.

Research and Development Initiatives

HNB Garhwal University has made significant strides in research through projects like the DBT-sponsored cultivation of high-altitude aromatic plants. Interaction meetings under the APN-sponsored project have facilitated discussions on climate change impacts and the integration of indigenous knowledge into adaptation strategies.

Enhancing Infrastructure and Opportunities

The university's efforts in upgrading infrastructure, recruiting faculty, and promoting applied, demand-driven research ensure robust job opportunities for students. With initiatives like model villages for medicinal plant cultivation and skill development centers, HNB Garhwal University is bridging the gap between academia and community needs.

Conclusion

The successful implementation of NEP 2020 at HNB Garhwal University reflects its commitment to academic innovation, skill development, and regional development. By aligning its initiatives with national priorities, the university continues to foster holistic education and sustainable growth.

RIGHT TO INFORMATION CELL (RTI-Cell)

As per the directions and provisions mentioned in the Right to Information Act-2005, the HNB Garhwal University has established a RTI Cell in April 2006. The University has published the RTI manuals in 2007 which were updated in March 2016. The information regarding different manuals can also be obtained from different links at www.hnbgu.ac.in

Presently, the University has notified 01 First Appellate Authority (FAA), 01 Nodal Officer, 01 Assistant Nodal Officer & 54 Central Public Information Officers (CPIOs), more than 50 Assistant Central Public Information Officers (ACPIOs) of different sections, department & campuses of the University.

Major Activities undertaken during Session 2023-24 (01-04-2023 to 31-03-2024):

No. of RTI applications filed by information seekers physically.	1078
No. of RTI applications filed by information seekers through Online.	408

No. of information seekers who have received information within stipulated time.	979
No. of information seekers who have received information after the orders.	65
First Appellate Authority.	960
No. of first appeals filed by the information seekers through online.	67
No. of first appeals disposed by the First Appellate Authority within the stipulated time.	77
No. of second appeals filed by the information seeker.	09
No. of information seekers who have received information after the Orders CIC.	07
Application fee received (INR).	9600
Additional fee received (INR).	70355

Future Plans: RTI Cell of HNB Garhwal University is planning to computerize the receiving of the applications of information seekers, the information sent by different department and sections. Alongwith this, workshop for all the public information officers of the University shall be organized.

RAJBHASHA HINDI CELL

As per the directives of the Ministry of Human Resource Development, Government of India, the Ministry of Home Affairs, Government of India, the Director (Official Language), and the University Grants Commission, New Delhi, efforts are being made to promote and propagate the use of the official language, Hindi, effectively among university officials, employees, faculty heads, campus directors, and their respective offices.

The university periodically submits quarterly reports related to the use of the official language, Hindi, to the ministry. These reports include detailed information about compliance with Section 3(3) of the Official Language Act.

During the year, meetings of the Official Language Implementation Committee were held on **15th July 2023, 29th December 2023, and 28th March 2024**, respectively, for each quarter. In these meetings, it was decided to maximize the use of Hindi in official work.

Accordingly, tenders, notification letters, office orders, typing, rubber stamps, letterheads, nameplates, etc., are being used bilingually (in Hindi and English). In cases where bilingual formats are not in place, instructions have been given to ensure their use in a bilingual format for the convenience of the public.

Emphasis on Hindi Usage in 2023-24

- Efforts were intensified to promote the use of Hindi during the year 2023-24.
- **Hindi Day** was celebrated on **14th September 2023**.
- Awareness about the use of Hindi was spread through All India Radio and newspapers/magazines.
- Speech and essay competitions were held on topics such as "**Hindi on the Global Stage**" and "**The Role of Media in the Development of Hindi**".
- Discussions on the works and personalities of poets were conducted periodically.

It is noteworthy that the initiatives of the Ministry of Human Resource Development are commendable, including promoting Hindi through correspondence, facilitating its fluent usage, and teaching Hindi to foreign students. These efforts help connect students across the country, fostering knowledge creation in India and establishing Hindi as a people's language in the future. One of the significant achievements of the Official Language Department was the publication of a "**Souvenir**" based on the activities of Hindi Day and Hindi Fortnight 2023. This souvenir was released on the occasion of the university's Foundation Day.

Important Achievement: The special and important achievement of the official language cell was that a "souvenir" based on the programs of hindi day and hindi fortnight-2023 was published. the souvenir was released on the occasion of the foundation day of the university.

PERMANENT CELL FOR COMBATING SEXUAL HARASSMENT AND VIOLENCE AGAINST WOMEN (Internal Complaint Cell)

The Cell aims to address sexual harassment of women on campus and at the workplace. It holds regular meetings to ensure safety, organizes events on sexual harassment, and creates time-bound policies following UGC guidelines to maintain a discrimination-free environment.

- **No complaint was made to ICC** either by the students or staff of the university during 2023-2024.
- **A workshop on the Prevention, Prohibition, and Redressal Act, 2013** was held, followed by Gender Sensitization Awareness Week from December 9-15, 2023, at HNBGU. Lectures were delivered by Prof. Monika Gupta, Dr. Sarla Saklani, Dr. Anuja Rawat, and Dr. Kiran Verma, with around 60 female students participating in the events.

- **Celebrated International Women's Day** on March 8, 2024, at Yamuna Girl's Hostel with Dr. Anuja Rawat, Dr. Sarla Saklani, and Dr. Kiran Verma providing insights and lectures on sexual harassment at the workplace to female students in various hostels.

Chairperson: Prof. Monika Gupta, Department of English

STUDENT GRIEVANCE REDRESSAL CELL

The Grievance Redressal Cell addressed and resolved 13 complaints filed by various individuals and student unions during 2023-24. These complaints encompassed a range of issues, including election-related concerns, departmental matters, Wi-Fi facilities, transportation, and cultural events, with all grievances successfully resolved within the specified timelines.

Coordinator: Dr. M.S. Negi, Department of Geography

SC, ST, OBC & PwDs CELL

A meeting of above said committee was held on 05 April 2023. Following issues were discussed during the meeting:

1- The committee reviewed the reservation policy for the admission, to be published in the University prospectus for the academic year 2023-24.

2- The committee also discussed modality regarding the celebration of the Dr. B. R. Ambedkar Jayanti celebration on 14 April 2023. After the discussion it was decided that different competitions (debate, painting, quiz, etc.) would be organized to celebrate the occasion and a separate dedicated will be constituted for smooth organization of the program.

Coordinator: Dr. Deepak Kumar, Department of English

ANTI-DISCRIMINATION CELL (ADC)

Established in May 2016 with the objective to take cognizance of the matters related to students or group of students facing discrimination of any type based on caste, creed, religion, language, ethnicity, gender, disabilities, domicile etc. on or off the campus and recommend appropriate action by the competent authority. The ADC spreads awareness among students, regarding its functioning and members at the start of every academic session so as to create a harmonious teaching-learning atmosphere. Anti-discrimination cell are working for the removal of any type of cases related to caste, religion, gender etc.

- One discrimination case was received and resolved within 90 days through thorough investigation and meetings.
- The cell adheres to UGC and government guidelines, with a committee including members from all castes.
- An induction and awareness program for NSS students was held on March 28, 2024.

Chairperson: Prof. Monika Gupta, Department of English

UNIVERSITY CAREER COUNSELING AND PLACEMENT SERVICE

The University Placement and Counseling Cell (UPCC) successfully organized various programs to enhance student employability, including personality development workshops, career guidance sessions and on-campus placement drives. These efforts have enabled students to build essential skills and connect with top recruiters. During the period of April 2023 to March 2024, Zenith Holidays, KIOMOI, Yara Fertilisers India Pvt. Ltd., Grant Thornton and Three Sixty Holidays Pvt. Ltd visited our campus for the placement.

UNNAT BHARAT ABHIYAN CELL

As we all know, the Indian government has begun the “Azadi ka Amrit Mahotsav,” a 75-week campaign that not only remembers achievements but also motivates and urges individuals to take constructive actions toward the country’s prosperity.

One of the campaign’s topics has been highlighted as “Awareness programmes to avoid the use of single-use plastics,” with the goal of gaining traction, increasing visibility, and increasing outreach.

Following events were carried out by the University under the banner “Unnat Bharat Abhiyan” in accordance with the spirit of “Azadi ka Amrit Mahotsav.”

- 1) On Gandhi Jayanti (2 October), fifty members of Pahari Paddlers, Maiti Abhiyan, and Swachh Bharat Abhiyan under the banner of Sair-Salika Abhiyan went on a cycle excursion of around forty kilometres from Dehradun to Khara Khet. The participants organised a cleanliness drive in Khara Khet, as well as a public awareness campaign regarding polythene eradication. Khara Khet, a significant historical site, is associated to Gandhi’s salt movement.
- 2) On the 6th of October, local villagers in the World Heritage Valley of Flowers carried out a massive cleanliness drive under the banner of Eco Development Society, Bhyundar in continuation of Swachh Bharat Abhiyan, under the aegis of Sair-Salika Abhiyan at an altitude of about 3500 metres to 4000 metres in the valley.
- 3) The importance of Gandhi’s visit to Kausani in the year 1929 was publicized through social media while singing Gandhiji’s favorite hymn at Anashakti Ashram in Kausani by the Public Art Performance Center of the university.

Voter Awareness Programme At BGR Campus, Pauri

A voter awareness programme was conducted at the BGR Campus of HNB Garhwal University, Pauri, in the month of November. Prof. PP Badoni (Campus Director) and the ADM of District Pauri Mrs. Ela Giri provided a lot of information about their voting rights and the importance of voting as a responsible citizen. Many students on campus attended the programme and expressed that they will vote actively and choose active government to build a strong nation.

Nature Walk under the banner of SAIR-SALIKA Abhiyan

HNB Garhwal University, in association with UCOST (Uttarakhand State Council for Science and Technology), conducted a nature walk in Pauri under the banner of SAIR-SALIKA Abhiyan. This nature tour included master's students, research scholars, and professors. HNB Garhwal University's Dr. Survesh Uniyal emphasised and shared the importance of having a nature walk in one's life. He also stressed how we can achieve happiness by immersing ourselves in nature's beauty, which can only be accomplished through these walks, which can also be considered as wellness walks.

Unnat Bharat Abhiyan (UBA) is a flagship program of MHRD, Govt of India. The University has adopted select villages of four Gram Panchayats of which Koti, Kathud and Pokhrifall under Khirsu Development Block while Doab village under Pauri Development block.

INSTITUTION INNOVATION COUNCIL (IIC)

Innovation Cell, an initiative of Ministry of Education, has been established at AICTE premises with a purpose to systematically foster the culture of Innovation in all Higher Education Institutions (HEIs) across the country. The primary mandate of Innovation Cell is to encourage, inspire and nurture young students by exposing them to new ideas and processes resulting in innovative activities in their formative years fostered through Network of Innovation Clubs in HEIs. Following the MOE’s IIC guidelines, the university formed the ‘Institution’s Innovation Council’ (IIC) which was registered in the MOE Innovation Cell portal on 20.11.2018. The IIC conducted the following programmes during 2023-24:

1. HNB Garhwal University and IIC celebrated **National Technology Day** with great enthusiasm on 11 May 2023. The event aimed to acknowledge and appreciate the significant contributions made by technology in various sectors of our society. The National Technology Day celebration at HNB Garhwal University included a series of engaging activities, interactive sessions, and exhibitions that showcased the technological advancements and innovations achieved by students and faculty members. The event provided a platform for participants to exchange knowledge, ideas, and experiences, fostering a culture of innovation and collaboration. Inviting guest speakers to share their expertise and insights with students and faculty is a great way to enhance the learning experience and create a vibrant intellectual community on a university campus. In this context, Institution's Innovation Council organized an invited guest lecture on "Artificial Intelligence and its impact on life & work" to engage its students and faculty members in a stimulating discussion on one of the most transformative technologies of our time. The lecture was presided by Dr. Jayanti Prasad (Alumni, HNBGU) who is Data Scientist at Digital Intelligent Systems (DISYS) Pvt Ltd India Chennai. Dr. Prasad is known for his research at IUCAA with LIGO that was well appreciated, and he was also part of the team that made the first discovery of the black hole merger event in 2015, receiving many awards and co-authoring 100+ publications with LIGO.

2. The Department of Chemistry at HNB Garhwal University, in collaboration with Banasthali Vidhyapeeth, Rajasthan and IIC, HNBGU, recently organized a week-long DST (Department of Science and Technology) **Stuti program** from May 12 to May 17, 2023. This program aimed to promote scientific research, innovation, and collaboration among students and researchers. The week-long program included a series of events, workshops, seminars, and interactive sessions conducted by experts in the field of chemistry. These sessions focused on diverse areas of research, ranging from organic and inorganic chemistry to analytical and physical chemistry. Participants had the opportunity to learn about the latest advancements, methodologies, and techniques employed in various research domains. The success of the week-long DST Stuti program can be attributed to the enthusiastic participation of students, the support of faculty members, and the dedication of the organizing committee. It served as a platform for the exchange of knowledge, ideas, and experiences, ultimately contributing to the advancement of scientific research and development.
3. Department of Pharmaceutical Sciences and IIC HNB Garhwal University organized two **sessions on startup, steps and opportunities for pharmaceutical and allied sciences students** that proved to be extremely informative and inspiring.
The two talks were:
 1. Career Opportunities in Pharmaceutical R&D by Dr. Devendra Kumar Dewangan, DGM, Manufacturing Sciences & Technology, R&D Centre, Strides Pharma Science Ltd, Bangalore on May 13, 2023.
 2. Clinical Trials: Impact of Diseases, Industry Business Prospects and Employment Potential by Mr. Vaibhav Tyagi, Global Training Consultant (Clinical Trials) NIIT Ltd. Ghaziabad, Uttar Pradesh, India
4. IIC have successfully established the YUKTI Innovation Repository at HNB Garhwal University on 29 May 2023. This initiative demonstrates our commitment to fostering innovation and driving forward advancements in various fields. We aim to leverage the platform provided by IIC to collaborate with talented individuals, share innovative ideas, and contribute to the overall growth and development of the university ecosystem. The YUKTI-NIR is a comprehensive platform designed to showcase and promote innovative projects, research, and initiatives from various institutions and individuals across the country. It serves as a repository of cutting-edge ideas, technologies, and solutions, fostering collaboration, knowledge sharing, and networking among innovators, academia, industry, and government bodies. Through YUKTI-NIR, we aim to accelerate the pace of innovation in India and contribute to the nation's growth and development.
5. IIC organized **Workshop on Intellectual Property Rights** on 3 June 2023. The workshop commenced with an inaugural address by the chief guest Dr. Apama Sharma, Senior Scientific Officer, UCOST, followed by the Program Coordinator Prof. Manjula Rana, Dean Student Welfare Prof. Mahavir Singh Negi., who emphasized the significance of intellectual property in fostering innovation and driving economic growth. They covered a wide range of topics related to intellectual property, such as patents, trademarks, copyrights, and trade secrets. The speakers discussed the process of obtaining and enforcing intellectual property rights, the benefits of IP protection for individuals and organizations, and the potential challenges and legal issues that may arise. The Workshop on Intellectual Property Rights at HNB Garhwal University was undoubtedly a resounding success, empowering the academic community with the necessary tools and awareness to navigate the complex world of intellectual property. It is expected that the knowledge gained from this workshop will positively impact future research endeavors and encourage a culture of innovation and creativity within the university and beyond.
6. IIC, HNB Garhwal University Srinagar celebrated "**Aazadi Ka Amritkal**" on 15 August 2023. The primary objective of the "Celebrating Aazadi Ka Amritkal" was to commemorate India's 75th Independence Day by promoting innovation and recognizing the contributions of innovators in the nation-building process. The event aimed to inspire and engage students, faculty, and alumni in discussions and activities that promote innovation and entrepreneurship within the university community.
7. IIC, HNB Garhwal University organized guest lecture on "Innovating Drug Design and Molecular Modelling: Exploring the Entrepreneurial Potential of BIOVIA Discovery Studio" on 16 August 2023. The guest lecture presented by Dr. Ashish M. Kanhed was a successful and informative event that provided valuable insights into the world of pharmaceutical innovation and entrepreneurship. Attendees left with a better understanding of the potential applications of BIOVIA Discovery Studio in their research and entrepreneurial endeavors. We extend our gratitude to all participants, sponsors, and volunteers who contributed to the success of this event. Their support and enthusiasm made the celebration truly memorable.
8. IIC, HNBGU proudly celebrated the successful landing of Chandrayaan-3 on the moon's surface on 23 August 2023. Approximately 50 students and faculty members marked this historic occasion at the Astrophysics Planetarium at Chauras Campus, creating a proud and memorable moment for everyone involved. We extend our heartfelt congratulations to the entire team of ISRO, including all space scientists and engineers, who have dedicated their tireless efforts to realize this monumental achievement in the history of Science, Technology, and Research in India.

9. In a significant academic endeavour, the Department of Pharmaceutical Sciences and IIC at Hemvati Nandan Bahuguna Garhwal University organized a one-day National Workshop on "Intellectual Property Rights, Literature Search, and Research Ethics in Pharmaceutical and Allied Sciences," generously sponsored by UCOST, on February 23, 2024. The workshop witnessed esteemed guests such as Chief Guest Dr. Narendra Singh (Scientist F, ARIES, Nainital) and Guest of Honour Prof. D.S Negi (Head, Department of Chemistry) and Prof. Hemwati Nandan (President IIC and Director RDC, HNBGU). The event included insightful talks by experts, including Dr. Prem Nath, Dr. DP Uniyal (Joint Director UCOST), Gaurav Joshi, Prof. Hemwati Nandan, Dr. Ravinder Kumar (Gurukul Kangri University), and Dr. Lokesh Kumar Joshi (Gurukul Kangri University). Drawing a remarkable audience, the workshop attracted 70 participants meticulously selected from a competitive pool of applicants. Delving into pivotal themes of intellectual property, advanced literature search methodologies, and ethical considerations within pharmaceutical sciences, the workshop provided attendees, comprising both students and faculty, with invaluable insights and knowledge, fostering a resounding success and enhancing academic enrichment.

President: Dr. Ram Kumar Sahu, Department of Pharmaceutical Sciences

Convener: Dr Bibhisan Roy, Department of Chemistry

e-GOVERNANCE CELL

The e-Governance Cell was established in 2012 in the University. The cell plays a crucial role in leveraging electronic media to provide various services to students and staff at the University. It has made significant strides in enhancing the university's operational efficiency and accessibility. Following key functions carried out by the e-Governance Cell:

Online Pay Slip System:

This system allows employees to view and download their salary slips for each month. By adopting a paperless approach, it simplifies the payroll management process.

Online Examination Management System:

This system revolutionizes the examination process. It enables students to apply for end term semester/annual examinations online. Institutes and colleges can verify these applications using their respective User IDs. The system also handles the allocation of roll numbers to students and generates roll lists. Additionally, students can download their admit cards after their examination applications are verified. Examiners upload internal and external examination marks online. The data processing center then uses this information to process the results, create tabulation charts and mark sheets for internal university use. After the official declaration of results, students can download their mark sheets using their User ID and Password.

Online File Tracking System:

This system provides a streamlined approach to tracking internal correspondence files within the University. It monitors file activities, ensuring that important documents and information are efficiently managed.

Student Admission and Support:

With the use of Samarth Portal University facilitate and streamline the student admission process throughout their admission process. The overview of the key functionalities and benefits offered through the Samarth Portal:

- With the help of portal students submit their applications for admission. This digital platform simplifies the application process and minimizes paperwork.
- Detailed information regarding eligibility criteria, required documents, and admission deadlines is readily available on the portal. This transparency empowers students to understand and meet the necessary requirements for their chosen program.
- Applicants can monitor the progress of their admission applications in real-time. Updates on document verification, payment status, and other important information are accessible through the portal.
- The portal enables students to securely upload and submit necessary documents such as academic mark sheet, certificates, and identification proof, which ensures accuracy and efficiency in the verification process.
- The Samarth Portal incorporates a secure payment gateway for application fees and other related charges. This feature streamlines financial transactions, providing convenience for both applicants and the University.
- The portal serves as a centralized hub for providing guidance and support to prospective and current students. It offers resources, FAQs, and contact information for admission counselors, ensuring that students receive personalized assistance.
- After processing applications, the portal is used to publish merit lists. This transparent approach ensures fairness in the selection process and allows students to track their application status.
- Beyond admission, the portal serves as a central hub for ongoing support. Students can access relevant announcements, academic resources, and information about campus events.

Providing facility to access Degree certificates and marksheets via DigiLocker:

The e-Governance Cell collaborates with the data processing center to collect and process data. This data is then made available on the digital locker, accessible to students through the National Academic Depository. This integration with the Digilocker service, which falls under the Digital India initiative of the Ministry of Electronics and Information Technology, Government of India, enables students to easily access their grade sheets and degree certificates in a digital format.

This comprehensive suite of services provided by the e-Governance Cell underscores its commitment to modernize and streamline administrative processes at the University, ultimately benefiting both students and staff members.

Overall Coordinator (DPU, Computer Centre & e-Governance Cell): Prof. M.M.S. Rauthan, Department of Computer Science & Engineering

Coordinator e-Governance Cell: Dr. Pritam Singh Negi, Department of Computer Science & Engineering

LANGUAGE LAB

The Language Lab, Hemvati Nandan Bahuguna Garhwal University successfully organized *Language Proficiency Certificate Courses* in the English Language from 27.03.2023 to 03.06.2023. These certificate courses were offered at two levels – Basic and Advanced and a total of 59 students participated in these two programs.

Coordinator: Dr. Arushi Uniyal

RESEARCH AND DEVELOPMENT CELL (RDC)

Twenty seven sponsored projects worth ₹7,44,00,00 were sanctioned by different funding agencies. Moreover, 18 MoUs have been signed during the period. The rules and guidelines for the sponsored research projects have been revised. Funds for past minor projects have been released, and this year's (2023-24) minor faculty projects have been called. During this period the RDC was central to the creation and successful operation of the Incubation Centre, ensuring it became and remained a hub for innovation and entrepreneurship.

Since the establishment of the 'Technology Pre-Incubation Cell (TPIC)' significant milestones have been achieved. Notably, two MoUs were signed with 'iHUB DivyaSampark' and IIT Roorkee's Section 8 companies, formalizing collaboration on Cyber-Physical System (CPS) innovations. These partnerships are intended to foster opportunities for CPS-related advancements between HNB Garhwal University and iHUB DivyaSampark, with a focus on entrepreneurship development and training in emerging technologies such as Machine Learning (ML) and the Internet of Things (IoT). The efforts are concentrated on key areas including ed-tech, healthcare, climate change, and natural disaster forecasting. Additionally, CPS-related ideas for start-ups and existing industries are actively being scouted. Support is also being sought from various Government of India schemes, including NIDHI grants, BioNEST, BioEnabler grants, and the Biotechnology Ignition Grant from BIRAC. These initiatives are driven by a dedicated team of faculty members and students committed to fostering innovation and entrepreneurship within the CPS domain.

Director : Prof. Hemwati Nandan, Department of Physics, HNB Garhwal University.

UNIVERSITY SWAYAM CELL

The SWAYAM cell (<https://youtu.be/meKB146oBQ4>) was started in January 2019 at the University for promoting and adopting SWAYAM MOOCs and digital learning. Due to the awareness programmes by SWAYAM Cell Garhwal University has got a 21st rank in the list of top 50 universities of the country for teaching-learning and credit transfer through SWAYAM courses as per the recent Survey by Ministry of Education.

SWAYAM is a programme of Ministry of Education, Gov of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

Activities of SWAYAM Cell (2023-24)

- The SWAYAM and ICT Integration policy of University was framed in tune of NEP implementation. The policy was prepared for adoption of ICT enabled learning, SWAYM MOOCs and credit transfer of SWAYAM MOOCs in the university in May 2024.
- Hosted SWAYAM MOOC: Academic Writing: Dr Ajay Semalty- Course Coordinator and Dr Mona Semalty Co-Course Coordinator (15 week, 40 e- modules; 4 credit course); https://onlinecourses.swayam2.ac.in/cec24_ge17/preview, In 2023: Total enrollments: 12854; Exam registration: 1500.
- Dr Ajay Semalty, Coordinator, SWAYAM Cell, delivered more than 30 lectures for promotion of SWAYM MOOCs in various UGC-MMTTCs.
- As part of SWAYAM outreach program, participated as a trainer in a workshop "MOOC on Fundamentals of ICT Tools for School Teachers", SCERT Uttarakhand, 15-19 Feb. 2024.

Coordinator: Dr. Ajay Semalty, Department of Pharmaceutical Science

STUDENTS' WELFARE & ACTIVITIES

The Dean of Students' Welfare (DSW) helps the students with respect to (i) obtaining admission to the programmes of study in the University and other institutions and the proper pursuit of such programmes, (ii) supervising lodging and boarding arrangements, (iii) choice of suitable part-time vocational, training and other courses, pastimes and interests, (iv) obtaining advice and assistance in medical and health matters, (v) securing scholarships, stipendiary, part-time employment and other pecuniary support, (vi) availing travel facilities for educational excursions and vacations, (vii) pursuing opportunities for further studies abroad and employment, (viii) conducting themselves in the pursuit of their studies as to maintain the traditions of the University and, (ix) career counselling and placement activities.

The DSW is the Ex-Officio Chairperson of the Students' Council. The Office of the Dean of Students' Welfare is located in the Birla Campus, Srinagar. The responsibilities of the Dean of Students' Welfare in respect to Tehri and Pauri Campuses are discharged by the Deputy and Assistant Dean(s) of Students' Welfare in consultation with the Director of the Campus.

THE UNIVERSITY LIBRARY SYSTEM

The HNB Garhwal University Library system was established in 1973 as a central facility to fulfill the information needs of the University's academic community. The University's Central Library was relocated to its new permanent building and began functioning in 1989. The Central Library building has a total plinth area of approximately 44,700 sq ft, including a newly separate, fully air-conditioned reading hall with a seating capacity for 150 users. The new reading hall also has a ramp facility for differently-abled users. In addition to the Central Library at the Birla Campus, a well-equipped library was established at the Chauras Campus in 2003, with a strong collection, especially in subjects like science, technology, and management. Both the Tehri and Pauri campuses of the University also have libraries with an excellent collection of learning resources. The library's main function includes the development of knowledge resources, technical processing, organization, retrieval, and dissemination of information to users. In addition to traditional services, the HNBGU Library System provides value-added services such as subject support and research support.

The Central Library, a three-storey building at the Birla Campus, has a reading facility for 350 users at a time. Apart from the Central Library, all the campuses have well-developed libraries with reasonably good facilities to cater to users' information needs.

The knowledge resources available in the University system are categorized into nine collections, arranged and maintained separately:

1. Textbook Collection
2. Reference Collection
3. Periodical and Magazine Collection
4. Ph.D. Theses Collection
5. Reports and Conference Proceedings Collection
6. Donated Collection of Eminent Scholars, which includes essential manuscripts and rare documents
7. Himalayan and Uttarakhand Collection
8. Audio-Visual Collection
9. Digital and Electronic Collection

UNIVERSITY SCIENCE INSTRUMENTATION CENTRE (USIC)

The university science instrumentation centre (USIC) is dedicated to extend an instrumentation culture in the society, in general, and in the higher education system, in particular, and to spread instrumentation awareness, to generate manpower at different levels and to promote R & D programs. The USIC is well equipped with the state-of-art facilities required for research purposes. These include X-ray Diffractometer (XRD), Scanning electron microscope with energy dispersive spectrometer (SEM-EDS), Inductive coupled plasma mass spectrometer with laser ablation system (LA-ICPMS), Spectroscopic ellipsometer, Liquid Nitrogen Plant, Ferroelectric PE Loop Tracer and Piezometer, and accessories, UV-Vis-NIR spectrophotometer, etc. It provides services to the research scholars and faculty members on nominal payment basis. Besides, the facilities are also extended to the affiliated colleges and other research institutions in the region.

COMPUTER CENTRE

The University Grants Commission had sanctioned and established the Computer Center with clearly defined aims and objectives (a) research and training, (b) in application of Computer in every field/subject in the university in the academic year 1986-1987 and Computer Centre shall work as an independent central facility providing services to all academic departments and administrative sections / divisions of the University. Since its inception during the VII five-year plan (1986-1987), the Computer Centre has contributed significantly in developing the IT infrastructure of the University and fulfilling the computing requirement of the university. In view of the importance of technological advancement and increasing dependence on IT, university has drawn its priorities on IT infrastructure and encouraging the use of IT in the university. IT Infrastructure provided by the Computer Centre are as follows:

NMEICT/ NKN Project:

Under the National Mission on Education through ICT (NMEICT) policy, sanctioned by the Ministry of Human Resource Development in the Government of India, New Delhi, the university has been granted a high-speed 1 Gbps connectivity link. This university consists of three campuses, all interconnected via IP. Each of these campuses is equipped with a 100 Mbps leased line, with Tehri and Pauri campuses set to activate their lines very soon. The purpose of this campus network is to facilitate inter-departmental and campus-to-campus communication, fostering effective collaboration through the 1 Gbps connectivity link. The objective of the NMEICT Project is to establish one network facilitating inter-university closed user groups, multi-disciplinary research, collaborative research with other national labs, virtual classrooms, access to data center resources, participation in global research endeavors such as LHC/ALLICE, and access to the internet and global research network.

Video Conferencing Facility: The project also offers a video conferencing facility used for meetings with organizations such as CIC, MHRD, and UGC, providing bandwidth and technical support to platforms like Swayam, MooC, and NPTEL.

Online Examination: The University provides online entrance examination facilities using its existing network. Recently, CUET online examinations were conducted using the university's IT facilities.

Wi-Fi Facilities: The University leverages its network infrastructure for online entrance examinations, including recent CUET exams. Both BCC Srinagar and Chauras campuses are fully equipped with Wi-Fi facilities. Currently, approximately 4000 users (students, faculty, and staff) access Wi-Fi in these campuses. Hostel residents enjoy 24/7 Wi-Fi access, and the university website is regularly updated using the existing Wi-Fi network to ensure it reflects the latest information.

Email Facilities: Approximately 500 users (research scholars, faculty, and staff) across all campuses utilize email facilities through ERNET with the @hnbgu.ac.in domain.

UGC-INFONET LAB

The INFONET is a significant initiative undertaken by the University Grants Commission (UGC) to bring the benefits of Information and Communication Technology (ICT) to all the Universities and Colleges in India. The primary aim of the INFONET is to provide electronic access to the literature. The connectivity will facilitate the University to communicate with the other Universities in the country, abroad and also share library resources established by the Information and Library Network (INFLIBNET).

Central Library, HNBGU has a state-of-the-art Digital Lab known as 'INFONET / Digital Library', have 25 computers with a 100 Mbps fiber line and online UPS (20KV) backups. The users, i.e., faculty members, research scholars, and students, can access and browse e-resources subscribed by the HNBGU Library System.

HNBGU Library Systems subscribed a wide range of e-resources, including 15,739 e-books from the 12 reputed publishers, 419 e-journals and 7 databases. HNBGU E-Library and Mobile App, i.e., 'mLibrary – Your MobileLibrary', can also be accessed from this Digital Lab through the KNIMBUS Platform. Apart from the subscribed e-resources, open-access peer-reviewed literature, which includes 1,41,792 e-books, 2341 full-text e-journals, e-magazines, and videos, can also be accessed through the KNIMBUS Platform.

DATA PROCESSING CENTRE

Data Processing Centre was established in 2003 with the approval of university and state government. The main aim of the centre is to implement an efficient and transparent system, utilizing the state of art Information Technology resources for effective information storage, retrieval and transfer mainly related to computerization of University results, generation of mark sheet, degree etc. of the various examinations conducted by the university.

Data Processing Centre is well equipped with ICR/ OMR and high-speed Line Printers along with Digital Photocopier and Duplo Machine. A customized Application Software 'Examination Result Processing System (ERPS)' is being utilizing for processing the results of various examinations conducted by the University including printing of mark sheets, tabulation charts and degree certificates of students.

MUSEUM OF HIMALAYAN ARCHAEOLOGY AND ETHNOGRAPHY

The University Museum of Himalayan Archaeology and Ethnography was established in 1980 by late Dr. K.P. Nautiyal, former Head of Department of History & Archaeology department. In 1982, the museum was shifted to a new spacious building at Chauras Campus, enabling display of the antiquities, excavated finds and other important collection of Terracotta Art, Bronzes, Sculptures, Manuscripts, Coins, Paintings, Inscriptions and the rich ethnographic material, thus showcasing the rich heritage of Uttarakhand Himalaya.

The new building of Museum has 13 galleries spreading in ground floor with a covered area of 1000 Sq. Metre. These galleries are being temporarily used for displaying the entire collection in a larger space. It will have a separate space for office, laboratories, library, photography, drafting room, conservation and multimedia laboratories, store and lobby etc. At present the museum is displaying the prehistoric and Proto-historic materials, Terracotta art, Sculptures, Paintings, Manuscripts, and Bronzes from different archaeological sites of the region as well as ethnographic materials to showcase the life and culture of the Uttarakhand society. Additionally, through grants received from the University over the past years, multimedia devices have been introduced to make the museum more interactive and experiential for visitors.

GOVERNMENT E-MARKETPLACE (GEM)

Government e-Marketplace (GeM) has been envisaged by Government of India as the National Procurement Portal of India. In order to shift to a more efficient procurement ecosystem, GeM has been providing a common, unified and transparent portal for procurement of goods and services exclusively for Government organizations. It covers all Government organization ranging from Defence establishments to local bodies.

DGS&D or any other agency authorized by the Government will host an online Government e-marketplace (GeM) for procurement of common use Goods and Services. The procurement of Goods and Services by Ministries or departments will be mandatory for Goods or services available in GeM. The credentials of suppliers on GeM are certified by GeM.

GeM 4.0 provide a more robust and flexible software platform and is a major step in propelling GeM to become a truly world class e-Marketplace which simplify the complex procurement process to some extent. Decentralization is key approach on GeM 3.0 for Buyer registration. Buyer onboarding and buyer management is decentralized. Every authorized buyer will be able to register himself online. This allows a large number of buyers to be on boarded and their management over their entire lifecycle on GeM.

The principle of segregation of duties is adopted while defining buyers in the system. Four types of users are involved in the process of Procurement made through GeM during financial year 2017-18.

Verifying/authenticating officer: Any officer from administration of the organization who is authorized to verify the details of primary user can be the Verifying/authenticating officer. She/He must be at the level of Under Secretary/Equivalent or above.

The Ministry of Finance, Department of Expenditure, Govt. of India has formulated and notified General Financial Rules 2017 vide its Office Memorandum, F.No.14 (3)/2015-E-II (A) dated 8th March 2017. H.N.B. Garhwal University has started online procurement of Goods through GeM from July 2017 and adopted and implemented "The General Financial Rules 2017" with the approval of Hon'ble Vice Chancellor with immediate effect vide its Circular No. HNBGU/FO/2017/304 dated 12-06-2017.

Officer-In-Charge: Dr. Sanjay Chamoli, Assistant Registrar (S&P)

GUEST HOUSE

The university maintains the following guest houses at the different campuses for the visitors:

Academic Activity Centre (AAC), Chauras Campus: Located over the right-side bank of River Alaknanda, a state-of-art facility has been set up at the Chauras campus. The AAC has well-furnished 20 AC Rooms and 06 Suites: a lounge and a dining hall with a capacity of 30 persons. It also has an AC Meeting Hall with a capacity of 40 persons is equipped with video conference, LCD Screen, 17 desk mikes and electronic podium. Likewise, audio-visual facility fitted Seminar Hall with a capacity of 80 persons is also available. The AAC has facilities like DTH, Wi-Fi, Control Room equipped with desktop and printer for meeting, seminar etc.).

Incharge: Dr. Sarvesh Uniyal, Project Officer, Center for Mountain Tourism and Hospitality Studies

University Guest House, Srinagar: Situated at a vantage location, a panoramic view of the Srinagar town along the Alaknanda valley is seen from here. The guest house with 08 AC rooms has catering service in dining hall and has all basic facilities.

In-charge: Dr. Sarvesh Uniyal, Project Officer, Center for Mountain Tourism and Hospitality Studies

Guest House, SRT Campus, Tehri: A compact 03 room facility is available at Tehri Campus.

HEALTH CENTRE

Health Centre is established in the University to provide the students and staff the best and easily accessible medical facility. Health Centre is run by trained and qualified team of doctors. In OPD, besides routine checkups like BP, sugar level test etc. medicine is prescribed and provided free of cost to students and staff. The health facility apart from Srinagar Campus is extended to Tehri Campus of the University.

ENGINEERING SERVICES

CONSTRUCTION AND MAINTENANCE

The Construction and Maintenance establishment is one of the most important functionaries of the University as various developmental activities and maintenance of existing infrastructure as well as future planning in terms of infrastructure development that could cater the requirements of various academic courses is being done by the section. In view of distantly located Campuses of the University and gradually increasing infrastructure so as the multi dimensional activities of the University, the responsibility of the section has been increased manifold. Within the available resources, the section is holding all such responsibility with great potential.

STATUS OF VARIOUS DEVELOPMENTAL WORKS

After converting into a Central University, the University emphasized the strengthening of basic infrastructure facilities of departments, the classrooms, the labs, the faculty rooms and student facilities hostel, toilet facilities and facilities of accessibility into the Campuses. Accordingly, in the year of report 2023-24, the University emphasized the completion of ongoing projects and facilities of the students.

THE BRIEF STATUS OF THE CONSTRUCTION WORKS OF THE UNIVERSITY DURING THE PERIOD OF REPORT (2023-24) IS AS UNDER:

1- Buildings:

- A- **Building Projects approved under HEFA-** Ministry of Education approved 03 building projects through HEFA [Higher Education Funding Agency]. HEFA released Rs. 4.46 Crore as 1st charge in February 2024. Implementations of the Schemes are in Progress by construction agency CPWD.

The details of the schemes are as below:

(Amount ₹ in lacs)

LAND DEVELOPMENT OF UNIVERSITY CAMPUSES

The Nodal Officer of Land Development Wing Engineer M.P. Dobhal has envisaged a unique programme named CAMPUS HORTICULTURE INITIATIVES THROUGH REFORMING ACTIVITIES [CHITRA] for the development of the Campuses and waste land as well. Under the programme CHITRA, a huge forest is being developed at Srinagar Campus with the help of Dr. Vijaykant Purohit, Senior Scientific Officer, HAPPRC. More than 2800 variety of plants have been planted on waste land and the Campuses at Srinagar and Chauras are being developed/beautified as Green Campus as per the Green Plan prepared for the purpose.

1	Enhancing the livelihood of remote area farmers especially Bhotia Community through the Farmers participatory collection, characterization and conservation of Faran in Chamoli district of Uttarakhand	Dr. D.K. Rana (Mentor)	18-11-2021	03	Department of Science and Technology, Govt. of India	19.72	
2	Demonstration of Modern Fruit Production Technologies for Productivity Enhancement, Promoting Awareness and their Commercial Adaptation in Mid Hills of Uttarakhand	Dr. T.S. Bisht	15-12-2020	03	Horticulture Mission for North East and Himalayan States, Govt. of Uttarakhand	5.0	
3	Ethno-Medicinal Properties, Socio-Economic Importance and Conservation Strategies of Underutilized and Unexploited Vegetables of Hilly Tract of Uttarakhand Himalayan Regions.	Dr. K.N. Shah (PI) and Dr. D.K. Rana (Co-PI)	17-06-2022	02	Uttarakhand State Council for Science & Technology	7.578	

SCHOOL OF EARTH SCIENCE

Department of Geography

1	Constraining the Little Ice-Age in the Western Himalaya	Dr. Rakesh Saini	2022	03	SERB	79.08	6.00
---	---	------------------	------	----	------	-------	------

Department of Geology

1	Understanding and modelling the interactions between Debris and glacier Ice in a changing Climate (D-ICE)	Prof. H C Nainwal	2023	04	Ministry of Earth Science, GoI, New Delhi	80.00	9.40
---	---	-------------------	------	----	---	-------	------

SCHOOL OF LIFE SCIENCES**Department of Biotechnology**

1	Screening and evaluation of thermophilic bacteria for the bioremediation of heavy metals present in waste water of industrial area of Roshanabad, district Haridwar, Uttarakhand	Dr. Mamta Arya	25/04/2022	03	Uttarakhand Council for Biotechnology (UCB)	9.70	1.98
2	Development of nanoparticle based herbal products using invasive plant species	Co-PI- Dr. Pooja Saklani	27/03/2023	03	Uttarakhand Council for Biotechnology (UCB)	66.02	1.05

Department of Botany and Microbiology

1	Ecosystem-Based Approaches for Sustainable Livelihood Development in Central Himalayan Region	Dr. B.S. Bhandari	26/02/2024	03	G.B. Pant National Institute of Himalayan Environment, Almora	19.52	6.25
2	Potential of algal biofilms in bioremediation of domestic and industrial wastewaters: a promising approach for industrial applications.	Dr. Pragati Kumari under the mentorship of Dr. Dhananjay Kumar	13.10.2021	03	DST, New Delhi	27.00	14.60

Department of Environmental Sciences

1	Multiplication, Cultivation, Standardization of Post-Harvest Processing and Product Development of High-Altitude Aromatic Plants of Western and Eastern Himalaya”(Under Himalayan Bioresource mission)	Prof. R. K. Maikhuri		03	DBT, Govt. of India	170	
---	--	----------------------	--	----	---------------------	-----	--

Department of Himalayan Aquatic Biodiversity

1	Investigation of Microplastics in the drinking water treatment plant and its distribution system at Srinagar, Garhwal, Uttarakhand.	Dr. Jaspal Singh Chauhan	17/06/2022	02	Uttarakhand State Council for Science & Technology	5.24	-
---	---	--------------------------	------------	----	--	------	---

SCHOOL OF SCIENCES**Department of Chemistry**

1	Green synthesis of plant mediated metallic nanoparticles and evaluation of their antineoplastic	Prof. M.C. Purohit	11/10/2021	02	UCOST, Dehradun	6.42	-
---	---	--------------------	------------	----	-----------------	------	---

Department of Mathematics

1	Flow Instability Perspective of Pipe Flow Through Porous Medium: A LTNE Approach	Dr. Ashok Kumar	2022	03	SERB	6.00	2.00
---	--	-----------------	------	----	------	------	------

Department of Physics

1	Interseasonal and Interannual Study of Moisture Flux over Border Area Districts of Uttarakhand using Advanced Reanalysis Datasets	Prof. Hemwati Nandan	20-02-2024	03	UCOST	7.00	-
2	What impact do potential cloud-forming particles have on extreme weather events using machine learning and artificial intelligence approach over Central Himalayan Region	Dr. Alok Sagar Gautam	02/2023 to 02/2026	03	Science and Engineering Research Board (SERB), DST, New Delhi	22.50	-
3	Investigation of thermoelectric properties of copper sulfide and Ag doped copper sulfide nanoparticles prepared by green approach	Dr. Shubhra Kala	24/01/24	02	HNBGU	2.50	-
4	Study of ferroelectricity in the magnetic state of spin-chain based system: Exploration of new multiferroic materials	Dr. Sanjay Kumar Upadhyay	15/05/2023	03	UGC DAE CSR Indore	8.00	2.28
5	Study of Functional Properties of Haldane Spin Chain Based Magneto-Electrics via Strain Engineering	Dr. Sanjay Kumar Upadhyay	22/12/2023	02	SERB DST New Delhi	30.00	23.02

SCHOOL OF ENGINEERING AND TECHNOLOGY**Department of Mechanical Engineering**

1	Investigating Mechanical and Tribological Properties of Hybrid Aluminum Metal Foam for automotive application	Brijesh Gangil		02	HNBGU	1.76	-
2	Development of Jute composite for application in Prosthetic leg	Dr. T. Gangopadhyay (PI) Dr. Brijesh Gangil(Co-PI)		03	National Jute Board, Kolkata	39.00	

SCHOOL OF HUMANITIES AND SOCIAL SCIENCES**Department of History including Ancient Indian History, Culture and Archaeology**

1	Multidisciplinary study of Kotha (Semi -Royal Architecture): A dying cultural and architectural heritage of Garhwal, Central Himalaya.	Dr. Nagendra Rawat	09.03.2023	02	ICSSR	13.00	
---	--	--------------------	------------	----	-------	-------	--

Department of Political Science

1	Uttarakhand ke Van Aandolanon ka Adhyatmik evam Darshanik Adhyayan	Prof. M.M. Semwal	2021 -2024	03	ICPR	5.00	-

Department of Forestry and Natural Resources

S. No.	Name of Faculty	Category/ level of participation	Title of paper	Title of Conference/ Seminar/ Webinar/ Workshop, etc.	Date	Organized by
1	Dr. L. S. Kandari	Oral Presenter	Role of Ecotourism in Conservation and Sustainable Development of Mountain Ecosystem in Uttarakhand, India.	Prospectus and Challenges: Promoting Sustainable Farming System in Mountain Regions of Uttarakhand”	14/03/2024-16/03/2024	Department of Rural Technology, HNBSGU, Srinagar
2	Dr. L. S. Kandari	Oral Presenter	Indigenous and Traditional Ecological Knowledge: A Collaborative approach for Environmental Sustainability.	Days International Conference on “Impact of Climate Changes on Global Food, Livestock, Livelihood and Environmental Security: Advanced Approaches and Mitigation Strategies”	28/12/2023-30/12/2023	Navsari Agricultural University, Gujarat
3	Dr. L. S. Kandari	Participant	-	Introduction to Environmental Impact Assessment (EIA) in India	07/03/2024	Centre for Tropical Biodiversity Conservation
4	Dr. L. S. Kandari	Participant	-	National Conference on Forests and Innovation: New solutions for a better world	21/03/2024-22/03/2024	Uttarakhand Biodiversity Board & Department of Biotechnology, Graphic Era University
5	Dr. J.S. Butola	Co-chairperson	Current status and Challenges in medicinal plants in Uttarakhand	Prospects and Challenges: Promoting sustainable farming systems in mountain regions of Uttarakhand	14/03/2024-16/03/2024	
6	Dr. J.S. Butola	Resource person	Mushroom cultivation & Spawn production		3/10/2023-08/10/2023	
7	Dr. HimshikhaGusain	Co-chairperson	Traditional knowledge and Documentation	Prospects and Challenges: Promoting sustainable farming systems in mountain regions of Uttarakhand	14/03/2024-16/03/2024	Department of Rural Technology, HNBSGU, Srinagar
8	Dr. HimshikhaGusain	Oral presentation	Assessment and characterization of Hill agroforestry Systems along the altitudinal gradient in Bhillangana Valley, Garhwal Himalaya	International conference on Climate change and agriculture: Impacts, mitigation and adaptation for sustainable food security and livelihood improvement	01/03/2024-02/03/2024	ANDUAT, U.P
9	Dr. HimshikhaGusain	Resource person	Management adaptability and flexibility	Soft skill for Capacity Building of SOs of SSB	05/09/2023	SSB Training Centre, Srinagar Garhwal
10	Dr. HimshikhaGusain	Resource person	Management adaptability and flexibility	Soft skill for Capacity Building of SOs of SSB	15/12/2023	SSB Training Centre, Srinagar Garhwal
11	Dr. HimshikhaGusain	Participant		World Ayurveda Day	03/09/2023	Department of Forestry and Natural Resources

High Altitude Plant Physiology Research Centre

1	Dr. V.K. Purohit	Speaker	Promotion of Medicinal and Aromatic Plants for the purpose of Tourist in Uttarakhand	Tourist Destination Guide Training Program	14/07/2023-23/07/2023	HNBGU, Tourism Development Council and 'Intact' Indian Cultural Fund
2	Dr. V.K. Purohit	Resource person/Speaker	Millets – The Nutri Cereals	Getting acquainted with local products, coarse grains and their use and importance linking it with self-employment" under the International Millets Mission 2023	01/08/2023-03/08/2023	District Education and Training Centre, Chadigaon, Pauri (Garhwal)
3	Dr. V.K. Purohit	Expert/Speaker	Kutki (Picrorhizakurroa): A highly successful plants in Himalayan region	National Conference on Academia-Industry Interface for Promoting Entrepreneurship in Medicinal and Aromatic Plants (PEMAP-2023)	24/08/2023-25/08/2023	Department of Botany, Central University of Jammu from at Central University of Jammu, Rahya-Suchani (Bagla), J&K
4	Dr. V.K. Purohit	Speaker	Climate Change and Livelihood	Swarnim Amrit Sandesh Yatra and Seminar on 'Climate Change and Environmental Issues'	18/12/2023-21/12/2023	Uttarakhand State Council for Science and Technology (UCOST), Dehradun
5	Dr. Babita Patni	Participant	Melatonin-Mediated Plant Growth Response under Abiotic Stress Condition: A Comprehensive Review	National Conference on Innosustain 2023: Pursuit for Sustainable Development Goal	22-23 Sept, 2023	Law Collage Dehradun Uttaranchal University, Uttarakhand.
6	Dr. Babita Patni	Participant	Impact of Drought Stress on Secondary Metabolites in Medicinal Plants of the Himalayan Region: A Comprehensive Analysis	National Conference of Academia-Industry Interface for Promoting Entrepreneurship in Medicinal and Aromatic Plants (PEMAP-2023)	24/08/2023-25/08/2023	Department of Botany, Central University of Jammu, Rahya-Suchani (Bagla), J&K
7	Dr. Babita Patni	Participant	Exogenous Application of Melatonin for Climate-Resilient Agriculture in the Himalayan Regions	National Conference on Prospecting Sustainable Farming Systems in Mountain Regions of Uttarakhand	14/03/2024-16/03/2024	Department of Rural Technology, HNBGU Srinagar
8	Dr. Babita Patni	Participant	Comparative Study on the Biochemical Profile and Antioxidant Activity of <i>Picrorhizakurroo</i> Ro lye ex Benth. Obtained from Uttarakhand	National Conference on Academia-Industry Interface for Promoting Entrepreneurship in Medicinal and Aromatic Plants [PEMAP-2023]	24/08/2023-25/08/2023	Department of Botany, Central University Jammu
9	Vijay Laxmi	Speaker	Exploring Indigenous Medicinal Plants knowledge in the villages of Rudrapryag District	Grassroot innovation, Traditional Knowledge and innovative practices from District Chamoli of Uttarakhand	16/03/2024	Department of Forestry and Natural Resources, HNBGU, Srinagar
10	Vijay Laxmi	Speaker	Techniques and Instrumentation in Plant Physiology	Atmospheric aerosol measurements, source apportionment and prediction over Bharat	18/03/2024-22/03/2024	Department of Physics, HNBGU, Srinagar
11	Vijay Laxmi	Participant	Exploring Indigenous Medicinal Plants	National Conference on Prospects and challenges:	14/03/2024-16/03/2024	Department of Rural Technology,

			knowledge in the villages of Rudrapryag District	Promoting sustainable farming systems in mountain regions of Uttarakhand		HNBGU, Srinagar
12	Vijay Laxmi	Participant	Seed to seed interaction of Himalayan Knotweed with native alpine medicinal plant species	National conference on Academia industry interface for promoting entrepreneurship in medicinal plant	24/08/2023-25/08/2023	Department of Botany, Central University, Jammu
13	Vijay Laxmi	Participant	Investigating variation in the phytoconstituent content of the medicinal plant <i>Zanthoxylum armatum</i> DC. caused by geographical conditions and plant gender	National conference on Academia industry interface for promoting entrepreneurship in medicinal plant	24/08/2023-25/08/2023	Department of Botany, Central University, Jammu
14	Vijay Laxmi	Participant	Managing water scarcity in food production through Innovation practice and tools: Climate Change Adaptation Strategies for Agriculture	5 th International Conference Climate Change and Its Impact (CCI-2023)	09/06/2023 - 11/06/2023	Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir, Srinagar, J&K.
15	Vijay Laxmi	Participant	Hydroponics and Aeroponics: As a proficient technique for cultivation of Medicinal and Aromatic Plants	6th International Conference on Advances in Agriculture Technology and Allied Sciences	19/06/2023	Society of Agricultural Research and Social Development, Loyola Academy, Secunderabad, Telangana
16	Vijay Laxmi	Participant	Seasonal variations in antioxidant activity of <i>Acorus calamus</i> L. from western Himalayan region	National conference on academia- industry interface for promoting entrepreneurship in Medicinal and Aromatic Plants	24/08/2023 - 25/08/2023	Department of Botany, Central University, Rahya-Suchani (Bagla)
17	Vijay Laxmi	Participant	Elevated nutrients caused phytotoxicity in aeroponics farming	Holistic Innovations and technical advances for sustainable agriculture	04/03/2024 -06/03/2024	Sri Konda Laxman Telangana State Horticultural University, Hyderabad Just Agriculture Education Group

Department of Horticulture

1	Dr. D.K. Rana	Participant	NA	International Conference on "Current Advances in Agriculture, Animal Husbandry and Allied Sciences"	10/07/2023-11/07/2023	Agricultural Research Council of Nigeria and National Agriculture Development Co-operative Ltd. Bara mulla (J & K)
---	---------------	-------------	----	---	-----------------------	--

Department of Rural Technology

1	Prof. R.S. Negi	Lead Speaker		Promotion of Farming, Processing, Marketing and Exports of Organic, Natural and Herbal Products for Viksit Bharat through Cooperatives and Unnat	20/03/2024-21/03/2024	Department of Rural Development, NITRR Chandigarh
---	-----------------	--------------	--	--	-----------------------	---

				Bharat Abhiyan		
2	Prof. R.S. Negi	Lead Speaker		18 th Uttarakhand State Science and Technology Congress-2024	08/02/2024-09/02/2024	Uttarakhand State Council for Science and Technology, Dehradun at Uttarakhand Open University, Haldwani
3	Prof. R.S. Negi	Expert		18 th Uttarakhand State Science and Technology Congress-2024	08/02/2024-09/02/2024	Uttarakhand State Council for Science and Technology, Dehradun at Uttarakhand Open University, Haldwani
4	Prof. R.S. Negi	Participant		5 th International Conference on Sustainable Natural Resource Management under Global Climate Change	07/11/2023-10/11/2023	Soil conservation Society of India at New Delhi, India
5	Prof. R.S. Negi	Participant		National Youth Conference on Indian Knowledge Systems 2023,	25/08/2023-27/08/2023	Indian Institute of Technology, Roorkee in association with the IKS division at AICTE, Ministry of Education

Department of Seed Science & Technology

1	Deepthi Prabha	Speaker	A comparative study of the performance of finger millet germplasm from Garhwal region and South Indian varieties	National conference on Quality seed production: Backbone to the National food security	04/03/2024-06/03/2024	GBPUA&T and ICAR-MAU, UP
2	Deepthi Prabha	Speaker	Potential assessment of plant growth promoting bacteria on growth, yield and NUE of finger millet	National conference on prospects and challenges: promoting sustainable farming system in Mountain region	14/03/2024-16/03/2024	Dept of Rural Technology, HNBGU, Srinagar, Garhwal
3	Deepthi Prabha	Invited speaker	Training on preparation of seed balls and distribution	Earth Day-2023 Theme: Invest in your planet	15/04/2023-22/04/2023	Dept of Physics, HNBGU, Srinagar, Garhwal

SCHOOL OF EARTH SCIENCES

Department of Defence, Strategic and Geopolitical Studies

1	Dr. Abhishek Kumar	Participant	--	Non-Traditional Security Issues in India.(Online Mode)	03/02/2024-04/02/2024	Dept. of Defence & Strategic Studies, C.S.J.M. University, D.A.V. (P.G.) College, Kanpur (UP)

SCHOOL OF LIFE SCIENCES

Department of Biotechnology

1	Dr. Mamta Arya	Participant	Screening of potent manganese (Mn^{2+}) ion resistant bacteria isolated from Gauri Kund hot-spring of Uttarakhand	International Conference Advancing Knowledge from Multidisciplinary Perspectives in Agricultural, Life sciences, Engineering and Technology-2023	18/03/2024-19/03/2024	SIDVI Foundation, Korkadu, Puducherry
2	Dr. Mamta Arya	Participant	Characterization, comprehensive, phytochemical analysis and ecological significance of two lichen species indigenous to the Shivalik ranges of Uttarakhand	National Conference on Quality Management System in Laboratories: NABL, ISO, Accreditation Bodies	18/01/2024-20/01/2024	DNA Labs, under the aegis of Uttarakhand Council for Science & Technology, Dehradun
3	Dr. Mamta Arya	Participant	Cultivation, phytochemical analysis and bioprospecting of lichenicolous fungi from <i>Heterodermiademeteta</i> : unveiling potential natural dyes	National Conference on Recent Trends & Challenges in Green Chemistry, Pollution Control and Climate Change (GPCC-2023)	14/12/2023-16/12/2023	Environmental Science Academy New Delhi and CSIR National Botanical Research Institute, Lucknow, Uttar Pradesh
4	Dr. Pooja Saklani	Participant	Workshop	08-Day Workshop onMolecular Docking	10-19 July, 2023	SIAS, Research Forum
5	Dr. Pooja saklani	Speaker	Eco-friendly synthesis of silver nanoparticles from some medicinal plants	National conference and XV convention of ISAB	23-25 November, 2023	University of Lucknow
6	Dr. Pooja Saklani	Speaker	Intellectual property rights: Safeguarding ideas and innovations	Workshop & lecture series on intellectual property rights (IPR)	01-19March, 2024	IPR Cell, ABP Government PG College Agastyamuni, Rudraprayag
7	Dr. Sudhir Kumar	Keynote Speaker	Exploring uncharacterized proteome of pathogens: <i>In-silico</i> characterization and annotation	International Conference on Computational Biology and Bioinformatics	18-20 August, 2023	Biomics Techno Solutions
8	Dr. Saurabh Yadav	Resource person	Scientific paper writing	One Week Faculty Development Program on “Academic Writing-Enhancing Scholarly Skills”	25-29 September, 2023	Faculty Development Centre, Sridev Suman Uttarakhand University, Uttarakhand
9	Dr. Saurabh Yadav	Resource person	Overview of IPR	Research Funding, Methodologies, and IP Awareness: Unraveling Interconnections for Effective Innovation	01-06 December, 2023	RAC (IPR Cell DIBNS) and Funded By UCOST Dehradun, Uttarakhand
10	Dr. Saurabh Yadav	Resource person	IPR ecosystem in India	Refresher Course (RC) on Bioscience & Biotechnology	02-15 February, 2024	UGC-MMTTC Jai Narain Vyas University Jodhpur, Rajasthan
11	Dr. Saurabh Yadav	Resource person	Dealing with submissions and post submission aspects of scientific manuscripts	Refresher Course (RC) on Bioscience & Biotechnology	02-15 February, 2024	UGC-MMTTC Jai Narain Vyas University Jodhpur, Rajasthan

Department of Botany and Microbiology

1	Dr. L. R. Dangwal	Key Note Speaker	Climate Crisis in Uttarakhand And Role of Youth in Curbing it	Climate Crisis in Uttarakhand workshop	18.05.2024	NSS Tehri Garhwal, Uttarakhand
2	Dr. Piya Roychoudhury	Speaker	Marginal seas as target of green revolution in food and technologies	Marginal seas webinars	11.01.2024	University of Szczecin, Poland

Department of Himalayan Aquatic Biodiversity

1	Dr. Jaspal Singh Chauhan	Participant	-	Securing Research Funding: Proposal Writing, IPR and Other Related Issues	11-12 December, 2023	RDC and IIC HNBGU Srinagar (Garhwal)
2	Dr. Prasant Arya	Participant	NA	Securing Research Funding: Proposal Writing, IPR and Other Related Issues	11-12 December, 2023	RDC and IIC HNBGU

Department of Zoology

1	Prof. R.S. Fartyal	Participant	Celebrating taxonomy: Red eyed insect	Revolutionizing Darwinian Synthesis: Fresh Perspectives and Future Challenges	09-11 February, 2023	Indian Society of Evolutionary Biologists at Ahmadabad University, Gujarat
2	Dr. Gunjan Goswami	Participant	-	Securing Research Funding: Proposal Writing, IPR and Other Related Issues	11-12 December, 2023	RDC and IIC, H.N.B. Garhwal University

SCHOOL OF SCIENCES**Department of Chemistry**

1	Prof. MC Purohit	Delivered talk	Recent trends in polymer and Chemical Sciences	Recent trends in polymer and Chemical Sciences	5-6 January, 2024	Department of Chemistry, MLS University Udaipur- Rajasthan
2	Prof. PP Badoni	Convener	Career Prospects in Chemistry	Career Prospects in Chemistry	24 April, 2023	HNBGU, Srinagar Garhwal
3	Dr. Sarita Gond	Member	-	Career Prospects in Chemistry	24 April, 2023	HNBGU, Srinagar Garhwal
4	Dr. Goutam Kumar	Member	-	Career Prospects in Chemistry	24 April, 2023	HNBGU, Srinagar Garhwal
5	Dr. Goutam Kumar	Participant	-	Preclinical Animal Models Studying Neurological Diseases'	24 March 2024	Society of Pharmaceutical Sciences and Research (SPSR)
6	Dr. Goutam Kumar	Presentation	Green Synthesis, characterization and investigation of biological applications of silver nanoparticles	Recent Advances & Innovations in Applied Sciences	12 August, 2023	IITyam India Academy, Delhi
7	Dr. Goutam Kumar	Participant	-	Sanjeevani: A Health Awareness Outreach cum Workshop	21 September, 2023	HNBGU, Srinagar Garhwal
8	Prof. PP Badoni	Panelist	-	Sanjeevani: A Health Awareness Outreach cum Workshop	21 September, 2023	HNBGU, Srinagar Garhwal
9	Dr P.K. Hota	Speaker	UV Spectroscopy: Principle and	Hands-on Training on Analytical Instrumentation	17/05/2024 - 23/05/2024	Department of Chemistry,

			Applications	Techniques for Applied Research <i>Under the Scheme of "KARYASHALA"</i> Through Accelerate Vigyan		HNBGU, Srinagar
10	Dr. Rohit Mahar	Invited Speaker	Hyphenated Technology: Integrating LC-MS-NMR for Investigating the Biomarkers in Metabolic Disorders	International e-Conference on Recent Advances in Science & Technology Institute of Applied Sciences & Technology	04/11/2023 - 05/11/2023	IITyam India Academy Delhi,
11	Dr. Rohit Mahar	Expert (Panelist)	Innovator of the Year discipline for the 18 th Congress 2024 (USSTC-2024)	Uttarakhand State Science and Technology	08/02/2024 - 09/02/2024	Uttarakhand Open University (UoU), Haldwani, Nainital in collaboration with Kumaun University, Nainital
12	Dr. Rohit Mahar	Invited Speaker	Gas Chromatography-Mass Spectrometry (GC-MS): A Unified Approach to Multidisciplinary Research	International Workshop and Winter School on Hands-on-Training on Instrumentation and Analytical Techniques for Atmospheric Aerosol Measurements	18/03/2024 - 22/03/2024	Department of Physics, H.N.B. Garhwal University
13	Dr. Bhaskaran	Convenor		Skill Development Program on Sophisticated Research Instruments	12/05/2023 - 18/05/2023	STUTI supported by DST, GOI. organized by the Department of Chemistry, H.N.B Garhwal University
14	Dr. Surendra Puri	Co-convenor		Skill Development Program on Sophisticated Research Instruments	12/05/2023 - 18/05/2023	STUTI supported by DST, GOI. organized by the Department of Chemistry, H.N.B Garhwal University
15	Dr. Rohit Mahar	Co-convenor		Skill Development Program on Sophisticated Research Instruments	12/05/2023 - 18/05/2023	STUTI supported of DST, GOI. organized by the Department of Chemistry, H.N.B Garhwal University, Srinagar (Garhwal), Uttarakhand
16	Dr. Rohit Mahar	Invited Speaker	Cancer: Introduction, Cause, Prevalence, Diagnosis, and Therapy	Sanjeevani: A Health Awareness Outreach cum Workshop	21 September, 2023	HNBGU, Srinagar Garhwal
17	Dr. Surendra Puri	Invited Speaker	Tuberculosis (TB): Symptoms, Diagnosis, Treatment and Future Challenges	Sanjeevani: A Health Awareness Outreach cum Workshop	21 September, 2023	HNBGU, Srinagar Garhwal
18	Dr. Pawan Kumar	Joint Secretary/Demonstrator		Skill Development Program on Sophisticated Research Instruments	12/05/2023 - 18/05/2023	STUTI supported by DST, GOI. organized by Department of Chemistry, H.N.B Garhwal University,

						Srinagar (Garhwal), Uttarakhand
19	Dr. Pawan Kumar	Participant		Intellectual Property Awareness /Training Program	10/02/2023	Intellectual Property Office, India
20	Jitendra	Participant	Cu ²⁺ Ion-Selective Electrodes Based On Chelating Heterocyclic Compounds	National Conference On Advances in Polymer Materials	25-26 April, 2023	Department of Chemistry, College of Basic Sciences & Humanities, G.B.Pant University of Agriculture & Technology Pantnagar (Uttarakhand)
21	Jitendra	Participant	Development of Iron(III) Selective Coated Graphite Electrodes Based on Schiff Bases	International Conference on Chemical and Biological Sciences (ICCBS)	27-29 January, 2024	Department of Chemistry, ARSD College, New Delhi Delhi University
22	Namrata Ghildiyal	Coordinator and session Chair on		Skill Development Programme on Sophisticated Research Instrument	12-18 May 2023	Department of Chemistry, H.N.B. Garhwal University, Srinagar-Garhwal in association with Banathali Vidyapeeth, Rajasthan.
23	Namrata Ghildiyal	Participant	Chemical Characterization of Extract from Citrus Fruit Peels for Potential Light-Harvesting Property	International Conference on 'Integrative Chemical Science for Health & Environment-2023	6-8 October, 2023	Deshbandhu College-Department of Chemistry
24	Namrata Ghildiyal	Participant	Characterization of Extract of Petals of Rhododendron, a Local Flower of Uttarakhand, India, for Light Harvesting Potential in Nanoparticle-Based Dye-Sensitized Solar Cells	International Conference on 'Integrative Chemical Science for Health & Environment-2023	6-8 October, 2023	Deshbandhu College-Department of Chemistry
25	Dr. Bhaskaran	Co-ordinator		Intellectual Property Awareness /Training Program	10/02/2023	Department of Chemistry, HNBSGU
