**Batch2022 B.Sc / B.Com/ B.A. Students to Provide Exit or Continuation
Option for Four Year Under Graduate programme**

The University is making necessary arrangements to implement the guidelines of NEP-2020. In this regard, the Batch2022 B.Sc / B.Com/ BA students who have successfully completed all six semesters of their academic programme are informed to provide their option for Exit or Continuation for Four Year Undergraduate Programme (FYUP). The procedure to provide the Exit / Continue Option is:

1. The mentioned students may login to their respective dashboards through <https://online.hnbg.ac.in>.
2. The student may then click on one of the buttons, i.e. Exit from FYUP or Continue in FYUP. These buttons are placed just below the scorecard button for the sixth semester, with the heading as "Continuation in Fourth Year of Undergraduate Programme (FYUP) or Voluntary Exit After Three Years".
3. On clicking the Exit from FYUP / Continue in FYUP button, the students shall be provided with a declaration, which the student needs to accept by clicking on the Exit / Continue button.
4. The student then shall be redirected to another page where the final confirmation shall be taken by clicking the button for Exit from FYUP / Continue in FYUP on the page.
5. Once the student has provided the confirmation, the buttons for Exit FYUP / Continue FYUP from the student dashboard shall disappear, and the option chosen by the student will be visible instead.

Note: The student mandatorily needs to provide an option to complete the formalities for continuation or exit. The students who choose to continue in FYUP shall be enrolled for an honour degree in the respective programme, whereas the students who opt to exit from FYUP shall be eligible to apply for the respective degree.
