About Seminar

The National Education Policy (NEP) 2020 has marked a transformative milestone in India's educational landscape, redefining the vision for learning and development from the foundational to the higher-education level. As we commemorate five years since its launch, this National Seminar, ***“Five Years of National Education Policy 2020: Reflections and Way Forward,”*** brings together educators, policymakers, researchers, and other stakeholders to evaluate the progress, share best practices, and chart future directions. The seminar aims to critically examine how the envisioned policy reforms have translated into meaningful changes on the ground and what steps are necessary to realize the full potential of NEP 2020.

Objectives:

- To assess the implementation of NEP 2020 across various states and institutions.
- To examine the impact of NEP 2020 on learners and educators.
- To promote innovative practices and best initiatives aligned with NEP 2020.
- To suggest policy recommendations for the future advancement of NEP 2020

Sub Themes:

- Implementation of NEP 2020 across states and institutions
- Impact of NEP 2020 on learners and educators
- Innovative and best practices aligning with NEP 2020
- Policy reforms and future recommendations
- Equity, inclusion, and multidisciplinary in education
- Role of technology and digital transformation
- Quality assurance and outcome measurement post NEP 2020
- Any other subtopic related to the main theme
