

NOTICE

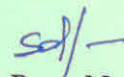

Subject: Migration of Zimbra Email Accounts (NIC Email) to Zoho Platform – Urgent Action Required

With reference to letter no. **1(1)/2025/NIC-MMD/101(PSUs)** dated 29 September 2025 issued by NIC regarding the migration of existing Zimbra email accounts (NIC Email) to the new platform (Zoho), it is hereby informed that a meeting was held in the University Administration to finalize the migration of official emails.

As per the decision of the University Administration, only limited user accounts will be retained and migrated to the new Zoho platform. Accordingly, all users are requested to take an immediate backup of their existing emails and important data from the Zimbra/ERNET India mail server.

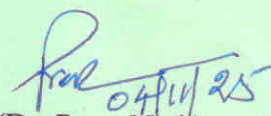

Please note that the email service provided by ERNET India (domain: **@hnbgu.ac.in**) will be terminated at any time without further notice once the migration process is completed.

Therefore, all concerned users are advised to take backup of their NIC emails immediately to avoid any loss of data.
